UPDATED PROPOSED CALENDAR FOR THE 2001 LONG COURSE SEASON:

Below is the revised proposed calendar for the 2001 Long Course season. The due date for bids has been extended to February 15, 2001. If you have already submitted bids and would like to revise them based on the new proposed calendar, please send a note to Pam Warner, 19 Kress Farm Road, Hingham, MA 02043.

- REVISED CALENDAR:**
- May 5--6 : Annual Meeting and Coaches' Clinic (no bids accepted)
 - July 6--8 : Age Group/Senior Qualifier
 - 13--15: Twelve and under Age Group Championships
 - 20--22: Thirteen and over Age Group Championships
 - 27--29: Sectional Meet, Buffalo, NY
 - August 5--5 : New England Senior Championships
 - 8--11: Zone Meet, Buffalo, NY
 - 14--18: National Championships

Bid forms are available in the December Newsletter or at the New England web site--(www.neswim.com).

The Board of New England Swimming will not meet in February. They will meet on **TUESDAY, MARCH 20, 2001** (note the change of week) at the Wellesley Community Center, Wellesley, MA at 7 pm.

EASTERN ZONE ALL STAR SWIM MEET, Prince Georges Sports and Learning Complex, Landover, Maryland, March 29, 30, 31, 2001:

This newsletter includes an application for the Zone Meet. Please note the due dates for the different age groups. The coaches this year will include Ray Grant (SD) and Laura Matuszak (GMA). Since the Junior Championships is no longer a meet, swimmers who have been to Junior Championships in the past and have not qualified for National Championships are able to attend the zone meet this year. For more details about the meet, you may access the entry through the New England web site (www.neswim.com). Note, however, that all entries from New England will be submitted by New England.

STROKE and TURN CLINICS:

January 31, 2001, from 6 pm to 9 pm at the Wellesley Community Center, Washington Street (Route 16), Wellesley, MA. To register, contact Kathy Dacey at 617-325-7079 or email at magic_bear@msn.com

February 1, 2001, at 4:45 pm at the Brown University pool, Providence, RI. To register, contact Pam Warner at 781-749-2526.

ACADEMIC ALL-AMERICA:

CONGRATULATIONS to the New England Swimmers who were listed in USA Swimming's list of ACADEMIC ALL-AMERICA:

ELIZABETH SHIELDS	BGSC
*CAITLIN HEALEY	MBM
LINDSAY WOLF	SSA
MOLLY BRETHERAUER	BGSC
BRIAN ZINGALE	BGSC
JEREMY TILLMAN	HVY

*was honored for being named for the past three years

ACADEMIC ALL-AMERICA honors are based on a combination of high school GPA and placement at National Championships or Junior Championships.

COACH EDUCATION TEST:

All new USA Swimming coaches must pass the coach education test before they re-register for their second year of coaching. (Coaches who were registered in 1998 or before are grandfathered.)

"The Foundations of Coaching Test, 2nd Edition" has recently been published and is now available through the New England Office. The new test includes 181 question with no more than 20 to be missed. The test is still based on the USAS Rules and Regulations, the "Progressions for Athlete and Coach Development," and the "Foundations of Coaching Home Study Course."

The original test is still in the back of the Foundations and is still accepted, but it is preferred that coaches use the revised edition. The answer sheet still will go to ASCA for grading. (The address is on the answer sheet.) The new test is available to be taken on line by going to the ASCA web site at www.swimmingcoach.org.

SAVE THE WEEKEND!!!! MAY 4, 5, 6: This weekend will be full of activities for all members of the New England Swimming community to be held at the Wellesley Community Center and other venues in the Wellesley area.

The traditional Annual Meeting will be held on Saturday, May 5 at the Wellesley Community Center with election of officers, approval of budget, etc.

Stroke and Turn officials will be able to attend a recertification clinic.

The Meet Managers clinic will be available to all who are managing meets or entering meets and will feature guest appearances by members of the Web Site Development Committee and other guest experts, including our web master, Cathy Mosca. They will arrive with their lap tops, perform demonstrations, amazing you with their knowledge and revealing all kinds of short cuts and other "tricks of the trade." Everyone is welcome to come ready to learn and ask questions.

The Coach Representatives, Amy Parratto and Ray Grant, have been working with ASCA to prepare a weekend full of coaches classes, clinics and other meetings.

It is expected that the athletes will be treated to a swim clinic on Sunday.

REIMBURSEMENT POLICY FOR NATIONAL AND SECTIONAL MEETS, 2000-2001

ATHLETE REIMBURSEMENT POLICY:

A New England registered swimmer who qualifies for and swims in an individual event at the US Open will be reimbursed \$150 by New England Swimming. A New England registered swimmer who qualifies for and swims in an individual event at national championships will be reimbursed \$300 by New England Swimming. A New England registered swimmer who qualifies for and swims in an individual event at the Sectional meet will be reimbursed. For this meet, an amount of \$5,000 will be shared by the qualified swimmers who apply and submit receipts within the eight week period, with a maximum of \$50 per swimmer. Please note that this amount is for this year only.

