

Makos Updates: 7/12/20-7/18/20

Please read very carefully pay attention to practice times! Below is the calendar for this week.

1. I talked to swimmers that swim doubles about M, W & F being overcrowded. We can safely swim 18 swimmers at a practice but no more than that because of the restrictions. I asked the swimmers to communicate with each other and figure this out. Double swimmers may be asked to go home if there are more than 18 swimmers at practice.
2. Please email me if your swimmer will be missing a practice or two so I can fill that spot with someone that may want to swim an extra practice or someone that might want to drop in. anth@zoominternet.net
