SAFETY TRAINING FOR SWIM COACHES:

The Massachusetts Bay Chapter of the American Red Cross will be sponsoring three Safety Training for Swim Coaches courses:

JANUARY 22, 2000; Harvard University, Cambridge, MA, 9 am to 5 pm.

FEBRUARY 12, 2000; Boston site to be announced, 9 am to 5 pm.

APRIL 8, 2000: Boston site to be announced, 9 am to 5 pm

For further information or to register, please contact the Red Cross at:
617-375-0700 x 306.

Please check the expiration date (VALID TO: date) on your 2000 Coach Registration card and plan to take one of these courses if your card expires before the long course season begins.

Courses are sometimes difficult to find, especially in the "dead of winter" so please plan ahead!!!

The Board of New England Swimming will meet on Tuesday, January 11, 2000 at 7:30 pm at the Wellesley Community Center, Wellesley, MA. All members of the swimming community are welcome to attend meetings of the Board. If you wish to place an item on the agenda, please contact Ken Cunha at KRCUNHA@att.net.

REGISTRATION: If you have sent your coach registration to the office and have not received your new 2000 Coach Registration Card, please check with the office. The section in the file box for "snags" is quite large this year. In order to be registered as a coach, the office must receive copies of current CPR, First Aid, and Safety Training for Swim Coaches. The acceptable course list was sent to the Registration Chairman of each team with the registration packet. Note that "instructor" cards are not acceptable (and have not been acceptable for several years). If you have any further questions, please call the office.

For all coaches, the date of the first safety certification to expire appears prominently on the card. A new card will be issued when the certification is updated (and a copy of the certification is submitted to the office). The new card will include the next expiration date or 12/31/00, whichever comes first.

Please remember that New England Swimming policy requires that all officials and coaches display their cards while on deck. A coach who is not displaying a card or who is displaying a card which is no longer valid will be asked to leave the deck. Teams that are running meets should check the registration cards of all coaches when they pick up their packets. The team's safety coordinator may help with this task and also may assist the referee to check coach cards on deck.

As in the past, coach members are responsible for maintaining current status of their CRP, FA, and STSC. If a coach does not renew the certifications prior to their expiration dates, the USA Swimming coach membership will be invalid and insurance will be in jeopardy. There is no grace period--coaches must renew their certifications prior to the expiration and send a copy of the new certifications to the office. Please allow at least two weeks for your new coach membership card to arrive and plan accordingly.

GOLD MEDAL CLINIC:

A **GOLD MEDAL CLINIC** will be sponsored by Massachusetts Aquatic Club on January 23, 2000 at the Chestnut Middle School, Springfield, MA 01108. The clinic will be conducted by MICHAEL NORMAN. For more information or to register, please contact David Dembowitz at 413-781-9316 or at www.westsidetsunamis.com.

QUALIFYING FOR NEW ENGLAND "END OF SEASON" MEETS:

NUMBER OF MEETS REQUIRED: There is no minimum number of New England meets required in order to swim in the "end of Season Meets." There are two exceptions: If you wish to be reimbursed for expenses for attending Junior Championships or Senior Championships, then you must participate in three (including Senior Championships) New England Calendar meets. If you are applying for the New England Zone team, you must participate in three New England calendar meets.

TIME STANDARDS: Whether or not you attend New England calendar meets, you must achieve the required time for a particular meet. This may be done in a dual meet, league meet, high school meet, Y meet, etc. BUT you must have printed results and you must either send those results to the office before the appropriate meet or bring the results to the meet in you verification packet.

AGE REQUIREMENTS: USA Swimming rules state that a swimmer swims in a meet at the age the swimmer is on the first day of the meet. This applies whether or not the swimmer participates on the first day(s) of the meet.

1998--1999 USA SWIMMING SCHOLASTIC ALL-AMERICA TEAM:

The USA Swimming Scholastic All-America team is comprised of high school swimmers who have at least a 3.5 GPA and have competed in an individual event at the Speedo Junior Championships, the U. S. Open or the National Championships. Points are given for grade point average and what place the swimmers finished in their events.

CONGRATULATIONS to the New England Swimmers who were included:

GUIDELINES FOR THE
"NO RECALL" STARTING PROCEDURE
(effective Summer, 1999 for all Grand Prix events
and Junior and National Championship events)

RATIONALE

The first start generally is the swimmer's best effort. Therefore, swimmers should not be penalized for a good start by having a race recalled due to someone false starting. Under the "no recall" starting procedure, the penalty for a false start is imposed on the offender after completion of the swim. This starting procedure, however, emphasizes swimmer's responsibility to concentrate on the start and the race and not be affected by actions of the other swimmers on the blocks. If confirmed by the Referee, swimmer's reaction to the movement by another swimmer could result in a disqualification or at the very least, in a delayed response to the start signal. Also note that, under this procedure, informing the athletes about a disqualification for a false start after the event is consistent with all other disqualifications under the swimming rules.

STARTER'S RESPONSIBILITIES

Usual National Championship starting procedures will be in place, except that, if a false start occurs, no recall signal will be given. Instead, the Starter shall allow the race to proceed and shall make a written record and immediately report to the Referee the lane or lanes which false started. Any other observation by the starter or information relative to the start should also be reported.

If, after assuming the starting position on the command "take your mark" a swimmer leaves their mark prior the start signal and the Starter has time to give the "stand" command, no signal shall be given and the offending swimmer will be disqualified by the Referee or a Referee's designee after confirming the lane with the Starter. All other swimmers entering the water in reaction to the "stand" command shall be released. The starter shall inform the heat by saying "please remain motionless" or "second start" and shall restart the heat.

The Starter may recall a heat for unusual circumstances, such as a lane line break, sudden noise interfering with the start signal, or anything that may affect fair conduct of the race.

REFEREE'S RESPONSIBILITIES

The Referee shall use the current National Championship procedure for initiating a race and shall observe each start for movement prior to the signal and other irregularities. The Referee shall record the observations immediately after the start, but shall allow the race to continue without recall.

If the Referee and Starter independently agree on the infraction and the lane or lanes, the swimmer or swimmers in those lanes shall be charged with a false start. The referee or a designee shall inform swimmers of the violation upon completion of the race. No false start can be charged if a heat is instinctively recalled by the Starter and the heat shall be restarted. In the 50 meter races, notification of the infraction will be communicated by the referee or the chief judge at the starting end to the chief judge at the finish end who then will inform the athlete of the infraction.

RECALL STARTER

A recall starter will not be used with this procedure. The starter shall have full responsibility of ensuring that proper starting procedures are implemented and enforced.

The above procedure was used at New England Senior Championships this past summer and will be used at New England Senior Championships in March. It may be used at the 13 and over Championships in March, also, and if it is going to be used, it will be noted in the meet invitation. As of the long course season, this will be the procedure for all USA Swimming meets.

CATCH THE SPIRIT CAMP:

A USA Swimming "Catch the Spirit" Camp is tentatively planned for May 27, 2000 at Wellesley College, Wellesley, MA. The camp will be a one-day camp aimed at swimmers ages 9 through 12. Watch the newsletter for further information and an application.

Coaches who are interested in helping with the camp should contact Amy Parratto at 603-749-2869.

**SAFETY TRAINING FOR SWIM COACHES:**

The following is further information about a course announced in last month's newsletter. More information about the April course will be printed when it has been received by the office.

FEBRUARY 12, 2000: Murphy Community Center, Boston, MA, 9 am to 5 pm.

For further information or to register, please contact the Red Cross at:
617-375-9799 x 306.

HELP WANTED

AGE GROUP COACH POSITION (starting LC 2000): Shawmut Aquatic Club seeks an energetic individual with strong teaching skills to coach its growing junior and age group programs beginning April 3, 2000. Pay is negotiable and commensurate with experience and training. Please send all resumes, references, and inquiries to Michael Fedak, 9 Kent Drive, Northboro, MA 01832.