During the short course season a swimmer must fully participate in three New England calendar meets to be eligible for reimbursement. During the long course season a swimmer must fully participate in two New England calendar meets to be eligible for reimbursement. "Full reimbursement" means participation in all or at least two days of competition and at least one individual event at each day of participation.

If the New England Senior Championships is in place with a named facility by a certain date (90 days preceding the first day of the meet for long course; 120 days preceding the first day of the meet for short course), mandatory participation in the Senior meet is required in order for a swimmer to receive reimbursement. The New England Board may waive this requirement for good cause, such as illness or conflict with the National Team requirement. This requirement will be waived for short course.

A swimmer must request the reimbursement within eight weeks of the meet. The request must include the stub from the swimmer's plane ticket or receipt of other expense to equal or exceed the amount of requested reimbursement.

To be eligible for reimbursement, an athlete must have been registered in New England and have competed in a New England calendar meet at least six months prior to the meet for which reimbursement has been requested.

Waivers for the US Open and National Championships: A swimmer who does not participate in three New England calendar meets during short course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the long course season. A swimmer who does not participate in two New England calendar meets during the long course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the short course season. All requests for waivers will be considered following the long course season.

Waivers for the Sectional Meets: For the Sectional Meets there will be no waivers.

COACH REIMBURSEMENT POLICY:

For each team that sends a swimmer to the National Championship or the US Open, New England Swimming will provide \$150 to reimburse coach expenses. The \$150 per team may be used to reimburse one coach or be split among several team coaches at the team's discretion. The team will have to provide New England Swimming with receipts for coach expenses which equal or exceed the \$150 reimbursement.

For the Sectional Meet an amount of \$1,500 will be shared by the coaches who attend the meet and apply and submit receipts within the eight week period (one coach per team) with a limit of \$100 per coach.

INFORMATION CONCERNING THE ANNUAL MEETING & COACHES CLINIC (MAY 4, 5, 6, 2001)

NOMINATING COMMITTEE:

The Nominating Committee has begun to work on a Slate of Officers to be elected at the Annual Meeting on Saturday, May 5, 2001. Positions that will be elected this year are: Treasurer, Technical Chairman, Age Group Chairman. Also to be elected are members of the Nominating Committee and Review Board. The current Age Group Chairman, Mike Spring, has been elected for two full terms and is not eligible to be re-elected to this position. (Our by-laws do not limit terms for Secretary, Treasurer and Technical Chairman.)

If you are interested in one of the above elected positions or are interested in an appointed Board position, please contact the Nominating Committee Chair, Priscilla Davis, at 978-468-3786 or via e-mail at PDSwimNE@NETZERO.NET. If you prefer, you may talk to one of the members of the committee--Reid Christen, Dan Warner, Amy Parratto, or Mariella Allard.

A new Junior Coach Representative will be elected by the coaches at the Annual Meeting. If you are interested in this position, contact Amy Parratto (603-749-2869 or parratto@seacoastswimming.com) or Ray Grant (508-336-9982 or RGrant_1@msn.com).

A new Junior Athlete Representative will be appointed by the Board which will consider all applications received. For more information and an application, look elsewhere in this newsletter. Application information is also on the NE web site--www.neswim.com.

The Board of New England Swimming will meet on Tuesday, March 20, 2001 at 7 pm at the Wellesley Community Center, Wellesley, MA. Please note the change of week.

Help create the future of New England Swimming!

Apply to become the 2001-2002 Junior Athlete Representative. Responsibilities include :

- attending monthly NES board meetings in Wellesley, MA.
- attending the USA Swimming Conference in Michigan in Fall 2001
- bringing new and creative ideas to the board
- representing your fellow swimmers

All interested swimmers should complete the information sheet below and send it to Laura Blackwell at 74 Belcher Drive, Sudbury, MA. 01776. Applications can also be found on line at neswim.com, and e-mailed to Laura at laura@neswim.com. Applications must be received by April 30th to be considered.

PEAK INSURANCE GROUP NAME CHANGE

Peak Insurance Group was sold in September to Accordia Insurance. John Peterson and group ventured out on their own under the name of *Risk Management Services, Inc.* and will continue to provide USA Swimming's insurance coverages.

The new name: Risk Management Services, Inc.

Address: PO Box 32712
Phoenix, AZ 85064-2712

Toll free number: (800) 777-4930 – Sandi Blumit will assist with your insurance/risk management concerns as before

Direct number: (602) 667-1822

Fax number: (602) 274-9138

E-mail: sblumit@theriskpeople.com

CPR COURSES: There has been some confusion about AHA (American Heart Association) which are acceptable for coach certification. In 1998, USA Swimming approved Heart Saver PLUS as meeting the requirements for CPR for coach membership. AHA Heartsaver is not acceptable as a course because it is an "audit" course with no written test and no skills demo. For the same reason, the EMP America Medica/First Aid course is not acceptable.

