**VERIFICATION PACKETS** must be turned into the verification table at ten & under championships, Age Groups and Seniors. At the classic meets, verification must be included on the entry and coaches must be prepared with results of non New England meets, but packets do not have to be turned in. For complete verification information, see the sheet included with the meet entries.

**PINS** will be available at the verification table for all participants (including relay swimmers) at Ten and under championships, Age Group Championships, and Seniors. Please remind your swimmers to pick up their pins.

**ZONE TEAM:** The Zone Meet will be April 2,3,4, 1992 at Princeton University, NJ (plus two travel days). The coaches will be Isabelle Fraser (PVAC), Jim McCombs (MSSC), and two additional coaches to be selected according to coach interest and the clubs represented by team members. Coaches who are interested in the team should contact Isabelle Fraser (413) 567-3415.

Swimmers who are interested in the team must participate in three New England calendar meets. Nine and ten swimmers will be selected at the Ten and under Championship meet; 11 and 12 and 13 and 14 will be selected at Age Group Championships; 15 through 18 will be selected by application.

**VERIFICATION AT CHAMPIONSHIP MEETS AND "CLASSIC" MEETS:**

A third line has been included on the championship and "classic" meet entry forms which allows room for a verification code. Codes for New England meets have been included and the results of these meets will be available at each championship meet. For all other meets you must include your own code and also bring the results of the meet with you. Be sure to label the results with the code placed on the verification sheet.

At the CLASSIC meets, coaches should be able to produce verification and non-New England meet results is asked. Verification packets DO NOT have to be turned in.

At the CHAMPIONSHIP meets, a packet which includes the verification information and the results of all non-New England calendar meets used for verification must be brought to the verification desk prior to the start of the first event of the meet. Each packet should be labeled with the name of the team and should be picked up at the end of the meet. The packet should not be included with the entry form submitted to the host team, but a copy of the entry with the verification information must be in the verification packet. The packet should include only non-New England calendar meets that are used for verification.

Verification will be checked for each swimmer who does not make the cut in an event or who scratches (at Seniors), false starts, or disqualifies. If the verification for these swimmers has not been included or cannot be checked, the swimmers will receive an administrative DO and will not be able to swim any more in the meet. At Seniors, the verification for a paired event will be the event in which the time standard has been achieved.

#### Membership and Insurance - The Link

"Can we register as a U.S. Swimming Club Member if only a portion of our athletes are members of U.S. Swimming? Do we have insurance coverage in this situation?"

U.S. Swimming Rules and Regulations deals with membership requirements in several places. Article 501.2 defines the members of the Corporation as follows:

501.2. Every club which participates in USS competition, *and all its athletes and coaches*, sanctioned by the Corporation must be a member of its LSC and the Corporation. *(Italics added for emphasis.)*

Article 602.1.1A defines one type of group members within the Local Swimming Committee:

602.1.1A Clubs which have joined and are in good standing as members of the LSC and United States Swimming, *have athletes and coaches, all of whom are members in good standing* of the LSC and United States Swimming, and whose coaches have all satisfactorily completed safety training required by United States Swimming. *(Italics added for emphasis.)*

But what about the situation where only a segment of a club is interested in U.S. Swimming membership and competition? Is this allowed within the USS rules?

Yes, but the club that only registers some of its swimmers must be warned at once that it is jeopardizing its insurance coverage. Non-member athlete participation is an insured activity only for "tryouts" under certain time and supervisory conditions. If a non-member athlete were injured, he would not be entitled to accident medical coverage. As for the club, in all likelihood the insurance company would immediately send a reservation-of-rights notice (providing legal defense but reserving the right to deny coverage for any judgement).

What about the situation where, because of duplicate coverage, the club does not care about U.S. Swimming insurance protection? Perhaps the club and its athletes are already insured by a YMCA or municipality.

As a general rule of thumb: "When participating in an 'insured activity', a club must meet the definition of a USS Member Club for insurance purposes." Let's look at an example involving a dual YMCA-USS club member.

