Administrative Vice Chair Report
ISI Board of Officers Meeting
Sunday, March 29, 2017

Old Business:
A. **Floating Holidays.** Following the adoption of the ISI Employee Handbook, we as a board need to adopt two floating holidays for the calendar year 2017. I propose Monday, July 3rd (the 4th of July is on a Tuesday) and Friday, November 24 (the day after Thanksgiving) as the two floating holidays for 2017.

B. **Board of Directors Handbook.** I am waiting on surveys from eight non-athlete board members and all athlete board members. I would appreciate receiving the surveys by March 31, 2017.

C. **Service Sharing Task Force.** I have a committee of five non-athletes and two athletes established to begin the process of determining the need options for a second ISI employee. The committee consists of me, Jason Horas (ACAC), Don Spellman (ICE), Bobby Kelley (LMST), Marie Koenigsfeld, Emily Goodman (Athlete PSC) and Meirav Flatte (Athlete ICE). I have called for our first meeting to be by phone on Thursday, March 30, 2017. This will be a phone meeting and will begin at 7:30 pm. I have sent Marie information for the ISI website calendar.

New Business:
A. **Updated Section K.** I have been working with a small group to review and update Section K for some technical changes that were left-off in the previous re-write. I attach the version that I am presenting to the April HOD meeting for approval. Some noticeable changes include:

1. Further delegation to the TPC of designing and structuring the ISI Championship Meets.
2. The elimination of the Regional Finals Meets.
3. Moving the regular Entry Date for Championship Meets to noon of the Monday before commencement of the meet.

B. **Sanctions.** We have already issued nine sanctions for summer swim meets. Two swim meets have been dropped (ICE Mercer Invitational and PSC Summer Sizzler). The Meet Bid Committee Meeting is scheduled for April 8th. It will be held at the West Des Moines Public Library and begin at 9:30 am.

Task List
My task list still consists of:

1. **External Audit.** Investigating the cost and procedure for conducting an external audit of our financial statements and accounting procedures.
2. **Governance Committee.** Investigating the use of a governance committee for our LSC. The governance committee works with the board to make sure items are getting done on a timely basis and committees are doing their respective jobs.