For a complete list of acceptable courses, consult the list which your registration chair has or call the office for a list.

CORRECTION: ASCA WEB SITE: The web site for ASCA (source of the coach education test) is www.swimmingcoach.org.

NEWSLETTER PLUS

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

MARCH 2001

IN THIS ISSUE: LONG COURSE SUMMER CALENDAR; ASCA COACHES CLINIC;
USA/NE "CATCH THE SPIRIT" CAMP; HIGH POINT WINNERS--
NE CHAMPIONSHIP MEETS.....

A MESSAGE FROM THE CHAIRMAN OF NEW ENGLAND SWIMMING

The New England Swimming Board met on March 20th and approved the championship calendar for the long course season. This calendar, which is outlined elsewhere in the newsletter, is the culmination of much work by Calendar Chair Pam Warner and the Calendar Committee with input from many coaches at the Age Group Championships, the Sectional Meet and the New England District Meets. The long course championship format represents a departure from our traditional 13-19 Age Group and Senior Championships for the summer season. With the addition of the USA Swimming Sectional Championships, it was felt that a new single New England Championship Meet was far preferable to two meets that might not be well attended. The coaches have been very helpful in designing a meet format that will address the needs of differing levels of swimmers in one championship meet. In general this meet, to be held one week after Sectionals, August 2-5, will be a trials/finals format with one set of cuts for athletes of any age reasonably close, in most events, to the current 13-14 age group cuts. All ages will swim together in prelims seeded by time. The top 24 of all ages from prelims will come back at night in Bonus/Consols/Championship finals. As a separate event, the next 8 fastest 13-14 swimmers from prelims after the top 24, will swim a separate finals heat at night. There are many details about the meet yet to be worked out, but it poses a great opportunity for an exciting long course championship for our older athletes. The 12 & Under Championship Meet is unaffected by this change but will include longer distance events consistent with USA Swimming policies.

Bruce Mohl
Chairman, New England Swimming

The Board of New England Swimming will meet on WEDNESDAY, April 11, 2001 at the Wellesley Community Center, Wellesley, MA.

"Keys to Success"

From Four Coaches of Olympic Swimmers
Sharon Power, Don Lemieux, Josh Stern, and Mike Parratto
Hosted by Tim Murphy

Presented by the American Swimming Coaches Association

The theme of the coaches clinic this year is "Keys to Success." In each session we will strive to present succinct, to-the-point, strategies for success that you can use starting Monday morning.

May 4, 5, 6, 2001

Location:

Wellesley Community Center
(Site of the New England LSC Meetings)
219 Washington Street
Wellesley Hills, MA 02481

Session 1: Friday, May 4, 5pm to 9 pm. Stroke Technique: How and What to Teach. This is a good course for both new and experienced coaches. Bill Sweetenham, one of the World's great coaches from Australia said, "We do the exceptional things exceptionally well, but we only do the basic things basically well." This course is about teaching the basics exceptionally well. Fundamentals of each stroke, starts, and turns are presented along with recommended progressions and specific teaching techniques for each. New Coaches will learn stroke drills or teaching techniques to use for fixing specific stroke problems. Experienced coaches will enjoy a fresh look at the strokes and perhaps pick up some new techniques and drills. The ASCA Level 2 Stroke School manual is included and Certified ASCA members who complete the take home test will receive credit. Taught by Guy Edson, ASCA Staff. Cost ASCA Members Pre-register \$50, \$65 on site; non members pre-register \$65, \$80 on site. Non members will receive a complementary 1 year membership in ASCA if attending at least two paid sessions.

Session 2: Saturday, May 5, 3pm to 5:30 pm. Keys to Success: Training, Teaching, and/or Motivational Techniques That Work. Four coaches of Olympic swimmers reveal the keys to their successful coaching. Speakers include Sharon Power, coach of Gold Medalist Ian Crocker; Don Lemieux, coach of Gold Medalist Samantha Arsenault; Mike Parratto, coach of Golds Medalist Jenny Thompson; and Josh Stern, coach of Olympian Erik Vendt. Cost: ASCA Members Pre-register \$50, \$65 on site; non members pre-register \$65, \$80 on site. Non members will receive a complementary 1 year membership in ASCA if attending at least two paid sessions.

Session 3: Saturday, May 5, 6:45 pm--9:00 pm. Keys to Success: Becoming a Successful Professional Coach. In part 1 Harvard University Head Coach Tim Murphy will moderate a round table discussion with Sharon Power, Don Lemieux, Josh Stern, and Mike Parratto. The topic of the round table will be to discuss the keys to making your position and your work successful by working sometimes within the system, and sometimes stepping out of bounds. In part 2 Guy Edson, who works with employers and coaches every day on a wide range of employment issues, will offer 10 keys to improving your job stability. No charge for this session.