1. When the YMCA team as a USS Club swims in a USS sanctioned meet, where all swimmers and all coaches must be USS members to even have the right to participate at all, insurance coverage follows. The YMCA may have 100 swimmers, but when it goes to a USS sanctioned event with 75 of its swimmers, all coaches and all 75 swimmers are, and must be, USS members. The 25 left at home would not be subjecting themselves or others to insured injury.
2. When swimming as a YMCA Team in YMCA competition, there is no USS insurance coverage - unless - it is an approved meet, all team members are USS members, all team coaches are USS members, and it can be said to be an organized practice. Even then, USS insurance is secondary.
3. When the YMCA Team is practicing in the YMCA pool, USS insurance is not the primary coverage; YMCA insurance is. USS insurance coverage may be the secondary coverage if every swimmer practicing is a USS member, but, if not, then only under a reservation-of-rights if at all. And when practicing elsewhere, USS insurance demands that all coaches and all practicing swimmers be USS members. To hold otherwise would mean that an insurance carrier is expected to provide coverage when only a partial premium has been paid.

## USS, U.S. Masters Get Together

Many U.S. Swimming and U.S. Masters Swimming clubs cooperate closely to run meets, share practice time and coordinate fund raisers at the local level. Since the two organizations are separate, however, this relationship can result in questions about membership and insurance issues.

During its semi-annual meeting in January, 1991 the U.S. Sports Insurance Company board of directors considered several questions that have been raised by members of both organizations. They made the following recommendations which were then adopted by the U.S. Swimming Board of Directors.

1.) *Question:* Can a U.S. Masters Swimming member train with a U.S. Swimming club without purchasing a separate U.S. Swimming athlete membership?

*Answer:* Yes, a USMS athlete can train with a USS club without purchasing a separate USS athlete membership. If he were injured during the workout, the USMS secondary accident medical insurance would respond.

If the USMS athlete wants to compete in a U.S. Swimming-sanctioned meet, he must first join U.S. Swimming as an athlete member.

2.) *Question:* Is a USS official covered by liability insurance when he works at a U.S. Masters Swimming meet?

*Answer:* Yes, U.S. Masters provides liability insurance on a primary basis to cover USS officials who work at USMS meets. The limits of coverage are \$1 million per occurrence, \$2 million in total.

3.) *Question:* Can a U.S. Masters Swimming member officiate at a U.S. Swimming meet without having to purchase a separate USS non-athlete membership?

*Answer:* Yes, but only in those positions where USS membership is not required. U.S. Swimming Rules and Regulations Article 202.3.2 states, "All meet directors, referees, starters, marshals, and stroke and turn judges, serving in an official capacity in a sanctioned event, must be members of United States Swimming, Inc...." Therefore, USMS members can serve only in administrative or timing capacities. Meets always need help in these vital areas, however!

Hopefully this information will help to foster the cooperative relationship between U.S. Swimming and U.S. Masters Swimming clubs across the country. Questions about this information should be directed to either organizations' national headquarters.

New England is pleased to be able to offer a full schedule for the long course schedule. However, as many of you know too well, meets this year, especially the team specialty meets, have filled up early. Therefore, please plan your meet schedule ahead of time and get your entries in early! Most team specialty meets fill long before the actual deadline.

Dual meets and time trials may be added to the schedule of individual teams as necessary. They should be sanctioned by the Sanction Chairman, Isabelle Fraser and run according to New England standards.

TIME TRIALS AND DUAL MEETS: Standards for time trials and dual meets (other than regularly scheduled league dual meets) will be as follows: All sanction requests for long course season time trials or dual meets must be received by June 1. Time Trials and Dual Meets must include at least five swimmers from each of at least two teams. The results must be typed, signed by the referee and sent to the New England office within two weeks of the time trial or dual meet. The request for sanction should include the teams involved, the date, location, events to be offered and the name of the referee.

Please send requests to ISABELLE FRASER, 125 Franklin Road, Longmeadow, MA 01106 (413-567-2315)

**ROSTERS FOR JO'S:** Please note that USS recommends that rosters be given to Registration Chairmen four weeks before the meet. Please bring your rosters to AGE GROUPS. List all the swimmers that you might be taking. There is no charge for extra names!!!!

**JO DINNER:** New England Swimming will be sponsoring a dinner for all New England Swimmers who are attending Junior Nationals in Nashville. The dinner will be held on Tuesday, March 24. Reservation forms and more information will be at Age Groups and Seniors. We hope all New England swimmers will plan to attend.

