

Dear:

Vacationland Swim Club is a USA sponsored competitive swim club in Sandusky. VSC is a non-profit 501(c)(3) organization operating under the auspices of USA Swimming Inc., which is the national governing body for competitive swimming. Our club has been in existence since 1976 and has as many as 100 members, ranging in age from 5 to 25 years old. It has developed a local reputation as a first class, year-round competitive swim program.

Our swimmers come from the greater Sandusky area and are exposed to the finest swimming instruction in the area. The club's goal is to create a fun and healthy environment for its athletes while providing them an opportunity to compete at the sport's highest level. Our swimmers are dedicated and disciplined athletes who spend up to 20 hours a week, practicing day-after-day to achieve their goals. This hard work and dedication leads to both physical and intrinsic rewards. For a number of our athletes, it results in college scholarships and sometimes national competitions. When a young person becomes a member of the Vacationland Swim Club he/she not only learns the values of sportsmanship and team work, they are also encouraged to strive for personal excellence. VSC provides physical, emotional, and intellectual skills that will last a lifetime.

We are proud of the success of our swimmers. Recently, one of our swimmers was State Champion for his respective school. We also have two age—group swimmers that qualified this past summer for a highly competitive Zone meet and three high school age swimmers that qualified for Junior Nationals. In addition, our alumni are currently swimming in four different college programs.

Maintaining a high quality swimming program, while keeping it affordable, is an ongoing challenge. VSC regularly solicits assistance from the business community to keep this program alive and well. Assistance is needed towards the many operating expenses of our club including the pool rental fee, coaching expenses, swim equipment and team travel.

Please consider becoming a Platinum, Gold, Silver or Bronze sponsor of this program. On the following pages, you can see what we will offer your organization in return for your sponsorship. As always, a donation in any amount will be greatly appreciated and will be tax-deductible.

Thank you for your consideration of this request.
