

Makos Updates: 12/06/20-12/19/20

Please read very carefully! The next two weeks calendar is below. Important meet information.

1. The dual meet on the 15th with Swim United has been cancelled. It was a decision made between Coach Tom, Coach Vince, and me.
2. Instead of the dual meet on the 15th we will have an intra-squad meet (Makos only) during our normal 6-7:30pm practice time. All groups except HS can sign up. I will put the touch pads in and run the timing session for the swimmers. We are still having the swimmers sign up like it is a meet but there will be no charges. We did this twice during the summer and it went well. **We will not have volunteers and will not live stream at the practice/meet. I have taken the volunteer list down.**
3. **There is practice now on Thursday the 10th MHS meets have been cancelled till at least late December.**
4. If you have any questions about your swimmer's events for meets, swim practices, progress of your swimmer etc please go the website on the top left click the coaches' button and email your swimmer's coach. Coach Anthony- HS group head coach and team head coach, Coach Jackie- Senior & Yellow group head coach, Coach Colleen- White & Green group head coach. Coach Hannah- White group head coach.