**ZONE TEAM:** There have been some questions about the selection of the Zone Team. The 9 and 10 zone team will be selected at the 10 and under championship meet; the 11 and 12 and 13 and 14 zone teams will be selected at Age Group Championships; the 15 to 18 zone team will be selected from applications (printed in the December newsletter).

**CAMP:** The **THIRD ANNUAL MANCHESTER SUNFISH SWIM CLUB SWIM CAMP** will be held at New Hampshire College, Manchester, NH from Saturday, June 27 through Thursday, July 2 for both resident and day campers. It will be offered to boys and girls ages 10 through 17. Highlighting the staff will be national college coaches: Tim Welch, Notre Dame; Tom Groden, Boston College; Brenda Skelly, University of New Hampshire.

For more information, call 603-889-8002.

**FOUND:** A coat and a game were left at the Age Group Qualifier. To identify your property, please call Nancy Trombini at 617-449-6107.

# The Insurance Corner

by Sandi Blumit, Jardine Insurance Brokers

## Insurance Issues in the News

The following is a potpourri of questions and situations that came up throughout 1991.

### 1. Automobile liability coverage

Does a USS club have coverage under the USS program?

No. If a parent or coach uses their car to transport athletes or other club members to a practice or meet, the club has coverage under the car owner's policy. This is also true when the club rents a vehicle. Whomever signs for the rental vehicle is the individual whose insurance would respond for the club if an accident occurred and people in the vehicle were injured.

In the first example, the parent's or coach's insurance is the primary coverage. In the second example, the rental agency's insurance would be the primary coverage with the parent's/coach's insurance coming in to play on an excess basis.

Suggestion: Contact a local agent regarding the purchase of "Hired and Non-Owned Automobile Liability Insurance" for your club.

### 2. Starting block

Does a USS club have liability coverage if they design and build their own starting blocks or make changes to existing blocks?

Yes. The club may build or alter starting blocks to suit their needs. The blocks must comply with standards as stated in U.S. Swimming Rules and Regulations (Article 103.11). The club is not covered for alterations performed on blocks for other clubs or facilities.

### 3. Supervision

What level of supervision is required for the liability insurance to apply in the event of a claim?

There must be direct supervision for in water or out of water activities for coverage to be in place. Direct supervision has been defined as meaning "line of sight" between the supervising coach and the athletes involved in the activities.

Note: Coverage for out of water activities is limited to \$100,000 each occurrence/\$100,000 in the aggregate.

### 4. Denial of membership

Is there any liability coverage if a club denies membership to an individual and a claim results for the denial?

No. Basically, the only legitimate reason for membership denial is lack of pool space or time. Any other reason could be considered discriminatory. Claims arising out of humiliation, discrimination, harassment, or defamation are specifically excluded under the general liability policy.

### 5. New exclusions for 1992

a.) Underwater sports and b.) Water polo except for intrasquad.

We wish all a happy, successful 1992!

TO: LSC General Chairmen

FROM: Carol D. Alexander *Carol*  
Local Services Director

SUBJ: SmithKline Beecham Sponsorship Towel Promotion

USS sponsor SmithKline Beecham, makers of such products as Aqua Fresh toothpaste, Aqua Velva and Geritol, has planned a promotion this summer to put a minimum of \$1,000 in your LSC budget.

On Sunday, July 12, SmithKline Beecham will run a double page freestanding insert in your Sunday paper promoting their sponsorship of USS.