Session 4: Sunday, May 6, 12 noon to 5 pm. Writing Workouts from a Goal Oriented Plan. This is a modified ASCA Level 3 Physiology School with the emphasis on learning how to design a goal based training program. Keys to Success include setting goals, identifying the components of workout, setting priorities of those components, establishing progressions, and fitting the pieces together in weekly cycles. The ASCA manual "How to Write Workouts" and ASCA's Level 3 Physiology School Manual is included. Certified ASCA members who complete the take home test will receive credit. Class size is limited to 25. Bring paper and pencils and be prepared to create a season training plan. Instructor: Guy Edson. Cost: ASCA members Pre-register \$50, \$65 on site; non members pre-register \$65, \$80 on site. Non members will receive a complementary 1 year membership in ASCA if attending at least two paid sessions.

REIMBURSEMENT:

Swimmers and Coaches who intend to apply for reimbursement for the Sectional meet are reminded that they must apply within 8 weeks of the meet. All applications must be in the office by Monday, May 7, 2001 in order to be considered and must include proof of expense and the three New England meets attended during the short course season. If this information is not included, the application will not be considered. If you applied for reimbursement for the US Open, please be sure that the office is aware of the three New England meets you attended during the short course season.

CATCH THE SPIRIT CAMP

MAY 26, 2001

The "Catch the Spirit" Camp is designed as a combination of education sessions, social opportunities and water activities. Each level of camp targets different elements of development through which young swimmers are progressing.

This year's camp will be a level 3 camp. Level 3 camp creates a learning environment for more experienced competitors to focus on such things as goal setting, visualization, relaxation, and racing techniques as well as leadership.

The camp will be held on Saturday, May 26, 2001 from 8:30 am to 4:00 pm at Wellesley College, Wellesley, MA. The one-day camp is intended for up to 50 swimmers ages 9 through 12.

The cost of the camp is \$15 and includes a tee shirt and cap as well as a drink for lunch. Swimmers should bring their own lunches. Checks should accompany the applications and should be made out to New England Swimming. If the camp is over-subscribed, you will be notified. Camp applications should be sent to the camp director by May 12, 2001.

The USA Swimming/LSC Camps are not intended for stroke correction or changing stroke technique. The purpose of the camp is to inspire our young swimmers to continue in the sport. Some basic stroke development principles will be reviewed in videos and in the practices.

MEET DATA MANAGEMENT--updates and revisions:

1. All meet invitations will be posted on the web site and will not be mailed to teams. If a team needs a paper copy of the meet invitation, the club should contact the contact person listed in the newsletter and on the web site.
2. Teams running meets will not accept entries for four days after the meet invitation has been posted on the web site. Any entry received prior to the 4th day following posting will be considered received on the 4th day.
3. A paper copy of the meet entry and payment for the entry must be received within four days, not including Sundays and holidays, of the receipt of the meet entry. If the payment and paper copy are not received within this period, the host team may decline the entry.
4. Teams entering meets must be notified by the host team within seven days of the receipt of the entry if they are in the meet or if they have had to be cut from the meet because of over-subscription. If a team is cut from a meet, the entry fees must be returned in a timely fashion. As soon as the meet is full, the host team must notify the web master so that the calendar can reflect this.
5. Meet results must be submitted to the webmaster within three days of the completion of the final day of the meet. Paper results will not be sent to the teams attending the meet, but eight copies must be submitted to the New England office.

The original "Meet Data Management" document was published in the September 2000 issue of "Newsletter Plus." A new "MeetData Mangement" document incorporating the above updates and revisions will be available at the Annual Meeting and the Meet Manager's Meeting and will be printed in the next issue of the newsletter and also on the web site.

SUMMER CHAMPIONSHIP MEET INFORMATION

TWELVE and under CHAMPIONSHIPS, July 20--23 (Friday through Monday), Harvard University, Cambridge, MA.

The meet will be timed finals with all events offered, including an 8 and under 200 meter IM. Swimmers will be allowed to enter and swim up to 11 individual events.

NEW ENGLAND LONG COURSE CHAMPIONSHIPS, August 2--5, Brown University, Providence, RI

The meet will be an open, trials and finals meet with a full four day format. Swimmers will be able to swim up to 11 individual events.

Trials: All relays will be swum at the end of trials in the morning. All heats of the 1500 freestyle will be swum at the end of the morning session on Thursday. The fastest heat of women and men in the 800 freestyle will be swum with finals in the evening on Sunday. All other heats will be swum with trials in the morning.

Relays: There will be no "relay only" swimmers. Teams will be limited to two relays per sex per event (same as Nationals).