ASSISTANT COACH NEEDED: Belmont based US swimming team is looking for a part time assistant coach to work with children ages 7 to 16. Call 617-484-4300 or Ana Maria Garcia at 617-489-3658 (evenings).

POOL DIRECTOR, SUMMER SEASON 2000: Private country club west of Boston seeking mature, organized, positive personality to manage pool operation. Knowledge of pool mechanics, health and all safety certifications needed. Long term employment possibilities. FAX resume to: Martin J. Ryan, Wellesley Country Club, FAX # 781-235-9908.

DEADLINE FOR MEET RESULTS:

There has been a change in the deadline for the submission of Top 16 Times by the Top 16 tabulators which means that the deadlines which were announced for New England teams to submit results to the office have to change,

Results for short course and long course meets held from September 1, 1999 to April 15, 2000 are due in the office by May 1, 2000. Results for short course and long course meets held from April 15, 2000 to June 1, 2000 are due in the office by July 1, 2000.

Results for New England Calendar meets should be submitted to the New England Office within two weeks of the meet by the meet director. (Teams attending New England Calendar meets do not need to submit the results. They are submitted by the teams running the meets.)

Results for USA sanction meets outside of New England must be submitted to the office by the team(s) attending the meet out of district. These results must be received by the above deadlines in order to be considered for USA Top 16 and NE Top 10. Results received after the deadlines will not be considered!!!

A few non-USA sanctioned championship meets can be used for USA Top 16, but not for NE Top 10. If you have any questions about the use of a particular meet for USA Top 16, please check with the Top 16 tabulator, Pam Warner (781-749-2526) well before the deadline.

NOTE: As of now, no out-of-district meet results have been received by the office. If you have meet results to be considered, please send them to the office well before the deadline. Do not assume that someone else is sending the results or that we are checking the internet!!!!

EASTERN ZONE ALL STAR SWIM MEET
NEW ENGLAND SWIMMING March 30 – April 1, 2000
Prince Georges Sports and Learning Complex, Landover, Maryland
Cost \$250.00 per swimmer - due March 25, 2000

Application for interested swimmers. This must be turned in by the end of the 12 and under meet, and at the end of the 13 and over meet if you are 13 and over. We will be looking at the top two times in each event that have applied. If you have already sent in an application, we would appreciate it if you would complete the attached one as well. The 12 and under team will be put together during the week after the meet, and the 13 and overs the week after their meet. We hope to notify the swimmers by March 15, 2000. We hope to be able to have a team practice on March 25 or 26, 2000. The site to be determined.

Bring this to the verification table at the meets, after you have filled it out.

To be a member of the New England Zone Team, all swimmers must have participated in three New England Calendar Meets, during the short course season.

Each swimmer travels with the team, has hotel rooms and meals covered, receives a suit, cap, and shirt of some type. (meals on the road are not covered).

The short course meet is an all star meet and is selected from the two fastest times for each event from applications received. The summer meet has cut off times and any swimmer who makes the time standards can go. If you need further information please call Isabelle Fraser 413-567-3415, e-mail – Fraswim@aol.com, or the New England Swimming Office-Mary Riddell, at 781-449-0270, or e-mail at MTRNESWIM@aol.com

INFORMATION FOR NEW ENGLAND "END OF SEASON" MEETS:

Please note that there was an error in the information printed last month. Also, there is some additional materials concerning Age Group and Senior Championships.

NUMBER OF MEETS REQUIRED: There is no minimum number of New England meets required in order to swim in the "end of season meets" with the exception of New England Senior Championships. In order to participate in New England Senior Championships, a swimmer must have participated in one New England Calendar meet in the past 11 months. If a swimmer have a problem with this requirement, the swimmer should contact the New England Office at 781-449-0270.

There are two other exceptions: If a swimmer wishes to be reimbursed for expenses for attending Junior Championships or Senior Nationals, then the swimmer must participate in three (including New England Senior Championships) New England Calendar meets. If a swimmer is applying for the New England Zone team, the swimmer must participate in three New England Calendar meets.

TIME STANDARDS: Whether or not a swimmer attends a New England Calendar meet, the swimmer must achieve the required time for a particular meet. This may be done in a dual meet, league meet, high school meet, y meet, etc. BUT, you must have printed results and must either send those results to the office before the appropriate meet or bring the results to the meet in the verification packet.

AGE REQUIREMENTS: USA Swimming rules state that a swimmer swims in a meet at the age the swimmer is on the first day of the meet. This applies whether or not the swimmer participates on the first day(s) of the meet.

"NO RECALL" STARTING PROCEDURE: The "No Recall" Starting Procedure will be in effect at NEW ENGLAND SENIORS, 9--12 AGE GROUP CHAMPIONSHIPS and 13 and over AGE GROUP CHAMPIONSHIPS.

Please note that this procedure will also be in effect at the Eastern Zone Championships.

SCRATCH RULES: Mandatory scratch rules (similar to the ones used at New England Senior Championships) will be used at 13 and over AGE GROUP CHAMPIONSHIPS and at the 9--12 AGE GROUP CHAMPIONSHIPS FOR THE 11 and 12 year old swimmers. Please make sure all swimmers, coaches, and parents attending the meets are familiar with the rules.

For all three meets, there will be a scratch box on deck and scratches must be turned in the night before the session to be scratched. There will be a phone number to scratch events on the first day of the meet. Please refer to each individual meet entry for specific times and phone numbers.

Any swimmer who fails to compete in an individual event heat in which he/she is entered and has not been scratched from will be barred from further competition for that day, including relays and time trials. The swimmer will also be automatically scratched from the following day's events unless the clerk of course has been notified of the swimmers intention to compete by a time stated in each entry.

NOTE: Finals are considered continuation of events started with trials.

Any swimmer who competes in an individual heat and qualifies for Championship, Consolation or Bonus finals and fails to notify the meet referee of his/her intention to withdraw from the finals within 30 minutes of the announcement of the results and qualifies for that event, and does not compete nor is excused by the meet referee, will be barred from all subsequent competition in the meet, including relays and time trials.

continued.....

SCRATCH RULES (continued):

All relay events must confirm their intention to participate with a positive check-in.

SPECIFIC TIMES:

PHONE IN SCRATCHES:

11--12 (for Friday's events) : 978-542-6809 until 7 pm on Thursday
13 & over (for Thursday's events): 781-665-9574 until 7 pm on Wednesday

Leave messages on both phones.

SCRATCH DEADLINES FOR THE NEXT DAY'S TRIALS EVENTS:

11--12 : 7 pm
13 & over: 7 pm

SCRATCHES FOR BONUS, CONSOLATION AND CHAMPIONSHIP FINALS:

11--12 : 30 minutes after the announcement of the results of trials
13 & over: 30 minutes after the announcement of the results of trials

REENTRY DEADLINE FOR THE NEXT DAY'S EVENTS:

11--12 : 7 pm
13 & over: 7 pm

9 and 10 scratches must be turned in 30 minutes before the start of the session.

PACKETS TO TEAMS:

The "end of season" meet entries will be sent to the teams in three packets.

1. Eight & under Championships, Bronze Classic
2. 9--12 Age Group Championships, 13 and over Age Group Championships, corrected page for the Short Course Record Book, Club/LSC Grant Program (see below for more information)
3. Senior Championships, Districts

CLUB/LSC GRANT PROGRAM: Included in the second packet is information and an application concerning the Club/LSC Grant Program. The purpose of this program is to assist clubs and LSCs in efforts that assist USA Swimming with attaining their three core objectives: Build the Base, Promote the Sport and Achieve Competitive Success. Through partnerships and collaborations it is thought that these funds can assist with programs and projects that might not be feasible if not for the funds through this grant program. Each grant proposal will be evaluated on its own merits of what and how it plans to accomplish one or more of the core objectives.

Grants up to \$20,000 are available. Consult the material in packet 2 for further information and the application.

DEADLINE FOR RECEIPT OF A GRANT APPLICATION IS: March 3, 2000

Anyone who is interested in any of these positions should contact Priscilla Davis at 978-468-3764.

