**ALL OTHER MEETS:** There is no "meet attendance" requirement except for:

SWIMMERS ON THE ZONE TEAM and SWIMMERS DESIRING REIMBURSEMENT FROM NEW ENGLAND SWIMMING FOR NATIONAL MEETS: These swimmers must attend three New England calendar meets during the short course season.

**TIMES:** All swimmers entering New England's "end of season" meets must enter with a time achieved at a meet. The meet may be a New England calendar meet, but it also may be a league meet, "Y" meet, etc., **if you have a copy of the results.** These results must be brought to the meet with you.

Times for 12 & under, 13--18, and Senior Championships must date from February 21, 1997; times for Districts and Bronze must date from September 1, 1997.

**TIMERS & OTHER WORKERS:** In order to make our "end of season" meets run smoothly, for the swimmers, New England Swimming allows the teams running the meets to assign timers for the teams attending the meets. **THESE TIMING ASSIGNMENTS ARE MANDATORY AND MAY NOT BE IGNORED!** For the Senior and 12 & under Championships (both run by New England Swimming), other workers will also be assigned to each team.

**INCENTIVE CUTS FOR AGE GROUPS:** Swimmers at Districts will be able to enter Age Groups with incentive cuts again this year. However, the time achieved must at least equal the district cut in order to use it to enter 12 & under and 13--18 Championships.

**DISTRICTS: INCENTIVE CUTS FOR AGE GROUP CHAMPIONS:**

Events 200 yards and shorter: In each district, the two swimmers who achieve the two fastest times which are **NOT** Age Group Championship qualifying times, will be eligible to enter that event at Age Group championships with their District Championship time.

**ATTENTION—ATHLETES, COACHES, and OFFICIALS: NEW STARTING PROCEDURE:**

At the US Swimming Convention in San Francisco this September it was decided that beginning with this Spring's Championships the FINA starting procedure will be used on all meets from Junior Championships and above. With this in mind, it has also been decided by the New England Board that it would be beneficial for our swimmers to experience this procedure before they reach the National Championship deck. Therefore, beginning this March, New England Swimming will also use the FINA starting procedure at the New England Senior Championships. The starting procedure is outlined below so everyone will know what to expect this March.

The deck referee will blow 3 short whistles. This will be the signal for all swimmers in that heat to report behind the blocks and to be ready to swim. ie: remove all warm-ups, etc.

The announcer will now announce the event, if this is the first heat, and the heat.

The referee will blow one long whistle when he/she is satisfied that the field is there and ready to swim. At this whistle all swimmers in that heat should step up onto the blocks.

For the backstroke, the swimmers should step into the water on the first long whistle. On the second long whistle, the swimmers shall immediately return to the starting end of the pool.

The referee will turn the field over to the starter when they are all ready by use of an outstretched arm.

The starter will at this point say "Take your mark" only and give the starting signal.

Recalls will be as they have always been.

This may be a new procedure to many swimmers but one that can be learned easily and seems to be very efficient.

Dottie Bruchez and Frank Ching

**QUESTION/ANSWER FORUM**

---

**Q:** Who is responsible for making sure that a coach's safety certifications are kept current?

**A:** The LSC registrar must confirm that certification is current at the time of membership renewal. If that certification expires sometime during the membership year, it is the coach's responsibility to renew prior to the expiration date. Failure to do so could result in a club losing their insurance coverage if an accident took place while the coach's certifications were not current. Therefore, the local club, as an employer, would do well to keep track of the certifications.

**Q:** If one of the coach's safety certifications expires, what is the status of that coach's insurance coverage?

**A:** If a coach's certifications are not current, the coach's membership status is invalid. Therefore, the insurance provided for coaching activities is no longer in existence.

**Q:** Is the new ARC/USOC Sport Safety Training course going to be mandatory? Does it replace Safety Training for Swim Coaches?

**A:** This course will fulfill USS requirements for CPR and First Aid, but it does not replace Safety Training for Swim Coaches. The USOC may make Sport Safety Training mandatory for coaches who participate in programs held at any of the Olympic Training Centers, as well as coaches on USOC national team trips, but it is not mandatory at this time.

**NOMINATING COMMITTEE:**

Nominations are now being accepted for new members of the New England Swimming Board of Directors who will be elected at the Annual Meeting on May 16, 1998.

The term of office is two years and the term of the various offices is staggered so that some positions are elected in even years and others are elected in odd years.

Positions which are to be elected this year include:

General Chairman  
 Administrative Vice-chairman  
 Financial Vice-chairman  
 Senior Vice-chairman  
 Secretary

New members of the Nominating Committee and Board of Review also will be elected.

Any member of the New England Swimming community who is interested in one of the above positions should speak to Priscilla Davis (978-468-3786).

The coaches will be electing a new Junior Representative. Coaches who are interested in this position should speak with Josh Stern (401-331-8568).

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

MARCH 1998

**IN THIS ISSUE:** UPDATED NE LONG COURSE 1998 CALENDAR; ANNUAL MEETING INFORMATION; HIGH POINT WINNERS—12 & under, 13 & over and SENIOR CHAMPIONSHIPS; NEW ATHLETE REP; NES RED, WHITE, & BLUE LSC CAMP INFO & APPLICATION.....

THANK YOU    THANK YOU    THANK YOU    THANK YOU    THANK YOU    THANK YOU

New England Swimming would like to thank all the teams, coaches and parents who helped to make the "end of the season" meets so successful.

Thank you to **EB, MVP, NCAC, and SAC** who hosted very full but successful Bronze and District meets.

Thank you to **BGSC** for hosting a very large but well-run 13 and over Championships at Bentley College. The **BGSC PARENTS** were extremely well-organized and did everything they could to make the meet a success. The hospitality room deserves special mention--the coaches and officials ate very well!! Referees, **PRISCILLA DAVIS** and **DON ANDERMAN**, kept every thing under control.

New England Swimming ran two meets this short course season--12 & under Championships and Senior Championships. At both meets we had the cooperation of the teams and parents to time and do other jobs, and we appreciate everyone's help.