Finals: In the evening there will be four heats of each event, championship, consolation, bonus and a fourth heat of 13 and 14 swimmers who have not qualified for the other three finals heats.

Scoring: The meet will be scored to 24 places.

Awards: Medals will be awarded to placed 1--8 in individual events and placed 1--3 in relay events. There will be high point awards for the top eight female, top eight male swimmers, and the top eight teams.

Maine Swimmers: Maine swimmers will be invited to swim on a space available basis. They will be notified seven days before the start of the meet.

UPDATING TIMES ON MEET ENTRIES:

Because teams are entering meets at an early date, many teams have requested that they be allowed to update times on their original entries. At the present time, New England Swimming encourages teams to accept updated times, but it does not require host teams to do so.

HOWEVER, teams hosting meets should state clearly their policy on updating times. Those teams that are accepting updated times should define the acceptable format and the deadline for receiving updated times.

This policy was shared with those attending the meet manager's meeting and the information must be included on all meet invitations from now forward.

ATTENTION ALL NEW ENGLAND SWIMMERS!!

On June 16th and 17th at Harvard University, New England Swimming will be volunteering at the Special Olympics. It is a great opportunity for the swimmers to give back something to the swimming community. As a Special Olympics volunteer, you will be helping people with disabilities of all ages and abilities to fulfill their potential and strengthen their physical skills. If you are interested in volunteering, please e-mail Laura Blackwell at SwimLB@aol.com ASAP.

THANKS!!

Junior Athlete Rep. Report

This past year has been an awesome experience for me. I started off my term as Junior Athlete Rep. by going to the Convention in Florida with Krissy and meeting other Athlete Reps from around the country. Krissy and I had a great time attending the meetings and learning about US swimming, taking a few hours off during the day to tan, and meeting a bunch of new friends.

At the beginning of my term I had two goals that I wanted to accomplish. The first was making sure that the swimmers would get more involved with NE swimming. I was able to get together 10 team athlete representatives, whom I have been keeping in touch with and updating on events and issues that have come up at the past board meetings. Additionally, I am excited that more swimmers are applying this year for the Junior Rep position, than in previous years.

My second goal for this past year has been to get together a group of NE swimmers to volunteer at the Special Olympics State Swimming Championships that will be held in Cambridge this spring. With help from Priscilla and the team reps, I have been able to organize 55 volunteers, from a variety of teams, for the upcoming meet. This meet will be held on June 16th and 17th from 7:30 am until late afternoon at Harvard University. I am excited that New England swimmers are participating in this wonderful event and I look forward to making it a NES athlete rep tradition.

This first year has been a great experience, and I am extremely excited about the upcoming year. I am looking forward to working with the new Junior Athlete rep. I am, however, going to miss working with Krissy next year; she has been an incredible friend and co-worker.

Thanks to everyone who helped me this past year.

TOP 16 NATIONAL AGE GROUP REPORTABLE TIMES and NEW ENGLAND SWIMMING RECORDS*

Coaches, Parents, and Swimmers:

With the conclusion of the 2000-01 Short Course Season, I am now busy tabulating New England Swimming's Top 16 National Age Group Reportable Time List and updating New England Swimming Records. In order to accomplish this task, I need your help.

Please submit all out-of-LSC and non-calendar meet results to Mary Riddell at the New England Swimming Office as soon as possible. Some host teams are no longer mailing hard copies of results to attendees since results can be found on-line, but if this is the case, please email me where the results can be found. However, you still must mail a hard copy of the results to Mary! Not only are these results used to verify Top 16 and New England Record, but also to create the Top Ten lists and determine Outstanding Swimmer winners.

For non-calendar meets both within and outside of New England, please do not assume that I know where every team in New England swam this past season. Also, please do not assume that another team has provided me with the results of a particular non-calendar meet. It can be upsetting for swimmers when they are left off a Top 16/Top Ten list, especially the younger ones, simply because their coach failed to submit the meet results. When everyone assumes someone else is doing it, it doesn't get done!

Also, in addition to your sending the results, I need to be notified of record-breaking and/or Top 16 reportable swims. A form is located on the New England Swimming web page. You may print out and complete this form. You may mail the form or put the same information into an email message to me. This will help to avoid any "missed" swims. The 2001 National Age Group Reportable Times plus an explanation of Top 16 can be found on the USA Swimming web site under "Fast Times".

Please remember.....

Since Top 16 is an Age Group Program sponsored by USA Swimming, a swimmer must be registered at the time of his/her swim to have that time eligible for consideration. Not all times made at high school, YMCA, college and other meets are eligible for submission. Because of differences in rules, only swims that have been properly observed by USA Swimming officials and have been certified to be in accordance with USA Swimming rules and regulations can be used for Top 16. Times from conference championships and state championships are *usually* observed, but not always.