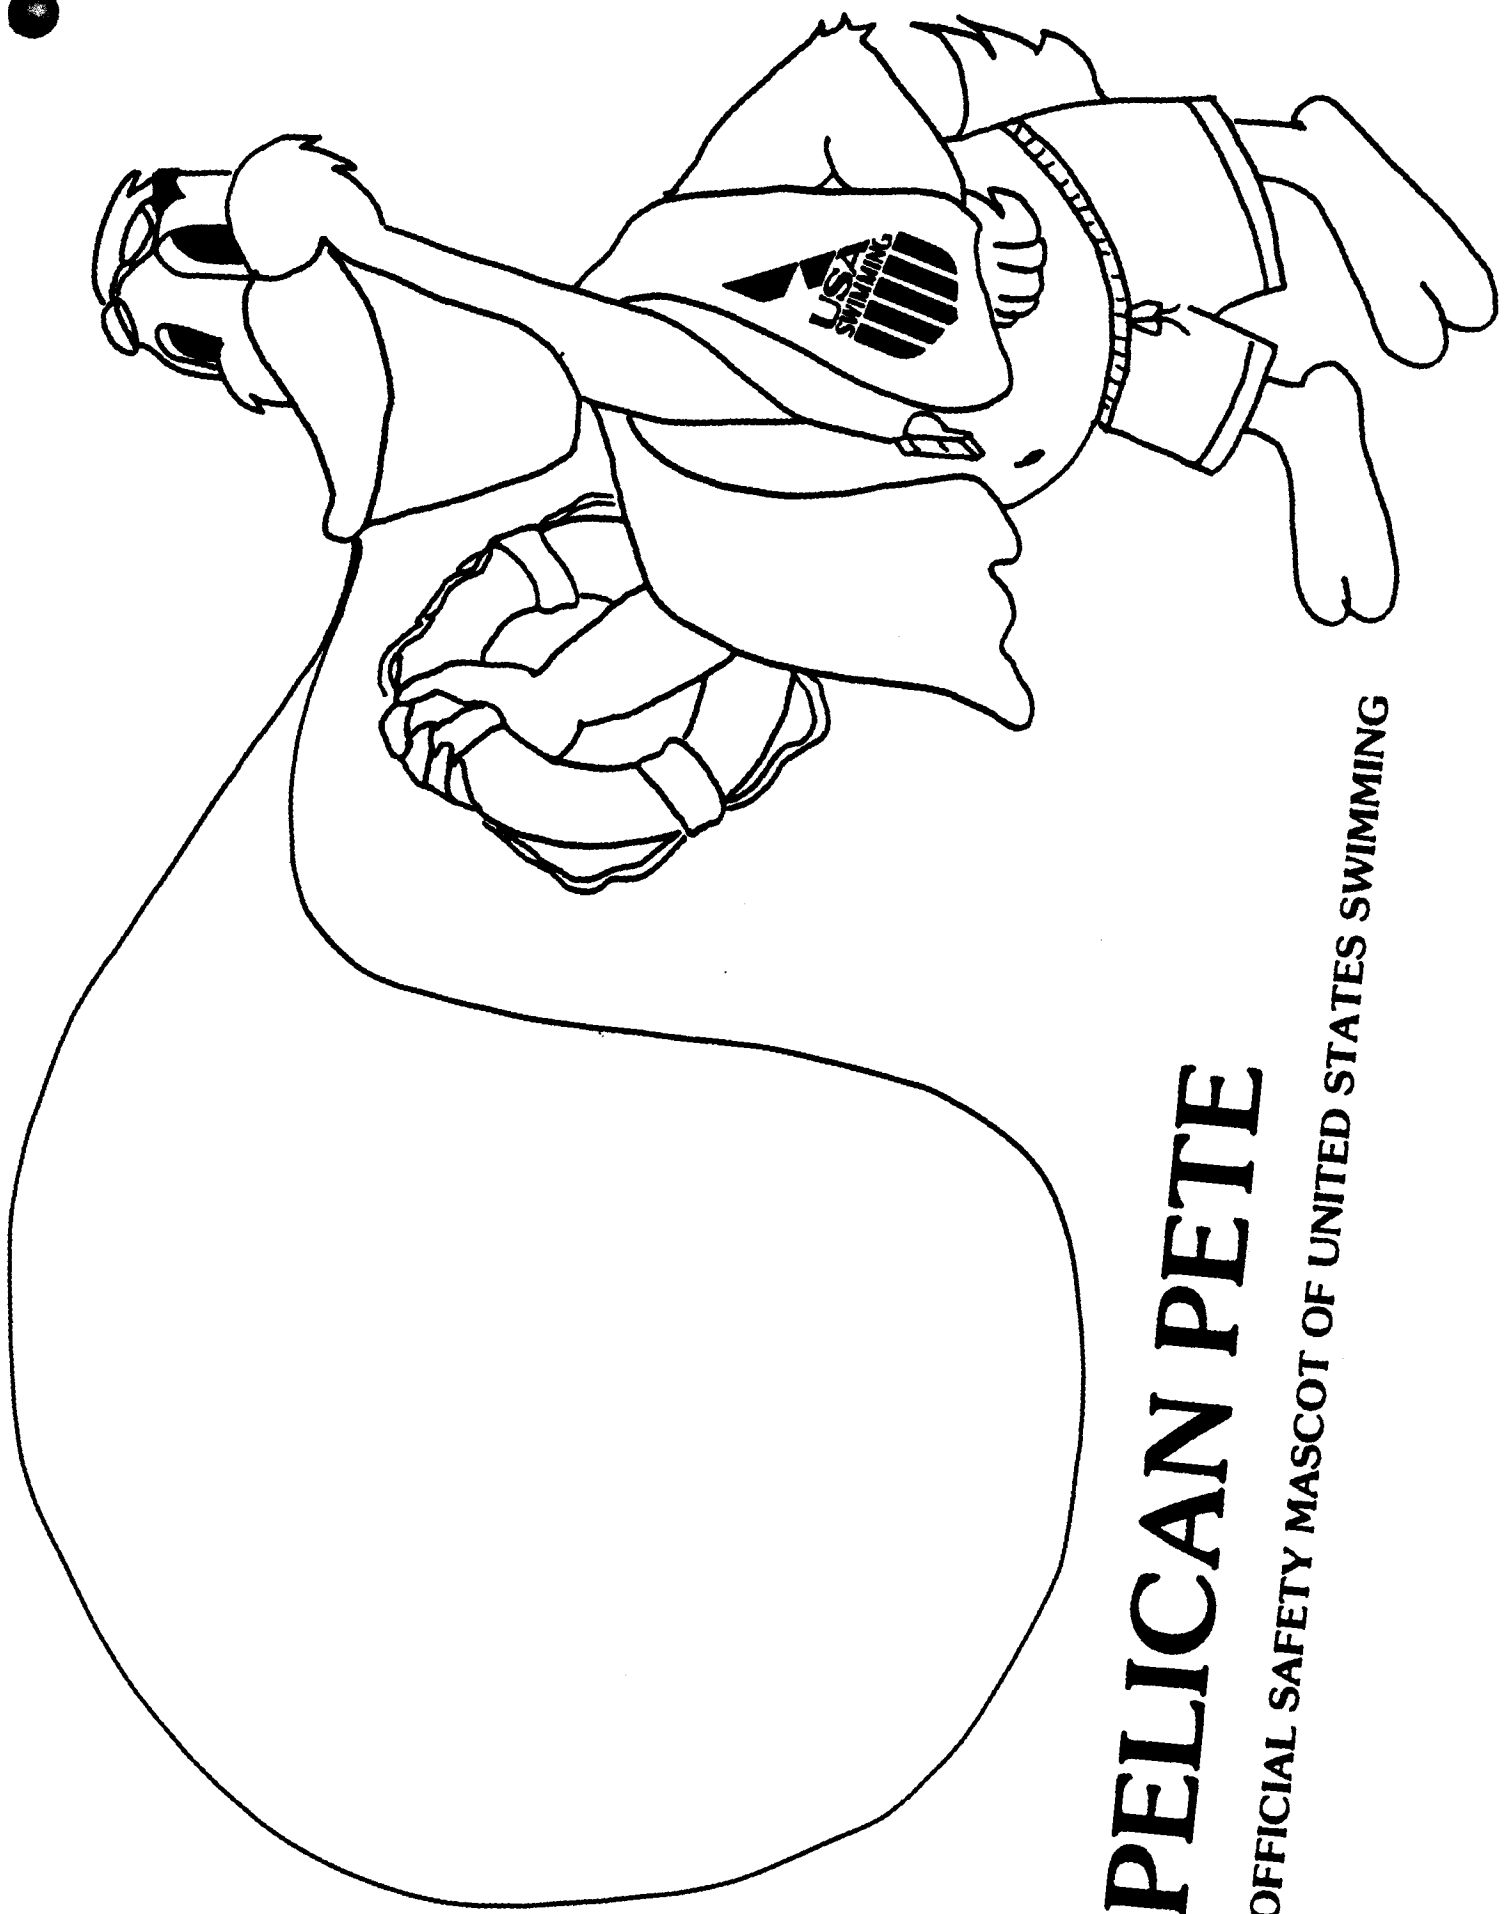

This freestanding insert will deliver an offer to consumers, with proof of purchase, a USS logo towel at a price of \$11.95. Every time a towel is purchased by anyone in your LSC, you will receive \$1.00 from the consumer and \$1.00 from SmithKline Beecham until your LSC has received \$1,000. After that, you will still receive \$1.00 from every consumer purchase.