Thank you to **BRUCE MOHL**, our meet director at Seniors, **HAROLD WHITNEY**, who did the computer work, **MARIAN TUCKER** and **MARIELLA ALLARD**, our experienced office crew, **PRISCILLA DAVIS**, referee, and **FRANK CHING**, announcer.

The 12 and under Championships presented a special situation because of the size of the meet and the fact that we had more responsibilities in the facility (especially clean-up). New England owes a special thank you to **MARY GENTRY**. We could not have done it without her!!!! Thanks also to the meet director, **MIKE SPRING**, computer operators, **DAN WARNER** and **BOB WRIGHT**, referee, **PAUL BURKHARDT**, announcer, **KATHY DACEY**. Special thanks also to the **FISKE** and **SIU** families who helped at the door, and to **PATTY SPRING** and **TOM BRUNO** who filled in wherever they were needed and to the two fathers and three sons from **GMSC** who helped with the clean-up on the final evening.

The Board of New England Swimming will meet on **MONDAY**, April 13, 1998 at 7 pm at the Wellesley Community Center, Wellesley, MA.

March 19, 1998

To Athletes of New England Swimming:

For those of you who do not know, I am currently your Senior Athlete Representative to the New England Swimming Board. My term as athlete rep is coming to a close and the Board is looking for an interested swimmer who would like to join with Kevin Riley from BGSC (current Junior Athlete Rep) to help with all the decisions that are made in our sport. You will attend the weekly monthly board meeting, usually held at the Wellesley Community Center in Wellesley, Ma. and give input on ways to improve New England Swimming. Not only do you voice your opinions concerning New England, you also travel to the US Swimming Convention which is held in various areas of the United States.

For those who would like more information and would seriously consider this position, please contact Mary Ridell at the office of New England Swimming. Thank you.

Sincerely,

Katie Zimbone

If you are interested in this position, please complete the form at the bottom of this page and submit it with a brief essay stating why you would like this position.

## **NEW ENGLAND SWIMMING'S 1998** **RED, WHITE and BLUE LSC CAMP**

### **CAMP GOALS**

1. To provide a training and educational experience for each participating swimmer.
2. To educate participants on the history and heroes of United States Swimming (USS).
3. Improvement of swimmer's self-image.
4. To promote Local Swimming Committee (LSC) unity by camp participants.
5. Retention of athletes.
6. The transfer of information back to the swimmers' home club.
7. To provide an opportunity for education, observation, communication and motivation to coaches.

### **CAMP DESCRIPTION**

The camp will be held Saturday, May 30th through Sunday, May 31st. As in years past, the camp will be held at Clark University in Worcester, Massachusetts. The maximum number of campers is 50 (approximately 25 girls and 25 boys). The age range is 10 through 13. Swimmers who are 9 or 14 may apply, but will only be accepted if the camp is not full. This is an overnight camp and N.E. Swimming requests that only responsible, mature swimmers apply.

Camp applications, included in the Newsletter Plus, should be mailed to the camp director by May 12th. The coaching staff has not yet been finalized, but will be by May 1st. The two day camp format will include four practices and many lectures / team meetings. The meetings will include the following topics: Nutrition, USS History & Heroes, Goal Setting, Practice Preparation, Sportsmanship, and Stroke Development...just to name a few!

The United States Swimming LSC Camps are not intended for stroke correction or changing stroke technique. The purpose of the camp is to inspire our young swimmers to continue in the sport (see camp goals). Some basic stroke development principles will be reviewed in videos and in the practices.

The cost of the camp is \$30.00. Please include a \$10.00 deposit along with your camp application. The \$20.00 balance is due when the swimmers register on Saturday, May 30th. All checks should be made payable to N.E. SWIMMING.

**REPORT FROM THE TECHNICAL COMMITTEE:**

The following recommendations of the Technical Committee were accepted by the Board of New England Swimming at its meeting on April 13, 1998.

**LONG COURSE SEASON:**

Long Course Age Group Championship Meets for this summer only will be timed finals (rather than trials and finals). The 13 and over meet will be held as timed finals with the 13 and 14 swimmers in the mid-afternoon and the 15 through 19 swimmers following in the evening. For the 12 and under meet, the 8 and under and 9 and 10 swimmers will swim timed finals in the morning, and the 11 and 12 swimmers will swim timed finals in the late afternoon. This format will help reduce the length of the sessions and also reduce the crowded warm-ups.

Because of the dates for the two age group meets this summer (necessary because of pool availability) with the 12 and under meet following the 13 and over meet, ages for both meets will be established as of the first day of the first meet (July 23) for this summer only.

Swimmers at the NSSC meet (July 17--19) will be able to enter both the 13 and over and the 12 and under meets with times from the NSSC meet. Swimmers at the GMSC meet (July 24--26) will be able to enter the 12 and under meet with times from the GMSC meet.

There will be no changes made in the time standards for long course championship meets this summer. The times standards will be reprinted in the May newsletter.

**SURCHARGES:**

New England teams that still owe surcharges will not receive sanctions for further meets and will not have any future bids considered until the fees are paid. In addition, the financial report forms will be changed to add that if the report and appropriate surcharges are not returned within six weeks, the team's sanction deposit will be forfeited.

In order to encourage teams to run more trials and finals meets, there will be no surcharges for future trials and finals meets.

**REIMBURSEMENT:**

There will be no changes in the reimbursement policy for athletes (as printed in the November newsletter) or for coaches (as printed in the February newsletter) for the 1998--1999 seasons.

## NEW ENGLAND SWIMMING ANTI-RECRUITING POLICY

Active recruiting – the solicitation of an athlete of one USS member club by another USS member club – is contrary to the best interests of New England Swimming and its more than 5000 athlete members.

USS member clubs within New England Swimming shall be prohibited from directly or indirectly soliciting or encouraging an athlete of another USS member club to leave his or her existing member club to join the soliciting club. This anti-recruiting policy shall prohibit a USS member club officer, employee, or coach from directly or indirectly initiating contact with an athlete from another USS member club in New England Swimming, or the athlete's family, with the intent that the athlete join the soliciting club.