If a swimmer achieves a Top 16 National Age Group Reportable Time, there is no guarantee that he/she will be included on the final Top 16 list. When the final listing is released only the sixteen fastest swims in the nation will be included. Many times more than half the swimmers who submit Top 16 times do not make the final list.

As for New England Records, only swims from USA Swimming sanctioned meets are eligible. A New England record is the best time done in New England by a USS

registered swimmer, where a "Resident Record" is a best time done anywhere in the country in a USS sanctioned meet by a New England registered swimmer.

If you have any questions or need to speak to me, please do not hesitate to call. Thank you in advance for your assistance. For your information, I must submit our preliminary list to USA Swimming by May 15.

Rosemarie Meissner

JULY 2001

IN THIS ISSUE: REGISTRATION INFORMATION; 12 and under AGE GROUPS HIGH POINT WINNERS; DISABILITY CHAMPIONSHIPS; INFO FOR COACHES--CLINIC, EDUCATION REQUIREMENT, SAFETY COURSES, ASCA COACH OF THE YEAR.....

Please be sure that your coaches have all this information!

CONTRATULATIONS to JOANNE GALLAHUE (OSS) who is the new Junior Athlete Representative. LAURA BLACKWELL (MBM) will now be the Senior Athlete Representative.

THANK YOU to KRISTEN WHITE (MBM) who has served two years as Athlete Representative and is moving on to Northeastern University.

A REMINDER--MEETINGS AT THE NEW ENGLAND OPEN CHAMPIONSHIPS: There will be two meetings at the end of the Saturday morning session, one for the athletes and another one for referees, facilitators, and those who wish to move up to referee.

SPECIAL OLYMPICS:

Thanks to all of the New England Swimming athletes that volunteer during the swimming competition of the Special Olympics held last month at Harvard. And a special thanks to the team reps that helped me to recruit volunteers, and also to Priscilla Davis for her support and guidance to help make this program a success.

Over 80 New England Swimming athletes helped the Special Olympians in several different ways during the competition. They timed races, organized the bullpens, cheered and congratulated the racers upon completion of each event. It was great to see the enthusiasm and joy that each athlete brings to the competition. And I was thrilled to see so many US swimmers helping to give something back to our swimming community.

I look forward to making this an annual New England Swimming event!

Laura Blackwell

The next meeting of the Board of New England Swimming will be on Tuesday, September 18, 2001 at the Wellesley Community Center, Washington Street, Wellesley, MA There will be no meeting in August.

USA SWIMMING NATIONAL DISABILITY CHAMPIONSHIPS:

Wayne Ross brought home 2 Gold and 3 Silver medals from the USA Swimming National Disability Championships in Phoenix, Arizona, June 22--24 in the Men's S2 classification. In spite of the 100 degree plus temperatures and three days of preliminaries and finals, Wayne swam to three personal best times. He placed first in the 50 meter and 100 meter backstroke and second in the 50 meter, 100 meter and 200 meter freestyles.

This was Wayne's 4th trip to the meet as well as the 4th time it has been held under the organization of USA Swimming. Local hosts(the Phoenix Swim Club) went all out to welcome the 180 swimmers and ran the meet very smoothly. Every effort was made to keep the swimmers hydrated and cool with tents, "misterters," water and air-conditioned rooms available.

The meet was covered by Phoenix TV stations as well as national magazines, Swimming World and Sports n' Spokes. Swimmers from Australia, Canada, Mexico, Peru, Spain, Argentina, Brazil and Great Britain added an international flavor to the meet. Wayne was the only New England swimmer to compete this year.

Congratulations to Wayne and thanks to his coach Eileen Craffey who supplied this information.

THANK YOU to all those who made the 12 and under Age Group Championship meet such a success--the meet directors, Carol and Tony Healey, the referees, Kevin Curley and Bill Geary, the computer operator, Rick Osterberg and all the officials, timers and support personnel.

N.E. ENGLAND SWIMMING COACHES

It's that time of year again! We need to vote for the ASCA 2001 Age Group Coach of the Year. This year, we are taking a simpler approach than last year. At the N.E. Annual Meeting, the coaches decided on a new format for voting. All teams are allowed ONE vote. The key difference is that you may not vote for your own team. We will attempt to recognize our peers! Some of you may balk at this because you do feel that your program and coaches are doing a great job. If they truly are, your coaching peers will recognize the achievement. Once the votes have been cast, the coaches representatives will ask the team with the most votes to designate their Age Group Coach or Coaches. The names will then be submitted to The American Swimming Coaches Association.

The following is the recommended selection criteria given by ASCA:

Note - Coaches are NOT required to be members of ASCA!

1. The primary areas of responsibility of the selected Age Group Coach of the Year should be development of skills, setting of training plans, and conducting workouts for club swimmers aged 14 and under.
2. Accomplishments of swimmers from September 2000 through August 2001 should serve as the basis for the award.
3. Performance of the coach's athletes. This should include national or state age group rankings, records, championships, etc.