The Board of New England Swimming will meet on Tuesday, April 11, 2000 at the Wellesley Community Center, Washington Street, Wellesley, MA at 7:30 pm. All members of the swimming community are welcome to attend.

A Message from the Calendar Committee

A number of parents and coaches have expressed to the New England Swimming office concern about the adequacy of the various sites for New England's championship and other end-of-the-season meets.

A brief review of the process that the Calendar Committee follows in selecting meet sites may be helpful to everyone's understanding of this important issue.

Each year the Calendar Committee sets a time frame for submission of bids on the regular season meets and the Championship meets. The committee determines the dates of the post-season championship and related meets, seeking to create a progression of meets from the youngest age group up to the Senior Championship meet. This progression is important, as any variation from the youngest age group up to the oldest age group will result in the exclusion of some swimmers whose birth-days fall between the meets. In some years we have been forced to vary the progression because of the availability of certain facilities. We also look to the national calendar to ensure that swimmers will have an adequate opportunity to qualify for national or junior championships.

Every New England team is free, and indeed, is encouraged, to bid for meets during the season and for the Championship meets. New England Swimming does not preselect the teams or sites for championships. Unfortunately, many of the best facilities for hosting large championship meets are not available or are not being bid for championship meets by teams with access to those facilities. For example, up until this season no team had bid the Senior Championship meets for the past three years. Thankfully, during that time Brown University agreed to let New England Swimming host the Senior meet at the Brown facility. But a number of excellent facilities remain unavailable for any of the New England Championship meets.

For most of the championship meets in the past several seasons, only one team submitted a bid on each championship meet, and in some cases there was no bid at all. The sites selected were the only sites willing to host these meets and we are grateful to the teams that have come forward to host these meets. In many instances the best facilities in New England are simply not being made available to host championship meets. This situation is beyond the control of New England Swimming, as we do not have access to these facilities.

Until this situation changes, or more teams with access to quality facilities are willing to step forward to host championship meets, and/or convince the powers that be at those facilities to allow their teams to host championship meets, we are left with limited choices for end-of-the-season championship meets.

Bruce Mohl,

Chairman, New England Swimming Calendar Committee

CATCH THE SPIRIT CAMP

May 27, 2000

The "Catch the Spirit" Camp is designed as a combination of education sessions, social opportunities and water activities. Each level of camp targets different elements of development through which young swimmers are progressing.

This year's camp will be a level 3 camp. Level 3 camp creates a learning environment for more experienced competitors to focus on such things as goal setting, visualization, relaxation, and racing techniques as well as leadership.

The camp will be held on Saturday, May 27, 2000 from 8:30 am to 4:00 pm at Wellesley College, Wellesley, MA. The one-day camp is intended for up to 50 swimmers ages 9 through 12.

The cost of the camp is \$15 and includes a team shirt and cap as well as a drink for lunch. Swimmers should bring their own lunches. Checks should accompany the applications and should be made out to New England Swimming. If the camp is over-subscribed, you will be notified. Camp applications should be sent to the camp directory by May 15, 2000.

The USA Swimming/LSC Camps are not intended for stroke correction or changing stroke technique. The purpose of the camp is to inspire our young swimmers to continue in the sport. Some basic stroke development principles will be reviewed in videos and in the practices.

BIDS FOR SHORT COURSE 2000--2001 SEASON:

The Office has received several questions about the due date for bids for the short course season. Enclosed in this newsletter is some general information concerning the new sectional meets which will be replacing the Junior Championship meets during short course 2000-2001. The Eastern Zone will be meeting on Saturday, May 13 (the same date as our Annual Meeting) to decide the composition of our sectional meet, the date, the time standards, and maybe even the location. Until the date of that meet is set, New England cannot set the dates of our end of season meets, so our bidding process will be delayed somewhat this year.

The Board of New England Swimming will meet on Tuesday, June 13, 2000 at 7:30 pm at the Wellesley Community Center, Washington Street, Wellesley, MA. Members of the swimming community are welcome to attend.

ANNUAL MEETING
SATURDAY, MAY 13, 2000

The Annual Meeting of New England Swimming will be held on Saturday, May 13, 2000 at the Wellesley Community Center, Wellesley, MA. Please encourage your team to be well-represented. Each team and each Board Member has one vote, but all others are encouraged to attend.

ANNUAL MEETING:

- 9:00 Coffee and Registration
- 9:30 General Meeting, budget, Election of Officers
- 11:30 Meet Managers Meeting
Officials' Meeting and recertification for Stroke &
Turn officials and Starters
Coaches' Meeting and election of Junior Representative
- 1:00 Athletes' Meeting

The General Meeting will include committee reports, election of officers and committee members, adoption of the budget and other items of business. If you have an agenda item, please contact the office.

Teams running a meet (or planning to run a meet) during the next year must send a representative to the Meet Managers Meeting.

If you plan to spend the day, please bring a lunch. New England will provide coffee and soda.

Please put this meeting on your calendar and keep the day free for coaches, parents, and athletes to attend the meeting. If you have any suggestions or concerns about New England Swimming, please save the day and also call the office so that your concern can be on the agenda. For items for the coaches' meeting, please contact Peter Salvan at 978-340-8543 or e-mail at gmscfps@mailexcell.com. The officials' meeting will include a viewing of the new officials' video.

DIRECTIONS TO WELLESLEY COMMUNITY CENTER: 219 Washington Street (Route 16)
Wellesley Hills, MA

From Route 128 take Route 9 west. After the second set of lights, turn right at the blinker (the sign says Route 16). At the light at the end of the ramp, stay to the right and cross Route 16 into the parking lot. Be careful, cars on Route 16 are not necessarily expecting you!!

From the west, take Route 9 east. Exit at Wellesley Hills, Route 16. At the lights at the end of the ramp, turn left, cross back over Route 9 and turn left into the driveway which is just beyond the ramp to Route 9 (and a sign that says no left turn onto the ramp).

NEW ENGLAND SWIMMING ANTI-RECRUITING POLICY

Active recruiting – the solicitation of an athlete of one USS member club by another USS member club – is contrary to the best interests of New England Swimming and its more than 5000 athlete members.

USS member clubs within New England Swimming shall be prohibited from directly or indirectly soliciting or encouraging an athlete of another USS member club to leave his or her existing member club to join the soliciting club. This anti-recruiting policy shall prohibit a USS member club officer, employee, or coach from directly or indirectly initiating contact with an athlete from another USS member club in New England Swimming, or the athlete's family, with the intent that the athlete join the soliciting club.

The intent of this anti-recruiting policy is to prevent organized and club-sanctioned efforts to persuade a member of one USS member club to leave his or her member club to join the other member club. It is not the intent of this anti-recruiting policy to prevent athletes or parents of athletes of one member club from initiating contact with coaches, officials or athletes of another member club for the purpose of inquiring about joining the other member club. Once such contact is initiated, the restrictions of this anti-recruiting policy shall not apply to any contact with that athlete or family by that member club. Nor is it the intent of this anti-recruiting policy to prevent athletes or parents of athletes from *different clubs from discussing any aspect of their respective USS member clubs*, or incidental contact, such as may occur at a competition when a coach, parent, or athlete of one club offers to congratulate an athlete from another club. However, any such activities which are shown to have been promoted, encouraged or facilitated by a USS member club officer, employee or coach with the intent of recruiting shall be in violation of this anti-recruiting policy and subject the member club and/or its coach to the sanctions of this anti-recruiting policy.

Nothing in this anti-recruiting policy shall prevent a USS member club from conducting self-promotional activities such as advertising, team tryouts or camps for the purpose of recruiting athletes, as long as there is no direct solicitation of athletes of another member club.