The intent of this anti-recruiting policy is to prevent organized and club-sanctioned efforts to persuade a member of one USS member club to leave his or her member club to join the other member club. It is not the intent of this anti-recruiting policy to prevent athletes or parents of athletes of one member club from initiating contact with coaches, officials or athletes of another member club for the purpose of inquiring about joining the other member club. Once such contact is initiated, the restrictions of this anti-recruiting policy shall not apply to any contact with that athlete or family by that member club. Nor is it the intent of this anti-recruiting policy to prevent athletes or parents of athletes from different clubs from discussing any aspect of their respective USS member clubs, or incidental contact, such as may occur at a competition when a coach, parent, or athlete of one club offers to congratulate an athlete from another club. However, any such activities which are shown to have been promoted, encouraged or facilitated by a USS member club officer, employee or coach with the intent of recruiting shall be in violation of this anti-recruiting policy and subject the member club and/or its coach to the sanctions of this anti-recruiting policy.

Nothing in this anti-recruiting policy shall prevent a USS member club from conducting self-promotional activities such as advertising, team tryouts or camps for the purpose of recruiting athletes, as long as there is no direct solicitation of athletes of another member club.

Violation of the this anti-recruiting policy may be reported to the New England Swimming Board of Review which, upon review of the complaint, may conduct hearings under the by-laws of New England Swimming. Any USS member club or USS member coach found to have violated this anti-recruiting policy may be suspended from New England Swimming for up to one year for a first offense and for up to two years for a second or subsequent offense. Suspension of a member coach for a violation of this anti-recruiting policy shall prohibit that coach from being on deck for any USS competition sanctioned by New England Swimming during the period of suspension. Suspension of a USS member club for a violation of this anti-recruiting policy shall not prohibit the registration of the club, athletes or coaches, but shall prohibit the member club from competing as a team in USS competition sanctioned by New England Swimming, including all championship competition during the period of suspension. Athletes registered with any such suspended club may compete in any USS competition sanctioned by New England Swimming, but may do so only as an unattached athlete.

Bids for all meets for the 1998--1999 short course calendar are due by July 1, 1998. Bids for all meets for the 1999 long course calendar are due September 1, 1998. A bid must be in proper form (complete meet information package) or it will not be considered. An untimely (late) bid will be considered only if teams hosting meets on the same weekend consent or the calendar committee finds that the late bid meet will not adversely affect a timely bid meet. **The sanction fee will be increased to \$40 per day for any late bid meet.**

The Calendar Committee will review all timely submitted bids and attempt to award meets consistent with each team's preferred date. In the event any particular weekend is oversubscribed, the Calendar Committee will attempt to move one or more meets from an oversubscribed weekend to a less subscribed weekend in the best interests of the New England Swimming community. The final decision with respect to any bid rests with the Calendar Committee.

The Calendar Committee and the New England Swimming Board, in the best interests of New England Swimming, may waive any of its policies with respect to securing bids for championships meets. The New England Swimming Board will consider a subsidy (up to four per season) of \$250 to a team which hosts a distance meet open to all New England teams as a calendar meet. A distance meet is a meet which offers the 1650/1500 or the 1000/800 which may be combined with a 400/500 freestyle or a 400 IM. A distance meet run by a team in conjunction with an existing meet (i.e. on the same weekend) is not eligible for subsidy. **In order to encourage teams to run more trials and finals meets, there will be no surcharges for trials and finals meets.**

**New England teams that still owe surcharges will not have bids considered until the fees are paid.**

The Bid Form for all meet bids will be found in this newsletter and is part of the bid package.

**SEED CARDS:** Seed Cards are available through the New England Office. The cost for plain cards is \$22 per thousand, including mailing. If the cards are picked up in Needham, the cost is \$19 per thousand. There is no minimum, and the cards may be split any way between boys and girls.

If you want initials on the cards, the price for 1,000 cards is \$31, including mailing. If the cards are picked up in Needham, the cost is \$28. If you want 2,000 or more cards with initials, the cost is \$26 per thousand, including mailing, or \$23 per thousand if the cards are picked up in Needham. The minimum order for cards with initials is 1,000 cards.

Our apologies to **ANDREA KURRLE (ABF)** who was omitted from the Top 16 list. She should have been listed for Long Course 17 and 18 girls 100 meter breaststroke for 11th place with a 1:13.31.

#### **DATES TO REMEMBER:**

- JULY 1, 1998:** All bids for meets for the short course 1998--1999 season are due.
- JULY 21, 1998:** All applications for the New England Long Course Zone team are due. Qualifying times and applications were in the May newsletter or call the office.

#### **CHAMPIONSHIP MEETS:**

Meet Entries for the Championship Meets--Senior Championships, 13 & over Championships, 12 & under Championships--have been mailed to the teams, all in one envelope.

#### **CORRECTIONS:**

**Senior Championships:** On the list of events, please note that the 1650 freestyle, 500 freestyle, and 1000 freestyle should be the 1500 freestyle, 400 freestyle, and 800 freestyle.

**12 & under Championships:** The organization of the sessions according to age group is not the same as was announced in the Technical Committee Report of several months ago. The order in the entry is the correct arrangement.

Due to an error at the copy center, the pages listing the order of events have not been printed in order. Please note the days of the meet listed on the order of events so there will not be any confusion.

The Board of New England Swimming will meet on **MONDAY**, July 6, 1998 at the Wellesley Community Center, Wellesley, MA at 7 pm. All Board meetings are open to interested members of the New England Swimming Community.

**NEW ENGLAND SWIMMING ANTI-RECRUITING POLICY:**

The proposed New England Swimming Anti-Recruiting Policy was accepted by the House of Delegates at the Annual Meeting on May 16, 1998. For your information, the policy has been reprinted in this issue of the newsletter.

Please be sure that all members of your team, including all assistant coaches, swimmers and parents are aware of the policy. Violations should be reported to the Board of Review.