To further promote this campaign, tear pads with this offer will be distributed nationally in retail stores. In addition, tear pads will be sent to all USS registered clubs. In an effort to help you promote the campaign, SmithKline Beecham will also be sending you several tear pads.

This is an excellent way to increase your LSC revenues. Please do everything you can to make your membership aware of this program. If you wish additional tear pads, please contact the USS Promotions Department.

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING

JULY 1992

**IN THIS ISSUE:** 1992—1993 SHORT COURSE CALENDAR; NEW ATHLETE REP;  
HIGH POINT WINNERS—SHORT COURSE AGE GROUPS & LONG  
COURSE SENIORS; GRADUATING SWIMMERS AT SENIORS....

## **ANNUAL MEETING:**

The **ANNUAL MEETING** will be held on **OCTOBER 3, 1992** at the Wellesley Community Center in Wellesley, MA. Every team in New England should try to send at least one representative.

The General Meeting will be held in the morning and will include a discussion of the budget. New England Swimming will be changing its budget to a calendar year so two budgets will be presented, one for September 1, 1992 through December 30, 1992 and one for January 1, 1993 through December 30, 1993. There will be no election of officers this year.

Anyone who has an item that he/she would like to put on the agenda for general discussion should contact the New England Swimming Office. Anyone who would like to be an appointed member of the Board for next year should contact Jim Kresel.

The afternoon session will include three meetings--Officials Clinic, Meet Managers Seminar, and Coaches Meeting. Bill Whitman will run the Officials Clinic which will be for updates only. Items for discussion at the Coaches Meeting should be given to either Amy Parratto or Dan Warner. The Meet Managers Seminar is **mandatory** for all teams running a meet during the upcoming year. Teams will be sent a notice in September and will be expected to return it with the name(s) of their representative to the meeting. We expect to divide the group into sessions so that the more experienced managers can discuss topics such as using computer programs, seeding on deck, etc. Anyone who has a suggestion for this part of the meeting or who is willing to chair a discussion group should contact the office.

More information concerning the meeting and a map showing the location will be in the August newsletter.

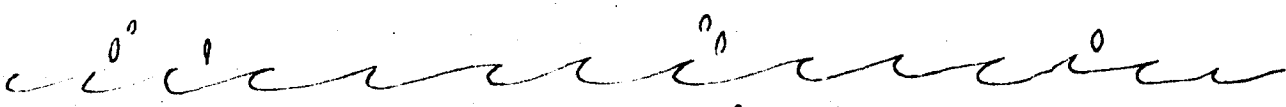

The Board of New England Swimming will not meet in August. The next meeting will be in September at a time and location to be announced.

**A REMINDER FOR ALL SWIMMERS:** If you plan to enter the "Pelican Pete" Safety Contest," all completed entries are due by **September 5, 1992**. If you need a copy of the "Pelican Pete" outline and contest rules, please contact the New England Swimming Office.

**STROKE AND TURN CLINIC:** Sunday, August 23, 1992 at 2 p.m. at the Mass. Maritime Academy, Buzzards Bay, MA. To register, call Mike Schwartz at 508-888-4056 (home).

**SAFETY TRAINING FOR SWIM COACHES:** Any team or individual who is offering the Safety Training for Swim Coaches course, either the full course or the update, should notify the New England Office so that we can direct those coaches who need a course to the individuals who are giving courses.

**HEAD SWIM COACH** wanted for USS/YMCA team. September--April season, 5--7 p.m. workout times. Apply to Leonard Mercier, Danvers YMCA, PO Box 64, Danvers, MA 01923.

## **REIMBURSEMENT POLICY FOR 1992—1993;**

At the September meeting of the New England Board, the following reimbursement policy for 1992—1993 was adopted. The policy is the same as this past year with the addition of the underlined section.