Votes can be e-mailed to either the Senior Coaches Representative Amy Parratto (parratto@seacoastswimming.com) or the Junior Coaches Representative Laura Matuszak (matuszak@together.net). Please be sure to indicate which team coach is submitting the vote for your team. It is up to each club coaching staff as to how you determine your vote. Let's be supportive of our coaching peers and recognize them!!! If you cannot e-mail your vote, feel free to hand it in to either Laura or Amy at Age Groups or the Summer Long Course Championships. Please **VOTE by AUGUST 10th!!!!**

MINUTES FOR REFEREES MEETING (continued):

Improved Communication to NES Officials from NES/USAS

The officials chair will establish regional liaisons to the NES officials chair, as well as liaisons for larger and/or more active teams. This should make it easier to communicate important information, address key issues, and ensure an adequate number of officials at meets. The liaisons together with the officials chair could constitute a formal or informal officials committee. Scott Doty agreed to develop a proposal for this liaison system.

List of Current Referee Candidates

The following are candidates for advancement to referee: Don Weaver (pending completion of test), Chuck Frank, Laurie Oeser, Mike Caron, Steve McAlarney, Rich Hui, and Dave Saunders. Scott Doty was recently certified as a referee.

USAS Officials Training Clinic

Scott Doty reported on the Officials Training Clinic that he attended in May. NES will send Dave LeBlanc and Joel Meltz to a similar clinic in September.

Minutes for
NES Referees Meeting
August 4, 2001 Brown University

The meeting was chaired by Bill Geary, and the following officials attended: Priscilla Davis, Jerry Zimmer, Harriet Kinnett, Pat Menard, Nancy Schotter, Pam Warner, Ched Hooper, Mike Caron, Scott Doty, Chuck Frank, Rich Hui, Laurie Oeser, and Dave Saunders.
and Paul Maker.

Introduction

Bill Geary gave a brief introduction, reporting that he is now the officials chair for NES. He stated that his goals as the new officials chair include continuing to ensure that NES has a high level of competence among its officials, improve recruiting of new officials, encourage retention and advancement of current officials, improve the level of meet participation by officials, and encourage large and meet-hosting teams to provide officials.

Issues Facing NES Officials

The key issues relate to officials recruiting, retention, and participation, as well as encouraging large and meet-hosting teams to develop officials. Several ideas were offered to achieve these goals. These ideas included:

- NES should monetarily reward teams who supply meet officials, e.g., by discounting meet entry fees.
- Set a goal for the suggested number of officials that a team should have per swimmer, e.g., 1/25.
- Require a standard ad in all meet programs encouraging parents to become officials and providing the necessary information for certification.
- Provide awards/recognition to officials for long-term service.
- Offer officials training clinics between sessions at selected swim meets.
- Establish a rule, to be effective in x months/years, that teams will not be awarded meets unless they have a meet ref and/or can guarantee a specified number of officials.
- Establish in advance a calendar of officials training clinics and assign facilitators to these clinics.
- Fine a team that requests a clinic, promises a minimum number of attendees, and fails to meet the minimum.

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

SEPTEMBER 2001

IN THIS ISSUE: UPDATES TO THE NE SHORT COURSE CALENDAR; 2001--2002 REIMBURSEMENT POLICY; UPDATED ANTI-RECRUITING POLICY; TECHNICAL COMMITTEE REPORT; MEET DATA MANAGEMENT; A MESSAGE FROM THE OFFICIALS CHAIR; COURSES FOR COACHES and CLINICS FOR OFFICIALS.....

The New England Swimming community extends its condolences to the family and friends of JEAN ROGER, a former PVAC swimmer who was a flight attendant aboard Flight 11 on September 11, 2001.

COMING SOON: TOP TEN SWIMMERS and OUTSTANDING SWIMMERS
2001--2002 TIME STANDARDS

TOP TEN BANQUET: The Top Ten Banquet will be Sunday, October 28, 2001 at the Mill House in Dracut, MA. Reservations will be due by Thursday, October 18, 2001. We are just finishing all the lists and as soon as they are ready, the names will be on the web site and in the next newsletter. Top Ten Books will then be sent to the teams.

REGISTRATION: About 45 teams have returned the yellow "pre-registration" form which was sent to each team in August. These teams have received their registration packets and have had their contact addresses updated if necessary. Please return your form as soon as possible. If you need a new one, contact the office.

The Board of New England Swimming will meet on Tuesday, October 9, 2001 at 7 pm at the Wellesley (MA) Community Center. There will be no meeting of the Board in November; the December meeting will be Tuesday, December 11, 2001.

A Message From The Officials Chair

This is just a quick note to introduce myself as the new Officials Chair for New England Swimming. It is my duty, as Officials Chair, to make sure that NES officials meet the high standards that USA Swimming requires of its officials. I believe that NES officials are already among the most knowledgeable and capable swimming officials in the country. With your support we can be even better!