**SCHOLASTIC ALL-AMERICA TEAM:**

The dead-line for applications for the 1997--1998 United States Swimming Scholastic All-America Team is August 1, 1998.

New England registered swimmers who are eligible to apply must have completed 10th, 11th, or 12th grade, have a 3.5 grade point average or better on a 4.0 scale and have participated in an individual event in the 1997 summer National Championships, Junior Championships or the 1997 US open or the 1998 Spring National Championships or Junior Championships.

Applications were available at the Annual Meeting, and have been included with the reimbursement checks sent to the swimmers and are available from the office.

**TRANSFERS:**

There has been some confusion concerning swimmers transferring. According to Section 303.3 of the USS Rules and Regulations, the rule states that for a swimmer to represent a USS club in a competitive event, 120 consecutive days must have elapsed without the swimmer having represented any other USS club in competition.

Until the 120 days have elapsed, the swimmer must swim unattached and may not participate in any relays. In addition, a transfer form must be completed by the parent and returned to the office. The form should be completed when a swimmer decides to join another team, definitely before the swimmer goes to a meet with the new team.

Swimmers at the Zone Meet are representing New England, not a team.

At a recent New England meet there were at least four teams that entered swimmers in the meet in violation of the 120-day rule. Several of these swimmers swam in relays and many scored points for their new team. With this reminder, it is assumed that this will not occur again.

## NEW ENGLAND SWIMMING ANTI-RECRUITING POLICY

Active recruiting – the solicitation of an athlete of one USS member club by another USS member club – is contrary to the best interests of New England Swimming and its more than 5000 athlete members.

USS member clubs within New England Swimming shall be prohibited from directly or indirectly soliciting or encouraging an athlete of another USS member club to leave his or her existing member club to join the soliciting club. This anti-recruiting policy shall prohibit a USS member club officer, employee, or coach from directly or indirectly initiating contact with an athlete from another USS member club in New England Swimming, or the athlete's family, with the intent that the athlete join the soliciting club.

The intent of this anti-recruiting policy is to prevent organized and club-sanctioned efforts to persuade a member of one USS member club to leave his or her member club to join the other member club. It is not the intent of this anti-recruiting policy to prevent athletes or parents of athletes of one member club from initiating contact with coaches, officials or athletes of another member club for the purpose of inquiring about joining the other member club. Once such contact is initiated, the restrictions of this anti-recruiting policy shall not apply to any contact with that athlete or family by that member club. Nor is it the intent of this anti-recruiting policy to prevent athletes or parents of athletes from different clubs from discussing any aspect of their respective USS member clubs, or incidental contact, such as may occur at a competition when a coach, parent, or athlete of one club offers to congratulate an athlete from another club. However, any such activities which are shown to have been promoted, encouraged or facilitated by a USS member club officer, employee or coach with the intent of recruiting shall be in violation of this anti-recruiting policy and subject the member club and/or its coach to the sanctions of this anti-recruiting policy.

Nothing in this anti-recruiting policy shall prevent a USS member club from conducting self-promotional activities such as advertising, team tryouts or camps for the purpose of recruiting athletes, as long as there is no direct solicitation of athletes of another member club.

Violation of the this anti-recruiting policy may be reported to the New England Swimming Board of Review which, upon review of the complaint, may conduct hearings under the by-laws of New England Swimming. Any USS member club or USS member coach found to have violated this anti-recruiting policy may be suspended from New England Swimming for up to one year for a first offense and for up to two years for a second or subsequent offense. Suspension of a member coach for a violation of this anti-recruiting policy shall prohibit that coach from being on deck for any USS competition sanctioned by New England Swimming during the period of suspension. Suspension of a USS member club for a violation of this anti-recruiting policy shall not prohibit the registration of the club, athletes or coaches, but shall prohibit the member club from competing as a team in USS competition sanctioned by New England Swimming, including all championship competition during the period of suspension. Athletes registered with any such suspended club may compete in any USS competition sanctioned by New England Swimming, but may do so only as an unattached athlete.

Because of facility limitations, which required the meet for 12 & unders to be held following the meet for 13 & overs, ages for swimmers in the 12 & under meet will be established as of JULY 23, 1998. This will allow swimmers who "age up" during the week between the meets to swim in a championship meet. However, times achieved by swimmers who age from 8 to 9, from 10 to 11 or from 12 to 13 from July 24 through July 31 will not be eligible for records, New England Top 10 or USS Top 16.

**TIMERS and OTHER WORKERS:** MEM and PVAC will be assigning timers to assist with the meets that they are running. Teams are expected to comply with these timing assignments. New England Swimming will be assigning timers and other worker for the New England Senior Championships.

**OFFICIALS** should make sure their name, phone number and sessions that they will be working are indicated on the form that the team will be returning with the team's entry.

**ESPECIALLY FOR COACHES.....****FAQ ABOUT COACHES SAFETY CURRICULUM**

**Q:** I'm a coach member of USS. Last year I took one course that fulfilled both first aid and CPR requirements. Do I have to take the course again before I renew my membership?

**A:** Several courses on the approved list meet the requirements for both first aid and CPR. The first aid portion of the course is good for three years. CPR, however, must be renewed annually unless you take an American Heart Association class, which must be renewed every two years.

**Q:** The local American Red Cross chapter told me that Sport Safety Training will replace Safety Training for Swim Coaches. Is that true?

**A:** No that is not true! Some local ARC chapters are misinformed about this. The national ARC office is making every effort to let the local chapters know that no other class replaces Safety Training for Swim Coaches. Sport Safety Training does meet the requirements for first aid and CPR.

**Q:** Whatever happened to the self-study course for Safety Training for Swim Coaches?

**A:** USS and the ARC were working together to create a self-study guide so that coaches could take Safety Training for Swim Coaches (STSC) at home at their convenience. The American Red Cross, however, has shifted its focus in 1998 to a new course, Safety in the Workplace. We hope to have a STSC self-study course available by the end of 1999.

