

Dear:

Thank you for your generous donation to Vacationland Swim Club.

Vacationland Swim Club is a USA sponsored competitive swim club in Sandusky. VSC is non-profit 501(c)(3) organization operating under the auspices of USA Swimming Inc., which is the national governing body for competitive swimming. Our club has been in existence since 1976 and has as many as 100 members, ranging in age from 5 to 25 years old. It has developed a local reputation as a first class, year-round competitive swim program.

Our swimmers come from the greater Sandusky area and are exposed to the finest swimming instruction in the area. The club's goal is to create a fun and healthy environment for its athletes while providing them an opportunity to compete at the sport's highest level. Our swimmers are dedicated and disciplined athletes who spend up to 20 hours a week, practicing day-after-day to achieve their goals. This hard work and dedication leads to both physical and intrinsic rewards. For a number of our athletes, it results in college scholarships and sometimes national competitions.

Fundraising is an important part of our swim club's future and the many contributions we raise each year are integral to the success of our swimmers. Your support helps us to maintain a high quality swimming program, while keeping it affordable. VSC regularly solicits assistance from the business community to keep this program alive and well. We appreciate all you do for our club and it would not run as efficiently without your help.

Thank you for all your support!!