Violation of the this anti-recruiting policy may be reported to the New England Swimming Board of Review which, upon review of the complaint, may conduct hearings under the by-laws of New England Swimming. Any USS member club or USS member coach found to have violated this anti-recruiting policy may be suspended from New England Swimming for up to one year for a first offense and for up to two years for a second or subsequent offense. Suspension of a member coach for a violation of this anti-recruiting policy shall prohibit that coach from being on deck for any USS competition sanctioned by New England Swimming during the period of suspension. Suspension of a USS member club for a violation of this anti-recruiting policy shall not prohibit the registration of the club, athletes or coaches, but shall prohibit the member club from competing as a team in USS competition sanctioned by New England Swimming, including all championship competition during the period of suspension. Athletes registered with any such suspended club may compete in any USS competition sanctioned by New England Swimming, but may do so only as an unattached athlete.

DEADLINES FOR LONG COURSE CHAMPIONSHIP MEETS:

12 & under Age Groups: Wednesday, July 5 (except for new events only from the Age Group/Senior Qualifier which will be due on Tuesday, July 11)

Seniors: Tuesday, July 11

13 & over Age Groups: Tuesday, July 18 (except for new events only from the NSSC Meet which will be due on Tuesday, July 25)

There will be no other exceptions made.

SUMMER ZONE MEET TIME STANDARDS: Included in this newsletter are the time standards for the long course Zone meet. The time standards on the internet are incorrect. The meet will be August 9, 10, 11, and 12 in Buffalo. Two pools will be used-- Erie Community College and University of New York at Buffalo. Applications for the team will be in the June newsletter. Anyone who has achieved the time standard for an event (long course meters only) may attend the meet.

The **MALISSA BLAIS MEMORIAL OPEN WATER CHAMPIONSHIP SWIM** has been scheduled (tentatively) for Friday, **AUGUST 18, 2000** at the Salisbury (MA) State Beach Reservation. The rain date will be August 25, 2000. Watch the newsletter and the internet for confirmation of the date and the entry.

**FROM THE TECHNICAL COMMITTEE:**

The Technical Committee met recently and made several recommendations which will be presented to the Board for approval at the meeting on June 13. However, there were two items which the committee felt teams needed to know about so that they can plan accordingly. If you have any questions concerning these items following the June 13th Board meeting, please call or email the office.

REIMBURSEMENT POLICY: It was recommended that the reimbursement policy be amended for those swimmers who swim at the Olympic Trials. Olympic Trials swimmers will not have to compete at New England Seniors. They will still have to swim in two New England Swimming calendar meets during the long course season and will have to fulfill all other reimbursement requirements--date of registration, receipts, etc. This change would be for long course season only for those swimmers participating in Olympic Trials.

DISTANCE EVENTS AT 12 & under CHAMPIONSHIPS: The committee recommended that three distance events be added to the 12 & under Championships this summer. The added events would be the 400 meter free for 9 and 10 and the 800 meter free and 400 meter IM for 11 and 12. Time standards will be based on the 200 meter free for the 400 meter free, the 400 meter free for the 800 meter free, and the 200 meter IM for the 400 meter IM. The events would be limited to 2 heats per sex per event. Swimmers will be allowed to enter as many events as they have qualified for and then scratch down to 9 events, no more than 5 per day.

HELP WANTED

NEW WAVE SWIM CLUB needs an experienced Age Group Coach for our junior swimmers. Team is based at Lowell High School. For more information, call Mark Brady at 978-649-6939 or send a resume to NWSC, PO Box 524, Lowell, MA 01853.

AQUATIC DIRECTOR wanted for large health club in Raynham, located 3 miles from route 495 and route 24. Responsibilities include overseeing entire pool program including swim lesson program, swim team and outdoor pool club. Experience in scheduling, managing and hiring staff including lifeguards a must. With construction of the complex finishing in June, 2000, we are looking for someone who will take a great pool complex and turn it into a great pool program. Also seeking swim instructors for program. If interested call 508-823-5440, ask for Doug.

THE AMHERST TRITONS SWIM TEAM, a championship-winning, parent-operated age group club, is seeking a Head Coach and several Assistant Coaches to start in September 2000. Successful candidates will coach over 100 swimmers competing in two programs, US Swimming and a regional Recreational League. Seasons run from mid-September to March and Mid-April through July. The head coach should expect a time commitment of 15 to 20 hours per week plus weekend meets. Salary is commensurate with experience and program structure. Send letter, references, and copies of certifications to: Search Committee, Amherst Tritons Association, Inc., 10 The Hollow, Amherst, MA 01002.

HEAD SWIM COACH POSITION: Danvers Community YMCA is seeking a Head Swim Coach to manage and supervise a YMCA/USS swim team. Traditionally the team numbers 100 and has been strong within its league. Position is available for immediate participation. Applicants must possess strong organizational skills. Call Barbara Damon or Lenny Mercier at 978-774-2055 to arrange for interview or fax resume to 978-750-4457. Danvers Community YMCA, 34 Pickering Street, Danvers, MA 01923.

HEAD SWIM COACH: Concord (NH) YMCA/USS swim team seeks enthusiastic individual to lead competitive year-round swimming programs. Coaching experience and excellent communication skills a must; computer and management skills preferred. Job responsibilities include coaching, supervising assistant coaches, and assisting Aquatic Director with upper-level swim lessons. Position includes health benefits, paid vacation, and YMCA retirement plan, \$21,500--\$23,000. Resumes accepted through May 19, 2000. Contact: Polly Mills Fife, Aquatic Director, Concord Family YMCA, 15 North State Street, Concord, NH 03301. Phone: 603-228-9622; fax: 603-224-5352; e-mail: HCT75@aol.com.

THE CAPE COD SWIM CLUB is looking for an experienced Swimming Coach to take charge of our Camp Program in the summer of 2001. The CCSC summer camp is hosting 128 overnight campers this summer 2000. In 2001 we'll have the dormitory openings to double this camp. We plan this to be about a \$5000 four week summer job. Assisting this summer 2000 and learning our format would be helpful, too. Call Marc Solomon at 508-564-5690.

The meet serves as Paralympic Trials and as a selection meet for the Deaf World Games.

RECRUITING POLICY VIOLATION:

Recently, a possible violation of the New England Recruiting Policy was reported to the Review Board. The Review Board determined that the violation was unintentional, but also determined that a punishment would be appropriate. As a result, the team which committed the violation has to have all new swimmers who registered after April 1, 2000 swim unattached for the remainder of the long course season.

The policy has been reprinted several times in the newsletter. If you have any questions concerning the policy or need an additional copy, please contact the office.

The Board of New England Swimming will meet on Tuesday, July 11, 2000 at 7 pm at the Wellesley Community Center, Wellesley, MA. No meeting is planned for August.

FROM THE TECHNICAL COMMITTEE:

At the Board Meeting on June 13, 2000 the following recommendations from the Technical Committee were accepted by the Board.

UNREGISTERED "COACHES" ON DECK: Because of the continuing problem of unregistered "coaches" on deck and the insurance problems that this creates, the Board voted to begin a fine system to deal with this problem. At each meet the referee will ask any "coach" without a card to leave the deck without exception. The referee will also make a list of all those without cards. The list will be sent to the office to be checked by Mary Riddell. If a "coach" who was asked to leave the deck is found to be not fully registered (current certifications and completed education requirement), the "coach" will be fined \$100 and the team will be fined \$200 to be paid within 30 days. Any "coach" who refuses to leave the deck will cause the team's swimmers to swim unattached for the remainder of the meet.

TIMELY REGISTRATION OF TEAMS AND SWIMMERS: Several teams completed the registration of their teams on deck at championship meets this year. In an effort to encourage teams to register at the proper time and to prevent confusion with meet entries, the Board voted the following policy. A reregistering team that expects to participate in the end of season meets must be fully registered by January 15 (or May 15 for long course season), including a fully certified head coach, registered athletes and a check to cover all fees. Any reregistering team that does not adhere to this deadline will be required to swim all swimmers in all end of season meets as "unattached" (with no team points or relays).