## **HELP WANTED**

**HEAD AGE GROUP AND MASTERS COACH** needed for the Hockomock YMCA, a YMCA/USS program with all levels of swimmers. The team currently has 160 athletes and uses three pools and needs someone for a year commitment, part-time with responsibilities of coaching age group swimmers and a Masters team with 40--50 members. Pay is commensurate with experience. Contact Matt Schade, Director of Competitive Aquatics at 508-695-7001 ext. 223 or send resumes to Hockomock YMCA, 300 Elmwood Street, North Attleboro, MA 02760.

**HEAD COACH WANTED**--Concord, NH YMCA Swim Team. 115 USS/YMCA Swim Team needs Head Coach, train at New Hampshire College and Concord YMCA in winter. Starts September--October 1998. Contact Janet Levy at 603-224-5747.

**WAYLAND TOWN HOUSE POOL**, Wayland, MA needs full-time assistant aquatic director, full-time and part-time USS swim coaches, recreational team coaches, part-time life guards and swim instructors. Call Kelly at 508-358-4200.

**REGISTRATION INFORMATION:**

**FEES:** All fees for 1999 will remain the same except for the Family Membership (a non-athlete category) which will increase to \$50 (\$45 USS fee plus \$5 New England fee).

**REGISTRATION FORMS:** Teams will not receive computer print-outs for reregistration of 1998 registered athletes. All members, athletes and non-athletes, must complete registration forms annually. USA Swimming will be assigning new unique I.D. numbers next year, and it is crucial that accurate information, including legal first name, middle initial, and birthday, is included on the registration forms. Current addresses also are important for the delivery of Splash magazine. Teams should plan a parents' meeting or some other method to assist parents in completing the new athlete forms.

**UNIQUE I.D. NUMBERS:** USA Swimming will be assigning unique I.D. numbers to all athletes and non-athletes, beginning with the 1999 registration year. This number will be unique and should never change.

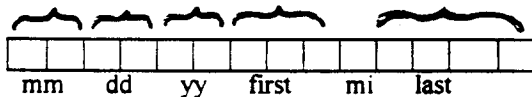

The format will be as follows: the date of birth (six digits--month, day, year); the first three letters of the legal first name; the first letter of the middle name; the first four letters of the last name. In the event that there is no middle initial or not enough letters in the first or last name to fill the field, an asterisk will be used.

Here are some examples: April J. Durant, born 1/05/53 010553APRJDURA  
 Cy V. Young , born 9/18/79 091879CY\*VYOUN  
 Ty Lee , born 5/18/73 051873TY\*\*LEE\*

The form will also provide for a "preferred" name which can be used to enter meets.

The I.D. number will be issued to athlete and non-athlete members. Non-athletes will be required to provide date of birth to support the unique I.D. format.

In order to help people remember the formula for the new number, we are asking that 14 blocks, with description, be used instead of a straight line when asking for the I.D. number on any forms. Here is an example:

**ETHNICITY REQUIREMENTS:** Effective with the 1999 membership year, athlete and non-athletes will be asked to indicate their ethnicity on the membership form. In accordance with federal census guidelines, two ethnic choices can be selected.

**COACH MEMBERS:**

**AGE REQUIREMENTS:** Legislation passed by the 1997 House of Delegates requires that every club's coach of record be at least 18 years of age.

**EDUCATIONAL REQUIREMENT FOR FIRST YEAR COACH MEMBERS:** Effective with the 1999 membership year, all first year coach members will be required to complete an educational requirement prior to renewing their coach membership. All non-athletes who are coach members as of August 31, 1998 will be "grandfathered" into the new requirements. Coaches who become members for the first time during the 1999 registration year will need to complete the educational requirement before the 2000 membership year.

**SEED CARDS:** Seed Cards are available through the New England Office. The cost for plain cards is \$22 per thousand, including mailing. If the cards are picked up in Needham, the cost is \$19 per thousand. There is no minimum, and the cards may be split any way between boys and girls.

If you want initials on the cards, the price for 1,000 cards is \$31, including mailing. If the cards are picked up in Needham, the cost is \$28. If you want 2,000 or more cards with initials, the cost is \$26 per thousand, including mailing, or \$23 per thousand if the cards are picked up in Needham. The minimum order for cards with initials is 1,000 cards.

# Age Group Challenge '98

Sport Development  
Division

## ▼ Rationale

Many of our younger athletes have developed excellent technique in longer distances. Oftentimes, the ability to compete in these events have been limited to competing in either an "open" or "senior" classification.

USA Swimming would like to recognize the performances of these longer races.

- 1) Athletes have told us they enjoy the longer races because they experience success by achieving time improvement through mastery of technique.
- 2) Developmentally, some athletes are more adept at longer distances at younger ages. They may not be as "strong" as the more mature swimmer, however their stroke skills show they can compete in these distances.
- 3) USA Swimming's Age Group Planning Committee, many elite age group coaches, the Steering Committee, and the National Team Director believe this will help the developmental process and ultimately retain more swimmers in our sport by encouraging aerobic training, and emphasizing mastery of skills.

### SAFETY TRAINING FOR SWIM COACHES:

Al Rozzi will be offering a Safety Training for Swim Coaches course on Sunday, September 20, 1998 from 9 am to 5 pm at the Nashua YMCA, 17 Prospect Street, Nashua, NH. The fee will be \$35. To register, contact Al at 603-882-2011

▼ Program

Age Group Challenge '98 is a program designed to recognize the accomplishments of swimmers in longer events at the 12-and-under level. This program is designed to recognize swimmers who have developed "mastery of the skill" for longer events.

Coaches will need to use their expertise to decide if a swimmer is ready to compete in these longer distances.

The following are the events where we would like to receive times. These times may be swum in competition or "meet-like" conditions.

**10-and-under**

400 meter freestyle/500 meter freestyle

**11 and 12**

200m backstroke

200m breaststroke

200m butterfly

## NATIONALS' PREVIEW

Who's hot: An event-by-event preview of this summer's National Championships

**COLORADO SPRINGS, COLO.**—With two years to go until the next Olympic Games, the 1998 U.S. Swimming National Championships will serve as the mid-term report card for American swimming.

