A meet host of a sanctioned swim meet will be fined $50.00 for each coach the meet host permits to coach during any ISI sanctioned swim meet if the meet host represents in its meet announcement that its designee will verify the credentials of a coach or if, in fact, the meet host or its designee does state on the Coaches Meet Sign-In form that it has verified the credentials of the coach signing the Coaches Meet Sign-In form.
- New Business
  - Amend previously approved Board Minutes for the December 19, 2016 meeting
    - Reimbursement due to ICE from the LSC for the 2017 ISI Short Course Championships
  - Officials Committee Proposal
    - Before each ISI sanctioned meets, the ISI Registration Chair will generate a report from SWIMS listing all ISI certified coaches. This report will be sent to the Official’s Chair, who will then send it to the meet’s referee. The list should be used as the ISI Coaches’ Sign In. Coaches on the list are approved and eligible to be on deck at the meet. Coaches should sign their name when checking into the meet. Meet personnel still have the right and may check credentials and initial beside check-in, but are no longer required to verify coaching credentials. However, if a coach is not on the list, the meet personnel must verify coaching credentials and sign-off before granting access to the deck to that coach.