AWARDS: The Board voted to purchase medals for all end of season meets--Bronze, Districts, Age Group and Senior Championships. New England will also provide ribbons for all end of season meets, except Seniors and 13 and over Age Groups. There will be no ribbons at those two meets. The medals will continue to have blue, red and white ribbons for 1st, 2nd, and 3rd places, but there will be uniform red, white and blue striped ribbons for places 4 through 6 (or 8).

REIMBURSEMENT POLICY: The Board voted that for this summer only, New England swimmers who participate in Olympic Trials will not have to attend New England Senior Championships to be eligible for reimbursement. They will have to attend two calendar meets during the long course season, however.

DISTANCE EVENTS AT 12 & under CHAMPIONSHIPS: The Board voted to include some distance events at 12 & under Championships. Added will be 9 and 10 400 free, 11 and 12 400 IM and 800 free. There will be no more than 2 heats per sex, per event. Swimmers will be allowed to enter as many events as they have qualified for and then scratch down to 9 events, no more than 5 per day. Time standards will be based on the 200 free for the 400 free, the 400 free for the 800 free and the 200 IM for the 400 IM.

DISTANCE MEET SUBSIDIES: The Board voted that any number of distance meets that are approved by the calendar committee be awarded the \$250 subsidy, providing all New England policies are met--financial reports, evaluations, results, etc. A distance meet includes either the 1650 (1500) freestyle or the 1000 (800) freestyle. A 400 IM or a 500 (400) freestyle also may be included. Distance events that are part of a meet including other events, whether in a separate session or not, will not be considered for this subsidy.

SOME NOTES CONCERNING 12 and under CHAMPIONSHIPS.

Three events have been added to the 12 and under Championships:

- 11 and 12 400 IM at the end of the Saturday am session (after relay)
- 9 and 10 400 free at the end of the Saturday pm session (after relay)
- 11 and 12 800 free at the end of the Sunday am session (after relay)

These events will be limited to two heats per sex per event. All swimmers may enter as many events as they qualify for, but may only swim nine individual events (excluding relays).

SHORT COURSE 2000--2001 CALENDAR:

Sectional Meet: It is expected that the Sectional Meet will be held on March 8--11, 2000 in Long Island, NY. The time standards have not been established yet but will be somewhere faster than New England Seniors and slower than the current Junior Championship times. There will be no Junior Championships next year.

Eight and under Championships: In February 2001 there will be two sites for the Eight and under Championships. There will be individual awards and high points and relay awards, but there will be no team scoring. Several aspects of the meet were considered when this decision was made. Some swimmers and their families will not have to travel so far to attend the meet. More swimmers will receive awards. Six lane pools could be used since each meet will be smaller. Spectators will be divided between two facilities.

A MESSAGE FROM YOUR ATHLETE REPS:

Although the response to the idea of team representatives to correspond information with the New England reps was minimal, we have decided to run with the idea despite this. Our hope is that if the teams which have responded, keep up their "part of the bargain" of keeping in touch- that all other New England teams will also join in. For all members of teams that are reading this, that have not picked a rep yet and sent it to me, *SIGN UP!* Don't wait, we need 100% participation for this to work at the best of its capability. Thank you and we look forward to starting the communication!

Sincerely,
(Kristen White and Emily Roachfort) NES Athlete Reps.

ATTENTION HIGH SCHOOL SWIMMERS!

It is the beginning of another summer and that means: time to elect a new Junior Representative to New England Swimming!

If elected, in addition to an all expense paid ticket to the National Aquatics Convention, you will meet other Reps your age from all over the country. You will also be given the opportunity to meet Olympians involved in their sport like you, Josh Davis and Bobby Brewer for instance. Olympic level coaches are also always present, Richard Quick and Mark Shuburt for example. This year the trip is being held in Florida. I, your new senior rep., attended the Convention last September in California and learned the "ropes" as well as a ton of interesting information about not only New England Swimming, but United States Swimming and how our LSC plays an active role in it.

There is much more to being a representative than the Convention though. Upon your acceptance to becoming the junior rep. You will have a vote on the New England Board, and thus, the power to speak up and change/add things that you see fit. Of course, all of your ideas will not be put into play, but among those that aren't, I can guarantee that they will be carefully considered.

Becoming and being a Representative for New England Swimming is very informative and really fun. And if all of this doesn't sound enticing enough to sign up and write your essay about why you think you deserve the position, than consider this- you will get to work with me!

Sincerely,
Kristen White (NES Senior Rep.)

**THANK YOU.....**

As you may or may not know, Seniors was run by New England Swimming and would not be viable without the volunteer efforts of many members. Thank you to all the officials and timers and a special thank you to a few key members of the team...

PAM WARNER, Meet Director
 JOHN BARBARY, Timing System
 BRYAN WOODWARD, Announcer
 MARIELLA ALLARD, Office

HAROLD WHITNEY, Computer
 PAT MENARD, Officials
 REBECCA GOLDSTEIN, Hospitality
 SUSAN BARBARY, Office

An extra special Thank you to PRISCILLA DAVIS who not only was the referee at New England Seniors, but also "stepped up to the blocks" to be the referee at Thirteen and over Age Group Championships. We appreciate her efforts!!!!

REGISTRATION FOR THE YEAR 2001:

2000 is barely half over, but the time for 2001 registration is drawing near. Shortly the office will be sending each team a form asking for the team address for the fall and also for the name and address of the registration chair. New this year will be a request for an email contact for each team.

Please return the form promptly, but not before putting some thought into the names listed. The team contact will receive the team mailings including the newsletter and meet announcements. The registration chair will be responsible for all aspects of registration, including supervising and mailing all registration forms. Registration materials will not be sent until the form has been received. The email address will be used for information that needs to be sent to all teams in a short period of time. It is hoped that the email addresses will be used to notify teams when meets have been posted on the web site.

As in the past two years, there will not be a computer printout for 2001 registration. The individual registration forms take a little longer (for the office as well as for the team), but the number of inaccuracies is cut tremendously.

The good news is that there will be no increase in dues for 2001. The club fee will be \$125 before December 1, 2000 or for new clubs and \$150 after December 1, 2000. As in the past the club fee will include non-athlete fees for both the head coach and the safety coordinator. Other non-athletes will be \$30 and athletes will be \$32.

Please note the new system to monitor coach safety certification expiration dates that has been in effect this year will continue for 2001. Also, note the new New England policy for late registering teams and for unregistered coaches on deck which is printed elsewhere in this newsletter.

Coaches who registered for the first time in 1999 or 2000 must complete the education requirement before they can reregister for 2001. More information concerning that requirement is also found in this newsletter.

Registration forms will be sent directly to all registered non-athletes in October.

The form which the teams will be receiving in the mail serves two purposes--it triggers the team's registration packet, and it allows the office to update the labels which will be sent to all teams running meets.

Thank you for your cooperation!!!

Mary Riddell
Registration Chair,
New England Swimming

INFORMATION FOR TEAMS AND COACHES CONCERNING REGISTRATION:

EDUCATION REQUIREMENT FOR NEW COACHES: A coach who registered for the first time after September 1, 1998 was required to pass the newly required "Foundations of Coaching" test before reregistering for the second year. The same requirement holds for those coaches who registered for the first time after September 1, 1999. Those coaches will have to pass the test before reregistering for 2001. In addition, there are still some coaches who did not pass the test before the registration year of 2000 and could not register for this year as coaches. They must pass the test before registering for 2001 as coaches.

ASCA is helping USA Swimming in the distribution and grading of the test. If you have not received the test and information, please contact ASCA to request a new coach packet at 1-800-356-2722.

Teams should be sure that all coaches registered for the first time in 1999 or 2000 have passed the test and have received a certificate from ASCA. A copy of the certificate should be sent to the office.

NEW NEW ENGLAND POLICIES....