The meet—Aug. 11-15 in Clovis, Calif.—will also serve as the selection meet for four international teams, including the 1999 Pan Pacific team that will compete in the 2000 Olympic venue in Sydney.

"This is an exciting time," said Chuck Wielgus, USA Swimming's Executive Director. "Many of our top stars from Atlanta and Perth are on top of their game. But we have many new stars who will emerge from this summer's Championships."

Jenny Thompson, Tom Dolan, Brooke Bennett, Bill Pilczuk, Leniy Krayzelburg, Lea Maurer, Kristy Kowal, Kurt Grote, Beth Botsford, and Brad Bridgewater—all Olympic and/or World champions—will compete in Clovis.

Names to watch—write these down—Patrick Fowler, Natalie Coughlin, Ian Crocker, Megan Quann, Erik Vendt, Ashley Tappin, Robert Margalis and Jamie Reid. They will amaze and delight.

This release provides an event-by-event preview for the Summer Classic. If you would like more information on any of our swimmers, contact the USA Swimming media relations staff at 719-578-4578:

## NATIONALS' PREVIEW (continued):

## Women

## 50m freestyle

Four-time Olympic gold medalist **Amy Van Dyken** is the 1996 Olympic and 1998 World champion. She is the American record-holder, having lowered the mark five times. In fact, Van Dyken owns the third-fastest time in history—the fastest time ever by a non-Chinese swimmer. No one in America or the world for that matter is close to matching Van Dyken in this event. But Van Dyken won't be competing this summer due to an injured shoulder. Who will step up? **Jenny Thompson** will most likely; she is the former U.S. record-holder. She was fourth in the 50m free at the 1998 World Championships.

Another tough sprinter is **Ashley Tappin**, who won four events at the 1998 Spring Nationals, including the 50m freestyle with a lifetime best. Tappin retired following the 1997 NCAA Championships and surgery for a nagging shoulder injury. She's back in full force. **Catherine Fox** is the 1997 and 1998 NCAA champion.

**Other Names to Watch:**

Nicole DeMan. Lacey Boutwell. Katie Taylor. Alison Wimer.

## 100m freestyle

**Jenny Thompson** won the 1998 World Championship crown in the 100m freestyle, tossing, for-once-and-for-all, the 'can't-win-the-big-one' monkey off her back. Thompson broke the world record in this event at the 1992 Olympic Trials—becoming the first American in 62 years to own the standard—only to watch three different Chinese swimmers swim faster than her time in a three-week span in 1994. In 1996, Thompson did not qualify for any individual events at the 1996 Olympic Trials. In Atlanta, she won three gold medals on relays, giving her five career

Olympic gold medals, which tied her with speedskater **Bonnie Blair** for the most career gold medals by a female U.S. Olympian. With Thompson's four gold and one silver performance in the 1998 Worlds, she re-established herself as one of the preeminent superstars in the sport. **Amy Van Dyken** swam the 100m free at both the 1996 Olympics and 1998 World Championships, finishing fourth both times. Her injury opens the way for people like **Ashley Tappin**, who is currently the third-fastest American. Tappin, who made the 1991 World Championship team at 16, earned a gold medal swimming prelims on the 400m freestyle relay in the Barcelona Olympics and a silver in the 1994 World Championships. Is she ready to make the adjustments from relay alternate to individual performer? Of course, in the 100m freestyle, a country needs four to six strong performers for the relay. **Catherine Fox**, **Lindsey Farella** and **Barbara Bedford** have all swam legs on the gold medal-winning relays in the past two years.

**Other Names to Watch:**

Richelle Fox. Liesl Kolbisen. Melanie Valerio. Sarah Tolar.

## Men

## 400m freestyle

America's top two swimmers in this event, Chad Carvin and John Piersma, are out with injuries. Tom Dolan won the 1998 Spring National title, but at the 1997 Summer Nationals, he had an asthma attack in this event. Following Carvin and Piersma on the 1997 American rankings are a bunch of converts from other events: Tyler Painter, our top miler; Ugur Taner and Tom Malchow, a couple of great 200m butterflyers and freestylers. Who will step up? In 1996, Dolan threatened Matt Cellinski's 1988 American record at the Olympic Trials. Maybe Dolan will lead the way, maybe one of the converts, or maybe a new-comer like Erik Vendt will bust a move. Vendt, just 17, finished second in the 400m, 800m and 1500m freestyles and third in the 400m IM at the 1998 Spring Nationals. He was impressive at the National Distance Camp this spring as well.

**A COMMON QUESTION (AND ANSWER):**

WHAT IS "LSC"? LSC stands for "Local Swimming Committee." USA Swimming is divided into 59 LSC's. The LSC is the local governing body for swimming. The LSC for those of you in Vermont, New Hampshire, Massachusetts, and Rhode Island is NEW ENGLAND (NE). Other near-by LSC's are MAINE (ME) and CONNECTICUT (CT).

**REGISTRATION and OTHER TEAM INFORMATION:**

Earlier this month, each team was sent a form to complete and return to the office. The form was "buff" in color and asked for the team address for the fall and also for the name and address of the registration person for the team.

Please return the form as soon as possible. It serves two purposes--it triggers the team's registration and it allows the office to update the labels which will soon be sent to the teams running meets this fall.

Also, be sure your parents understand that the registration forms should be returned to the team registration person, not directly to the office. Also, be sure that all non-athletes on your team complete individual forms, including those who are listed on the team registration form.

For a reminder of the format for the new registration numbers, check the form at the back of this newsletter.

## Guidelines for Marshals

- ❖ Marshals must be current members of USS.

102.19 MARSHALS—Shall enforce warm-up procedures and maintain order in the swimming venue for the entire meet. The marshal shall have full authority to warn or order to cease and desist and with the concurrence of the referee, to remove, or have removed from the swimming venue anyone behaving in an unsafe manner or using profane or abusive language, or whose actions are disrupting the orderly conduct of the meet.

