

MEMBERSHIP CARDS

Athlete and Non-Athlete membership cards are available on Deck Pass on the USA Swimming website and on the Deck Pass Plus App. Showing a printed card OR showing the card on a mobile device are both valid as proof of membership and certification status. All Adult Athlete and all Non-Athlete members should set up a Deck Pass Account, link the account to their USA Swimming Membership, and become familiar with it to track their certification expiration dates.

Instructions for Athletes and Non-Athletes to link their USA Swimming Membership and print or show their Membership card in Deck Pass:

- Go to www.usaswimming.org
- Click on the dark blue box with 3 horizontal lines in the top right corner. Scroll down to Sign in. Set up an account if you haven't already done so.
- When signed in, click on the dark blue box with 3 lines again, scroll down, and you should see **YOUR NAME's Deck Pass** in a red bar. Click on your name, and then click on the orange **Edit** icon. Click on Account Settings.
- Scroll down. Where it says **SHOW ME CONTENT RELEVANT TO A...** Make sure SWIMMER or COACH or OFFICIAL or TEAM LEADER is checked.
- **SAVE PREFERENCES.**
- Scroll, and click on the blue **Link My Account To USA Swimming Membership>**
- Fill in your name and birthdate where requested and click **SEARCH FOR MEMBERSHIP**
- In the search results you should see the correct version of your name, your club, and your registration information. Click on **This Is Me.**

- You should now see your **CURRENT STATUS**, and all your credentials/certifications listed.
- **MEMBERSHIP CARD>** appears at the bottom of that box. Click on that for a printable card. Bookmark www.usaswimming.org and remember your login info in case you ever need to show proof of current membership or certifications.
- On your mobile device - get the Deck Pass Plus app (free), sign in, and tap MEMBERSHIP CARD to view or show your card.

Please note: Athletes and Non-athletes with *any* certifications that have expired will be unable to print a membership card until the certifications are brought up to date.