UNREGISTERED "COACHES" ON DECK: Because of the continuing problem of unregistered "coaches" on deck and the insurance problems that this creates, the Board voted to begin a fine system to deal with this problem. At each meet the referee will ask any "coach" without a card to leave the deck without exception. The referee will also make a list of all those without cards. The list will be sent to the office to be checked. If a "coach" who was asked to leave the deck is found to be not fully registered (current certifications and completed education requirement), the "coach" will be fined \$100 and the team will be fined \$200 to be paid within 30 days. Any "coach" who refuses to leave the deck will cause the team's swimmers to swim unattached for the remainder of the meet.

TIMELY REGISTRATION OF TEAMS AND SWIMMERS: Several teams completed the registration of their teams on deck at championship meets this year. In an effort to encourage teams to register at the proper time and to prevent confusion with meet entries, the Board voted the following policy. A reregistering team that expects to participate in the end of season meets must be fully registered by January 15 (or May 15 for long course season), including a fully certified head coach, registered athletes and a check to cover all fees. Any reregistering team that does not adhere to this deadline will be required to swim all swimmers in all end of season meets as "unattached" (with no team points or relays).

Note: A "fully certified" coach has current certifications in CPR, First Aid and Safety Training for Swim Coaches.

OLYMPIC TRIALS, August 9--August 16, 2000, Indiana University Natatorium,
Indianapolis, IN

The Trials will be televised on NBC Sports on August 13 from 4--6 pm (ET) and on August 19 from 4--6 pm (ET). The USA Swimming web site is www.usa-swimming.org

The format for the trials will be the same as for the Olympic Games. The fastest 16 athletes from the preliminaries in each event 200 meters and shorter will qualify for the semifinals. These athletes will be championship/circle seeded in the semifinals. The eight fastest athletes from the semifinals will qualify for the "A" final which will take place the following evening. In the 400 free, 400 IM, women's 800 free and men's 1500 free, the fastest eight athletes after the preliminaries will qualify for the "A" final. There will be no "B" final in these events.

A maximum of 26 men and 26 women will be selected. US Olympic Team Selection Meet performances will be prioritized for selection as follows:

- Priority #1: First, second, third and fourth place finishers in the men's and women's 100 meter freestyle and 200 meter freestyle.
First place finisher in all other events.
- Priority #2: Second place finisher in all events other than the men's and women's 100 meter freestyle and 200 meter freestyle.
- Priority #3: Fifth place finisher in the men's and women's 100 meter freestyle and 200 meter freestyle.
- Priority #4: Sixth place finisher in the men's and women's 100 meter freestyle and 200 meter freestyle.

NEWSLETTER PLUS

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

AUGUST 2000

IN THIS ISSUE: 2000--2001 SHORT COURSE NEW ENGLAND CALENDAR;
NEW ENGLAND SWIMMERS AT OLYMPIC TRIALS, JUNIOR
CHAMPIONSHIPS, EASTERN ZONES.....

New England is very proud of the performances of all the New England Swimmers at the recent Olympic Trials.

Five swimmers with New England connections have been named to the team.

SAMANTHA ARSENAULT, 800 free relay

ERIK VENDT, 400 IM, 1500 freestyle

BJ BEDFORD, 100 backstroke

JENNY THOMPSON, 100 freestyle, 100 butterfly

IAN CROCKER, 100 butterfly

Samantha Arsenault currently swims with GMSC. Erik Vendt, who broke the USA Swimming record in the 1500 freestyle, currently represents OSS. BJ Bedford of Etna NH swam for NCAC. Jenny Thompson of Dover, NH swam for SSA. Ian Crocker who swims for PPSC in Maine has been a fixture at New England meets, including Senior Championships, for the past few years.

We congratulate these swimmers and wish them well. Coverage of the swimming dates of the Olympics in Sydney, Australia (September 16--23, will be on NBC.

The Board of New England Swimming will meet on Tuesday, September 12, 2000 at the Wellesley Community Center, Wellesley, MA.

Future meetings will be: Tuesday, October 17, 2000 and Tuesday, December 5, 2000.

SAFETY TRAINING FOR SWIM COACHES:

Amy Parratto, senior coach representative, would like to compile a list of coaches who are qualified to teach Safety Training for Swim Coaches and are also willing to teach the course. If you would like to volunteer, please contact Amy at : 603-749-2869 or via e-mail at: Parratto@seacoastswimming.com

For your information, the requirements for teaching the course are included here. This information has been received from USA Swimming and is dated July 2000. If you need more information about the coach requirements, each club registration chair has received 6 pages of information or you may contact the office.

Becoming a Safety Training for Swim Coaches Instructor

Those wishing to be STSC instructors must complete **all** of the following:

1. Possess a current ARC certificate in **one** of the following: Water Safety Instructor, Water Safety Instructor Trainer, Lifeguard Training Instructor, Lifeguard Instructor Trainer, Basic Water Rescue Instructor.
2. Possess a current Safety Training for Swim Coaches certificate (see above).
3. Have a competitive swimming background. (This should be determined by the Local Swimming Committee and local American Red Cross Chapter.)

MORE GRADUATING SENIORS OFF TO COLLEGE:

BGSC: LINDSEY BAUER
RAMS: ALLISON GARCEAU

United States Air Force Academy
Central Connecticut State University

It's not too late. If you have more names to add, send them to the office!!!

TEAM INFORMATION AND REGISTRATION:

Please do not forget to submit the form that was sent to each team this past August.

Registration information will not be sent out to the teams until this information has been received by the office. Labels are beginning to go out to teams running meets and it is important for these labels to be correct so that each team receives all its meet invitations. The e-mail address (new this year) will be used to contact teams as meet information is posted on the web site.

A continuing reminder to make sure that all coaches are current and ready to be reregistered. Coaches need current CPR, First Aid and Safety Training for Swim Coaches. Those who registered for the first time in registration years 1999 or 2000 must complete the education requirement before they reregister for 2001.

NOTES: For the meets with 2 sites (Bronze, Districts, 8 and under Age Groups), teams will be assigned to each meet by New England Swimming and must attend the assigned meet. "Unattached" swimmers will be assigned by New England Swimming on an individual basis.

The entries for the "end of season" meets (Bronze, Districts, and all Age Group meets) will be sent from the office. A reregistering team that expects to participate in these meets must be fully registered by January 15, including a fully certified coach (First Aid, CPR, Safety Training for Swim Coaches, and education requirement if not grandfathered), registered athletes and all fees paid. Any reregistering team that does not adhere to this deadline will be required to swim all swimmers in these "end of season" meets as "unattached" with no team points or relays.

CONGRATULATIONS to the New England registered swimmers who participated in the Olympic Trials in Indianapolis, IN. It was quite an honor for all those who were able to be there.

SECTIONAL MEET:

The Office has received many questions about the new Sectional Meet, but there are not many answers at this time.

The meet is scheduled for the second weekend in Long Island, NY. There will be time standards, but they have not been established yet. The final decision will be made at the USA Swimming convention in October. As soon as the times have been established, they will be released via the web site and the newsletter. It is expected that the times will be faster than our New England Swimming Senior times, but slower than the old Junior Championship times.

For the purpose of these meets, the Eastern Zone has been divided into two sections, each section having its own meet. New England will participate in the sectional meet with Maine, Connecticut, Adirondack, Metropolitan, Niagara, and New Jersey. The committee that is organizing the meet standards includes one representative from each of the seven LSC's included in our section. New England's representative is Frank Ching.

SEED CARDS: Seed Cards are available through the New England Office. The cost for plain cards is \$22 per thousand, including mailing. If the cards are picked up in Needham, the cost is \$19 per thousand. There is no minimum, and the cards may be split any way between boys and girls.

If you want initials on the cards, the price for 1,000 cards is \$31, including mailing. If the cards are picked up in Needham, the cost is \$28. If you want 2,000 or more cards with initials, the cost is \$26 per thousand, including mailing, or \$23 per thousand if the cards are picked up in Needham. The minimum order for cards with initials is 1,000 cards.