Responsibilities of Marshals include:

Marshals should arrive at the swim venue at least fifteen (15) minutes prior to the beginning of warm-ups. They should check in with the referee to receive instructions, i.e., where they will be positioned, special safety concerns for the meet, etc.

The head Marshal should have a whistle. Marshals should be easily identifiable by a distinctive article of attire (i.e., hat, jacket, vest, etc.).

Warm-down areas must be Marshaled throughout the meet.

Marshals must not leave the area until coverage is provided or until excused by the referee.

Marshals duties include:

- ❖ Make sure swimmers behave in a safe manner (i.e., no running, abusive behavior, etc.)
- ❖ During general warm-ups, make sure swimmers enter feet first from the starting end only and should ease into the water. There should be **NO** entering from the opposite end or sides of the pool during warm-ups. **ABSOLUTELY NO DIVING!!!!**
- ❖ Be alert to dangerously overcrowded warm-ups and alert the meet referee or manager.
- ❖ Notify the coach of any swimmer who is behaving/acting in an unsafe manner.
- ❖ Use appropriate language...**NO POWER TRIPS, PLEASE!**
- ❖ Make sure lanes are cleared before sprint lanes begin
- ❖ Your role is to help maintain a safe environment – Please, Pay Attention!

OCTOBER 1998

IN THIS ISSUE: SHORT COURSE AND LONG COURSE OUTSTANDING SWIMMERS AND TOP TEN SWIMMERS; BANQUET INFORMATION AND RESERVATION FORM.....

## TOP TEN BANQUET

**TOP TEN BANQUET:** The Top Ten Banquet will be held on Sunday, October 25, 1998 at The Mill House, 810 Merrimack Avenue (Route 110), Dracut, MA. From Route 93 take exit 46, Route 110 Dracut-Lowell. The restaurant is 3.5 miles on the right with the banquet entrance in the rear.

**TOP TEN:** Please share the Top Ten information in this newsletter with your team as soon as possible. Encourage your team members to make reservations as soon as possible. In the past we have filled up before the deadline.

Top Ten Times are compiled using results from New England meets held during the past year. Short course (25 yard) times run from June 1, 1997 through May 31, 1998; long course (50 meter) times run from October 1, 1997 through September 30, 1998.

In addition to New England sanctioned calendar meets, we also use times from out of district sanctioned meets if the results are sent to the office and if the meet is open to all USS swimmers. We consider all times from the meet--trials, finals, and swim-offs--but we do not use time trials. We also consider lead-off splits from individual events and relays when they are printed in the results.

We do not include meets that are closed--restricted to certain teams, league members, etc. For this reason, we do not consider high school meets, "Y" meets, etc.

**OUTSTANDING SWIMMERS** are those who have accumulated the most points through their top ten standings. The scoring is as follows:

STANDING:	1	2	3	4	5	6	7	8	9	10
POINTS :	12	9	8	7	6	5	4	3	2	1

**TOP TEN BOOKS** will be sent to all New England teams as soon as they are ready. Books will be available for purchase at the banquet for \$2.50 each season or by mail for \$3.00 each, including postage.

\*\*\*\*\*  
The Board of new England Swimming will meet at 7:30 pm on Monday, October 19, 1998 at the Wellesley Community Center, Wellesley, MA. Please note that we are now meeting at 7:30 pm, and the October meeting is a week late due to the Columbus Day holiday. The November meeting will be on November 9, 1998 at 7:30 pm.

NOVEMBER 1998

**IN THIS ISSUE:** 1999 NEW ENGLAND LONG COURSE CALENDAR; 1998 USA SWIMMING SCHOLASTIC ALL-AMERICA; UPDATES TO NEW ENGLAND SHORT COURSE RECORDS; TOP TEN CORRECTIONS; 1998 US OPEN TIME STANDARDS; NEW ENGLAND BOARD and COMMITTEE MEMBERS.....

**CONGRATULATIONS** to JENNY THOMPSON who was honored at the recent USA Swimming convention in Cincinnati, Ohio. Jenny was named the 1998 Swimmer of the Year and also received the Phillips Performance Award.

Jenny won four gold medals at the World Championships (100m freestyle, 100m butterfly, 400m free relay and 400m medley relay). At the Goodwill Games she captured two gold, two silver and a bronze. At the summer Nationals, Jenny won the 100m free and the 100m fly to bring her career U. S. national titles to 20.

The Phillips Performance Award was for her gold-medal, meet-record breaking performance in the 100m butterfly at the World Championships. Her time of 58.46 was the third-fastest performance ever and the fastest time by an American in 17 years.

**CONGRATULATIONS** to NOELLE PULOMENA (SSA) who attended the Girls' Select Camp (Eagle level) at the Olympic Training Center in Colorado Springs from October 8 through 11.

#### **OUTREACH MEMBERSHIP FEE:**

At the October meeting of the New England Swimming Board, the Board voted to offer the USA Outreach Membership fee of \$5 with no further New England fee. The special \$5 Outreach Membership fee will be available to those swimmers who are eligible for free lunch at school. Other swimmers will be considered on a case by case basis.

Outreach Chairman, Reid Christen, will be sending further information to all New England teams along with a survey which will ask each team how New England Swimming can help the teams reach out to those swimmers who cannot afford to join USA Swimming.

\*\*\*\*\*  
The Board of New England Swimming will meet at 7:30 pm on November 9, 1998 at the Wellesley Community Center, Wellesley, MA.

**TOP TEN BANQUET:**

The Top Ten Banquet on October 25 was attended by over 400 swimmers, coaches, and families. The speaker was **NELSON DIEBEL**, the gold-medalist in the 100 meter breaststroke at the 1992 Olympic games in Barcelona, Spain. Nelson was animated, enthusiastic and inspirational, and very generous in sharing his gold medal with the swimmers at the banquet.

New England Swimming also honored **ERIK VENDT (OSS)** with a plaque recognizing his outstanding performance at the National Championships this summer where he won two events (400m and 1500m freestyle). Erik was unable to be at the banquet because he was training with the Pan-Pacific team in Colorado Springs.

