

**USA Swimming
Short Course Season
Begins 9/7/2021**

HEAT's mission is to develop highly motivated and successful individuals to maximize their potential in and out of the pool.

Explorers Aquatic Club (EAC) was founded in 1986. EAC was renamed Hudson Explorers Aquatic Team (HEAT) in 1999 and is known throughout the area as a first-class, year-round competitive USA swim program. HEAT offers a guided age-group program for children age 5 and up. HEAT has been awarded a Bronze Medal Club status from USA swimming as one of the top 200 clubs in America.

We offer training groups for the beginning swimmer to the most competitive and skilled swimmer. When a young person becomes a member of HEAT, they learn so much from goal setting, working hard, sportsmanship, teamwork and so much more. Swimming with HEAT provides physical, emotional and intellectual skills that will last a lifetime.

Age Group Descriptions and Expectations

Novice:

Our Novice group is intended for beginner swimmers. This group will be a pre-competitive group, meaning the Novice group members will not be required to participate in USA meets, but will have an opportunity to swim an intrasquad meet in September as well as a HEAT hosted invitation in January. This group will allow swimmers to be a part of the HEAT team and gain expert coaching and learn valuable swimming skills. These swimmers will focus solely on stroke technique for all 4 competitive strokes. Swimmers should have passed at least Level IV of ARC swim lessons or equivalent to join and be able to swim freestyle and backstroke proficiently.

Level 1:

Level 1 swimmers are generally new to USA Swimming or moving from our Novice program, and need to develop proper stroke technique. These swimmers will focus solely on stroke technique along with learning starts, turns, and finishes. Swimmers should have an understanding of all 4 competitive strokes and at least 1 meet is required for swimmers to move to Level 2.

Level 2:

Level 2 swimmers start to build endurance with continued focus on stroke technique. Practices will be geared towards skills and fundamental development. Level 2 group swimmers should be able to swim all 4 strokes legally for at least 25 yards and be able to dive in from the starting blocks.

Level 3:

Level 3 swimmers continue to build endurance with continued focus on stroke technique. Practices will be geared towards skills and fundamental development and also begin to learn proper racing strategies. Level 3 group swimmers should have an understanding of how to read the pace clock and handle minimal sendoffs in practice. Swimmers in this group should be swimming all 4 competitive strokes at various distances.

Level 4:

Level 4 swimmers continue to build endurance with continued focus on stroke technique. Swimmers in the Level 4 group are transitioning into the more advanced groups with HEAT. Practices will still focus on stroke improvement. Racing and training will also be developed as well. Understanding how to read the pace clock and calculate practice sendoffs is a must for swimmers in this group.

Level 5:

Level 5 swimmers will start to learn racing strategies and be introduced into more endurance training. Swimmers in Level 5 should be making more of a commitment to swimming by setting goals and knowing what it will take to accomplish them. Swimmers should be able to compete and train in all 4 strokes in all distances.

Level 6:

Level 6 is an advanced level age group swimmer. This group is comprised mostly of but not limited to swimmers 11-14 year olds. Practices are designed for more intense training but still with focus on stroke development and racing strategies. Level 6 swimmers should have a major commitment to swimming and HEAT and have established goals.

National Age Group:

This group will be by invitation only by the Head Coach for swimmers that have USA Sectional cuts or faster, or approved by the coaching staff. Swimmers in this group will be swimmers that are not in High School. Swimmers that participate in this group will be **REQUIRED to attend all practices each week including dryland and weights.** Swimmers in this group will also participate in specified USA meets with events being selected by the coaching staff. This group is a privilege and designed for swimmers that are serious and committed to the growth and development of their swimming careers. If a swimmer fails to meet the practice/meet requirements, they will be removed from the National group. The National group will be provided with some HEAT National team gear and will be expected to remain in the group for 1 year, during the Short Course and Long Course seasons. Swimmers in this group should set and establish clear goals and set up a goal meeting with the coaching staff.