NEWSLETTER PLUS SUBSCRIPTIONS: Please check the expiration date of your subscription to NEWSLETTER PLUS. Subscriptions may be ordered through the New England Office for \$10 per year. Clubs do not have an expiration date on their labels since all registered clubs receive one free subscription with their registrations.

ATHLETES ATHLETES ATHLETES ATHLETES ATHLETES ATHLETES

This year New England Swimming is volunteering at the Special Olympics. It is a great opportunity for the swimmers to give back something to the swimming community. We are planning to help the athletes with their training and also support them at their state and sectional meets. These meets are held in the early spring. As a special Olympics volunteer, you will be helping people with disabilities of all ages and abilities to fulfill their potential and strengthen their physical skills. If you are interested in volunteering for this great experience please contact Laura Blackwell at SwimLB@aol.com. Keep looking in the monthly newsletter and the website (www.neswim.com) for more information.

Thanks.

CLINIC FOR STROKE and TURN OFFICIALS:

A clinic for new and renewal Stroke and Turn Officials will be held on Wednesday, October 18, 2000 at 6 pm at the Beverly YMCA Sterling Center, Essex Street, Beverly, MA. To register, call Dave Leblanc at 978-744-4202.

The Board of New England Swimming will meet on Tuesday, October 17, 2000 at the Wellesley (MA) Community Center at 7 pm. There will be no November meeting, but there will be a meeting on Tuesday, December 5, 2000.

REGISTRATION NOTES:

1. **NON-ATHLETES:** Non-athletes who are currently registered for 2000 will receive renewal applications in the mail toward the end of October. Coaches who need to renew courses before they reregister should submit a copy of their certification card and they will receive an updated 2000 card.
2. **ATHLETES:** Some teams are having parents submit registration forms. All registration forms should come through the team registration chair so that the team will know who actually has registered and so that the forms can be checked for completeness. Anyone who registers after September 1 will receive a 2001 card, but will be registered for the rest of 2000 as well as 2001.

MEET ENTRIES:

As the Top Ten Committee completes its work for the past two seasons and as the Web Site Development Committee releases its first report, teams entering meets must be more careful with their entries.

1. Accurate AGES must be included in the meet entry. Errors and omissions in ages must be eliminated.
2. Swimmer's NAMES must be consistent. The United States Swimming registration programs allows for a "legal" name and a "preferred" name. When entering meets, however, a team must be consistent for all meets. If "William Thomas Smith" uses the preferred name of "Tom," please do not enter him in some meets as "Tom," other meets as "Thomas," or even more confusing, "William." Please pick a name, either the legal name or the preferred name and stick with it.

Computer Technical Committee

The Computer Technical Committee was appointed by Chairman Bruce Mohl to review the status of data management and website development within the New England LSC, to develop standards for data entry for swim meets and the posting of results. He also requested that the committee recommend to the Board of Directors ways to maximize the functionality of the New England LSC website.

Members of the committee are John Barbary, Frank Ching, Mary Gentry, Walt Meissner, Rick Osterberg, and Harold Whitney. These people are all experienced meet managers. In addition, because of their expertise and functions within the New England Swimming organization, Cathy Mosca and Mary Riddell are ex officio members. Harold Whitney is the Chair of the committee.

Meet Data Management

The first focus of the committee has been to make recommendations to streamline meet data management. It is the belief of the committee that to efficiently run meets, entries must be received and results must be posted using standardized data entry files that can be used by team and meet management programs. To this end, the committee has recommended and the board has approved the following items.

Important: The following changes in meet requirements, with the exception of the surcharge for handwritten entries, are voluntary for the 2000-2001 short course season. It is the hope of the committee that teams will incorporate these modification into their meet entry procedures this winter so that they and the committee can evaluate and improve them for the long course season.

Teams hosting meets:

- Will e-mail to the New England Swimming webmaster the date when the meet invitation is to be posted. The webmaster will post on the web calendar, the date that the invitation will be made available on the website. The meet invitation should be mailed out the day before this date. For this short course season, the traditional mailing of the meet invitation to all clubs will continue but the goal is to move to website posting only.
- Will e-mail to the webmaster the meet invitation document at least one week before the invitation is to be posted. This document, in addition to the information already required will need to include the following items:
 1. The date that the first entry will be accepted. Any entry that arrives before that date will be considered to have arrived on that date. It is recommended that teams accept entries two days after the meet announcement is posted on the website. Any entry that arrives during the day is considered to have arrived at the same time as any other entry received that day.
 2. Whether they will accept e-mail entries or only allow electronic entries to be submitted on a disk. Teams must accept entries by one of these two methods. In the future, e-mail entries will be the standard.
 3. How they will accept payment for the entries. Options include requiring the check to be received a certain number of days after the entry, setting up an account with PAY PAL or some other similar service. PAY PAL is a service that is used by many of the online auction sites to handle money transfers. There is no cost to either the club paying the entry fee or the non-profit organization receiving it when using the PAY PAL system.
- Will e-mail to the webmaster along with the meet invitation, a file containing the events of the meet. The file must be in a standard swimming data exchange format SD3, or Hy-Tek CL2.

The webmaster will put this file on the website so that teams will be able to download it and use it for creating their meet entries. Having this file available helps ensure that entries are accurate and minimizes problems for the teams going to meets and for host teams.

- **Must accept standard electronic entries. These files may be in either of the above formats.** The current version of all major team and meet management programs will import and export data files in these formats.
- **Must e-mail results of meet to webmaster or provide a direct link to those results on another site within three business day after the conclusion of the meet.** If the host team is providing a link to the results, it must be directly to the results, not to the team home page or to a page containing advertisements. For this season, the traditional mailing of the results will continue but will not be necessary in the future.
- **Must e-mail a downloadable file of the results of the meet to the webmaster in either of the standard file formats mentioned above.** The webmaster will put this file on the website so that teams will be able to download it and update their files after the meet is over. It will then be easy for the teams to update their records by downloading this file from the website and importing it into their team manager data files.

Teams entering meets:

- **Must have a valid e-mail address.** This should be a reliable e-mail address that is checked regularly. It will be used by the host team to communicate with the teams sending entries.
- **Must submit to the host team a standard data entry file either on a disk or via e-mail, depending on the requirements of the host team.** It is assumed that in the future, e-mail will be the standard communication tool for meet entries. The New England Swimming board has approved a surcharge of \$0.50 per entry for entries that have to be entered by hand. This surcharge becomes effective January 1, 2001
- **Must submit a hard copy of the entry to the host team. This should be sent with the disk or if e-mail was used to send the original entry the hard copy should be mailed by the next business day.** This is to ensure that the file sent was correct and to provide a hard copy of the entry for the meet manager.

Help is available

The committee realizes that these requirements will be new to some of the teams running meets this season and to some of the smaller teams entering meets. Members of the committee have agreed to be available to answers questions as needed to implement these changes

Option to buy Hy-Tek Products at reduced rates

Hy-Tek Team Manager and Meet Manager have become the predominate meet and team management programs in this country and in New England. Most of the major meets in New England are run using Hy-Tek software and a majority of our teams use their team manager products. The products have performed well and are continually being improved. It is the recommendation of this committee, endorsed by the board of directors, that New England Swimming recommend the use of the Hy-Tek swimming products to their member teams. This provides the opportunity for teams in the New England LSC to purchase the Hy-Tek swimming products at a substantial discount. The board wishes to make it clear that the use of Hy-Tek software is not required to run meets in this district and that there are other swimming data management products available. To purchase the Hy-Tek software and to receive your 25% discount, go to www.hy-tek.com on the web or call the Hy-Tek sales office at (252) 633-5111.

TECHNICAL COMMITTEE REPORT

The following recommendations of the Technical Committee were approved by the Board of New England Swimming on September 12, 2000.

SUBSIDIES FOR CHAMPIONSHIP MEETS: The Board approved the following schedule of subsidies to teams running Championship Meets. The subsidies will be in effect as of this short course season and will be paid to the team running the meet after all appropriate paperwork has been submitted.