Certificates not picked up at the banquet have been mailed to swimmers and to teams. If there are any problems, please contact the office. Top Ten Books are still available through the office for \$3 per season, including postage.

SEED CARDS: Seed Cards are available through the New England Office. The cost for plain cards is \$22 per thousand, including mailing. If the cards are picked up in Needham, the cost is \$19 per thousand. There is no minimum, and the cards may be split any way between boys and girls.

If you want initials on the cards, the price for 1,000 cards is \$31, including mailing. If the cards are picked up in Needham, the cost is \$28. If you want 2,000 or more cards with initials, the cost is \$26 per thousand, including mailing, or \$23 per thousand if the cards are picked up in Needham. The minimum order for cards with initials is 1,000 cards.

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

DECEMBER 1998

**IN THIS ISSUE: REVISED SHORT COURSE CALENDAR; CORRECTED LONG COURSE CALENDAR; SHORT COURSE ZONE INFORMATION & APPLICATION; 1999 REIMBURSEMENT POLICY & APPLICATION; TEAM ASSIGNMENTS FOR BRONZE CLASSIC & DISTRICT MEETS; OUTREACH MEMBERSHIP PROGRAM.....**

New England Swimming has been forced to modify its championship calendar for the 1999 short course season as no team has been willing to host the 13--18 Age Group Championship Meet. The North Shore Swim Club, which is hosting the 9--12 Age Group Championship Meet at Salem State College, has agreed to host the 13--18 Age Group Championship Meet as well, but it cannot secure Salem State College on the weekend of February 25--28 because of schedule conflicts.

Therefore, in order to even have a 13--18 Age Group Championship Meet this season, New England Swimming must move the meet to the previous weekend, February 19--21. The 9--12 Age Group Championship Meet must then be moved to the next available weekend at Salem State College, March 5--7, which is the same weekend as the New England Senior Championship meet at Brown University.

New England Swimming and the entire swimming community is indebted to the North Shore Swim Club and Dan Warner for agreeing to host these two championship meets. Without their efforts there would not be a 13--18 Age Group Championship Meet in the 1999 short course season.

We hope teams with adequate facilities will bid these meets in future seasons.

Bruce Mohl

Chairman, Calendar Committee

**NOTE:** The complete revised schedule is included in this newsletter.

The Board of New England Swimming will meet at the Wellesley Community Center, Washington Street, Wellesley on **TUESDAY**, January 12, 1999 at 7 pm and on **TUESDAY**, February 9, 1999 at 7 pm. In case of bad weather, please call the office.

**REIMBURSEMENT POLICY FOR NATIONAL MEETS, 1998—1999:****ATHLETE REIMBURSEMENT POLICY:**

A New England registered swimmer who swims in an individual event at Junior Championships will be reimbursed \$150 by New England Swimming. A New England registered swimmer who swims in an individual event at the US Open will be reimbursed \$150 by New England Swimming. A New England registered swimmer who swims in an individual event at National Championships will be reimbursed \$300 by New England Swimming. A New England registered swimmer who swims in an individual event at the Olympic Trials will be reimbursed \$300 by New England Swimming. There will be no limit either for the number of meets or the amount of money to be reimbursed to a swimmer.

During the short course season a swimmer must fully participate in three New England calendar meets to be eligible for reimbursement. During the long course season a swimmer must fully participate in two New England calendar meets to be eligible for reimbursement. "Full participation" means participation in all or at least two days of competition and at least one **individual** event at each day of participation.

If the New England Senior Championships is in place with a named facility by a certain date (90 days preceding the first day of the meet for long course; 120 days preceding the first day of the meet for short course), mandatory participation in the Senior meet is required in order for a swimmer to receive reimbursement. The New England Board may waive this requirement for good cause, such as illness or conflict with the National Team requirement.

A swimmer must request the reimbursement within eight weeks of the meet. The request must include the stub from the swimmer's plane ticket or receipt of other expense to equal or exceed the amount of requested reimbursement.

To be eligible for reimbursement, an athlete must have been registered in New England and have competed in a New England calendar meet at least six months prior to the meet for which reimbursement has been requested.

A swimmer who does not participate in three New England calendar meets during short course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the long course season. A swimmer who does not participate in two New England calendar meets during the long course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the short course season. All requests for waivers will be considered following the long course season.

**COACH REIMBURSEMENT POLICY:**

For each team that sends a swimmer to a National Championship or Junior Championship meet, New England Swimming will provide \$150 to reimburse coach expenses. The \$150 per team may be used to reimburse one coach or be split between several team coaches at the team's discretion. The team will have to provide New England Swimming with receipts for coach expenses which equal or exceed the \$150 reimbursement.

**OUTREACH MEMBERSHIP PROGRAM:**

The following information has been sent to all New England registered clubs. The mailing also included a questionnaire concerning outreach programs and adapted swimming programs. If your club has not returned the questionnaires, please do so as soon as possible.

In July 1998 the USA Swimming Outreach Committee met in Colorado Springs and decided to extend the Outreach Membership pilot program for another year. USA Swimming has set the National Fee for an Outreach Membership at five dollars (\$5.00) per swimmer. At its most recent meeting, The New England Swimming Board of Directors voted to participate in the Outreach Membership Program. New England Swimming has also voted to waive their LSC fee on Outreach memberships.

Financially disadvantaged swimmers can become outreach members by filling out the USA Swimming registration form, paying \$5.00 and showing proof that they are eligible for the free lunch program at school or that they receive food stamps (the burden of proof is on the applicant). On the registration form enter "O" as the type of membership.

This outreach membership is designed to get swimmers involved in USA Swimming despite economic hardship. We hope that this will enable economically disadvantaged swimmers to get involved in USA Swimming Teams and for swimming teams based in economically strapped areas to become club members of USA Swimming. If you have questions concerning this program, call the New England Swimming office at (781) 449-0270 or Reid Christen, the Outreach chairman at (781) 894-2261.