A New England registered swimmer who swims in an individual event at Junior Nationals will be reimbursed \$150 by New England Swimming. A New England registered swimmer who swims in an individual event at Senior Nationals will be reimbursed \$300 by New England Swimming. A New England registered swimmer who swims in an individual event at the US Open will be reimbursed \$300 by New England Swimming. A swimmer who places in the top 16 in one or more individual event will receive an additional \$50. During the short course season a swimmer must participate in three New England calendar meets to be eligible for reimbursement. During the long course season a swimmer must participate in two New England calendar meets to be eligible for reimbursement. A swimmer must request the reimbursement within eight weeks except for those swimming in the US Open.

To be eligible for reimbursement an athlete must have been registered in New England and have competed in a New England calendar meet at least six months prior to the meet for which reimbursement has been requested.

A swimmer who does not participate in three New England calendar meets during the short course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the long course season. A swimmer who does not participate in two New England meets during the long course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the short course season. **FACILITATORS FOR OFFICIALS CLINICS:**

New England Swimming has an established network of individuals willing to donate time and conduct Officials' Clinics in your local area. Over the years some of the names have changed, but we've been fortunate in maintaining good people and geographic balance.

This past year we welcomed 3 new facilitators to the group:

JACK PERKINS	GMSC	508-249-2333
CARLOS PEREIRA	EBAC	401-437-0747
JED GRAEF	TOST	802-985-2282

Thank you for volunteering, and we hop you enjoy being a facilitator.

Completing the list of facilitators you'll find individual who over the years have given a great deal of time and effort to the sport. They are:

BOB FREDETTE	SSA	603-742-5153
JIM KRESSEL	NCAC	603-643-4456
PRISCILLA DAVIS	NE	508-468-3786
FRANK MIKUSZEWSKI	PVAC	413-596-8269
HANK WEBB	HAFB	617-369-8836
CHARLIE WILK	SWRI	401-333-6973
JERRY ZIMMER	NASY	603-673-0676
BILL WHITMAN	NE	617-237-4584

These individuals will make themselves available to your club for a 2 to 2½ your clinic of the technical rules of officiating. Enough lead time must be given and please manage to have at least 5 or 6 people interested in participating. Those wishing to be certified must become members of NE Swimming.

This year I am pleased to report there are no rule changes. Therefore we need to focus on better understanding established rules, further improve skills and have a consistent backstroke turn interpretation. The most common comment I receive concerns different interpretations used in officiating the backstroke turn.

The best advice I can pass on is "do not over-officiate the turn." Be aware and call (DQ) gross or flagrant violations, but "let the swimmers swim." I am aware that US Swimming needs to address the subject of suppling an updated video, but until then all LSC's are in the same position. Suggestions have been made that our own LSC create a video, but as of now nothing is in the works. Until then let's remember we are there for the kids.

I welcome your questions or comments. Please address them to Bill Whitman, or Mary Riddell at the New England Office.

Bill Whitman, Officials' Chairman

Thank you for volunteering, and we hope you enjoy being a facilitator.

Items to be discussed: 1. Should the **1994\*** Short Course Age Groups continue to be for 15 & 16 or should it be for 15 through 18 swimmers?

2. Do you have any suggestions for awards at Senior Championships other than medals?

**NOTE:** All swimmers not attending the Christmas Classic who have suggestions or questions should please contact either Shannon McCarthy, Senior Rep, at (508) 872-3483 or Kait McLaughlin, Junior Rep, at (508) 251-7191. ;

**TECHNICAL COMMITTEE REPORT:**

At the Technical Committee Meeting on November 9, 1992 the following decisions were made:

At **AGE GROUP** and **SENIOR** this spring the 1650 will be swum on Thursday and the 1000 will be swum on Sunday at both meets.

The long course calendar will include a separate **TEN & UNDER CHAMPIONSHIPS** (timed finals); Age Groups will be trials and finals.

Teams that are hosting swim meets will be required to send each team attending the meet a letter spelling out the **warm-up procedures** a week in advance of the meet. Roy Coates also should receive a copy of the procedures.

**COMPUTER SURVEY:**

As more and more teams are using computers to run meets, enter meets and organize their teams, New England Swimming is interested in discovering what programs, computers and systems are being used so that we can possibly head toward more standardization.