Short Course	8 & under	\$ 500
	9--12	\$1000
	13 & over	\$1500
	Seniors	\$2000
Long Course	12 & under	\$1000
	13 & over	\$1500
	Seniors	\$2000

The Board also voted that sanction fees be waived for teams running Championship Meets. The sanction request must still be completed, however, and the \$200 deposit would be required.

SCRATCH POLICY AT LONG COURSE 13 and over CHAMPIONSHIPS:

The Board voted to accept the recommendation of the Technical Committee concerning a scratch policy for Long Course 13 and over Championships (a timed finals meet). A check-in or scratch system will take place before warm-ups at each session of the long course 13 and over championships. The meet will be deck seeded. Once the session has been seeded, if a swimmer is a no-show, unless excused by the referee, the swimmers will be out of the rest of the meet, including relays and time trials. Details for the system will be worked out by the Age Group Chairman in conjunction with the meet director, and the policy will be stated in the meet announcement.

MEET FEES

The following schedule of meets fees to be effective January 1, 2001 was adopted by the Board.

Individual events	\$2.50 for electronic entries
	\$3.00 for hand entries
	(currently \$2.00)
Trials & finals events	\$3.50 for electronic entries
	\$4.00 for hand entries
	(currently \$3.00)
Distance events	\$4.00 for electronic entries
	\$4.50 for hand entries
	(currently \$4.00)
Relays	\$7.00 for all relays (currently \$5.00 for timed finals and \$7.00 for trials & finals)

INVITATIONAL MEETS

The Board accepted the following policy regarding "invitational" meets. "Invitational" meets, other than dual meets and tri-meets, which are not on the calendar, must be sanctioned, follow all New England policies, and surcharges must be paid in order for the times to be used to enter New England meets including championships.

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

OCTOBER 2000

IN THIS ISSUE: SHORT COURSE AND LONG COURSE OUTSTANDING SWIMMERS AND TOP TEN SWIMMERS; BANQUET INFORMATION AND RESERVATION FORM; SAFETY TRAINING FOR SWIM COACHES.....

TOP TEN BANQUET

TOP TEN BANQUET: The Top Ten Banquet will be held on Sunday, November 5, 2000 at The Mill House, 810 Merrimack Avenue (Route 110), Dracut, MA. From Route 93 take exit 46, Route 110 Dracut-Lowell. The restaurant is 3½ miles on the right with the banquet entrance in the rear.

TOP TEN: Please share the Top Ten information in this newsletter with your team and encourage them to make reservations early. Some years we fill before the deadline.

Top Ten Times are compiled using results from New England calendar meets held during the past year. Short course (25 yard) times run from June 1, 1999 through May 31, 2000; long course (50 meter) times run from October 1, 1999 through September 30, 2000. The distance events that were added to the 12 & under Age Group Championships this year are not included this year, but will be next year.

In addition to the New England sanctioned calendar meets, we also use times from out of district sanctioned meets if the results are sent to the office and if the meet is open to all USA Swimmers. We consider all times from the meet--trials, finals, and swim-offs--except time trials. We also consider lead-off splits from individual events and relays when they are printed in the results.

We do not include meets that are closed--restricted to certain teams, league members, etc. For this reason, we do not consider high school meets, "y" meets, etc.

OUTSTANDING SWIMMERS are those who have accumulated the most points through their top ten standings. The scoring is as follows.

STANDING:	1	2	3	4	5	6	7	8	9	10
POINTS :	12	9	8	7	6	5	4	3	2	1

TOP TEN BOOKS will be sent to all New England teams as soon as they are ready. Books will be available for purchase at the banquet for \$2.50 for each season or by mail for \$3.00 each, including postage.

The Board of New England Swimming will meet on Tuesday, October 17, 2000 at 7 pm at the Wellesley Community Center, Washington Street, Wellesley, MA.

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

NOVEMBER 2000

IN THIS ISSUE: 2001 QUALIFYING TIMES FOR NEW ENGLAND SWIMMING BRONZE, DISTRICT, AGE GROUP CHAMPIONSHIP MEETS and for EASTERN ZONE SECTIONALS; UPDATED NEW ENGLAND SHORT AND LONG COURSE RECORDS.....

SAVE THE DATE: SATURDAY, MAY 5, 2000: ANNUAL MEETING, Wellesley Community Center, Wellesley, MA

COMING IN THE DECEMBER NEWSLETTER: Team Assignments for Bronze Classic, Districts, Eight and under Championships

TOP TEN BANQUET: 420 New England swimmers, parents, and coaches attended the Top Ten Banquet on November 5 at the Mill House in Dracut, MA. The speaker was ANITA NALL, silver medalist in the 100 breaststroke, bronze medalist in the 200 breaststroke, and gold medalist in the 400 medley relay at the Barcelona Olympics in 1992. She gave a wonderful talk, answered many questions and signed even more autographs.

Thank you to PRISCILLA DAVIS, who helped at the door, ISABELLE FRASER, who read all the names, KRISSY WHITE and LAURA BLACKWELL who helped Anita hand out the certificates and JOEL MELTZ who picked up Anita at the airport and to RAY GRANT who took Anita back to the airport after the banquet.

ANDREW MAGUIRE won the door prize, fins supplied by one of Anita's sponsors.

USA SWIMMING CONVENTION: New England was well represented at the 2000 USA Swimming Convention in Orlando, Florida on October 10--14. Attending from New England were: PAM WARNER, ISABELLE FRASER, PRISCILLA DAVIS, MIKE PARRATTO, AMY PARRATTO, FRANK CHING, DOTTIE BRUCHEZ, KRISSY WHITE, LAURA BLACKWELL.

The Board of New England Swimming will meet on Tuesday, December 5, 2000 at the Wellesley Community Center, Wellesley, MA. Members of the New England Swimming community are invited to attend. However, it is recommended that you phone the office to confirm the meeting, especially in case of bad weather.

AGE GROUP CHAMPIONSHIPS (13 through 19) will be held on March 1--4, 2001
at WHEATON COLLEGE, NORTON, MA.

SEED CARDS: Seed Cards are available through the New England Office. The cost for plain cards is \$22 per thousand, including mailing. If the cards are picked up in Needham, the cost is \$19 per thousand. There is no minimum, and the cards may be split any way between boys and girls.

If you want initials on the cards, the price for 1,000 cards is \$31, including mailing. If the cards are picked up in Needham, the cost is \$28. If you want 2,000 or more cards with initials, the cost is \$26 per thousand, including mailing, or \$23 per thousand if the cards are picked up in Needham. The minimum order for cards with initials is 1,000 cards.

NEWSLETTER PLUS SUBSCRIPTIONS: Please check the expiration date of your subscription to NEWSLETTER PLUS. Subscriptions may be ordered through the New England Office for \$10 per year. Clubs do not have an expiration date on their labels since all registered clubs receive one free subscription with their registrations.

CORRECTION: An incorrect date was listed for qualifying for Age Group Championships in the November Newsletter Plus.

Qualifying times for Eight and under Championships, 9--12 Age Group Championships and 13--19 Age Group Championships must date from February 18, 2000.

The dates for Bronze Classic and Districts were correct--September 1, 2000.

ATHLETES ATHLETES ATHLETES ATHLETES ATHLETES

The current New England team reps include the following:

- Mass Bay Marlins : Sarah Healey, Nick Pepe
- Bernal's Gators : Derek Castellana
- Ocean State Squids : Christian Warner, Joanne Gallahue
- YMCA of the North Shore : Jamie Mannion
- Patriot Swim Club : Carolyn Reuman

We would like to see a representative from all the New England teams get involved in our event and program planning. If you are interested in representing your team for the 2000--2001 year, and would like to get more involved with New England Swimming, please contact me at SWIMLB@aol.com or my home phone # 1-978-443-5350.

We are already in the process of planning volunteer work for the Special Olympics. The team reps and I would be working together to get the volunteers for the Special Olympics organized and get them ready to work. Thanks so much and I hope to hear from you soon.