I am now in the process of forming an Officials Committee for New England Swimming. This committee will be responsible for a variety of things, including recruiting, retaining and promoting officials, training new and current officials, and communicating rules and procedures to all NES officials. In a large LSC such as New England, communication can sometimes be difficult. Hopefully, communication of news and information that concerns officials will be improved with the implementation of an Officials Committee, together with the use of an Officials Liaison for NES registered teams. More information on the Team Officials Liaison was sent out to all NES teams with the new registration materials.

I am quite happy with the state of officials in NES. But, there are still some problem areas that will require a lot of attention. For example, we still find ourselves short staffed at some swim meets. Poor staffing is a problem because it is difficult to run a meet properly without a full deck of officials. This has the potential to hurt our swimmers because they will not be accustomed to the procedures and rule enforcement that are in place during a properly officiated meet. We don't want our swimmers to be surprised and unprepared when they attend a large meet within our LSC or one outside of New England.

Two immediate goals that I have set for NES are to increase the number of certified officials in New England Swimming and to ensure that all NES swim meets have a sufficient number of officials. Please help us achieve these goals. If you are not already an official, please consider becoming one. If you are an official already, please consider training for a higher position, and try to work more meets than you did last year.

Please watch *Newsletter Plus* for future news concerning officials. I look forward to continuing to work with all of you.

REIMBURSEMENT POLICY FOR NATIONAL AND SECTIONAL MEETS, 2001--2002

ATHLETE REIMBURSEMENT POLICY:

A New England registered swimmer who qualifies for and swims in an individual event at the US Open will be reimbursed \$150 by New England Swimming. A New England registered swimmer who qualifies for and swims in an individual event at National Championships will be reimbursed \$300 by New England Swimming. A New England registered swimmer who qualifies for and swims in an individual event at the Disability Championships will be reimbursed \$300 upon request. Disabled swimmers are strongly urged to participate in New England meets. However, the Board will consider waiving the minimum meet requirement on a case by case basis. A New England registered swimmer who qualifies for and swims in an individual event at the Sectional Meet will be reimbursed. For this meet, an amount of \$5,000 will be shared by the qualified swimmers who apply and submit receipts within the eight week period, with a maximum of \$50 per swimmer.

During the short course season a swimmer must fully participate in three New England calendar meets to be eligible for reimbursement. During the long course season a swimmer must fully participate in two New England calendar meets to be eligible for reimbursement. "Full participation" means participation in all or at least two days of competition and at least one individual event at each day of participation.

If the New England Senior Championships is in place with a named facility by a certain date (90 days preceding the first day of the meet for long course; 120 days preceding the first day of the meet for short course), mandatory participation in the Senior meet is required in order for a swimmer to receive reimbursement. The New England Board may waive this requirement for good cause, such as illness or conflict with the National Team requirement. This requirement will be waived for short course.

A swimmer must request the reimbursement within eight weeks of the meet. The request must include the stub from the swimmer's plane ticket or receipt of other expense to equal or exceed the amount of requested reimbursement.

To be eligible for reimbursement, an athlete must have been registered in New England and have competed in a New England calendar meet at least six months prior to the meet for which reimbursement has been requested.

Waivers for the US Open and National Championships: A swimmer who does not participate in three New England calendar meets during short course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the long course season. A swimmer who does not participate in two New England calendar meets during the long course season may request a waiver for a championship meet during that season only if he/she participates in three New England calendar meets during the short course season. All requests for waivers will be considered following the long course season.

Waivers for the Sectional Meets: For the Sectional Meets there will be no waivers.

COACH REIMBURSEMENT POLICY:

For each team that sends a swimmer to the National Championship, the Disability Championships, or the US Open, New England Swimming will provide \$150 to reimburse coach

expenses. The \$150 per team may be used to reimburse one coach or be split among several team coaches at the team's discretion. The team will have to provide New England Swimming with receipts for coach expenses that equal or exceed the \$150 reimbursement.

For the Sectional Meet an amount of \$1,500 will be shared by the coaches who attend the meet and apply and submit receipts within the eight week period (one coach per team) with a limit of \$100 per coach.

NEW ENGLAND SWIMMING ANTI-RECRUITING POLICY

Active recruiting – the solicitation of an athlete of one USS member club by another USS member club – is contrary to the best interests of New England Swimming and its more than 5000 athlete members.

USS member clubs within New England Swimming shall be prohibited from directly or indirectly soliciting or encouraging an athlete of another USS member club to leave his or her existing member club to join the soliciting club. This anti-recruiting policy shall prohibit a USS member club officer, employee, or coach from directly or indirectly initiating contact with an athlete from another USS member club in New England Swimming, or the athlete's family, with the intent that the athlete join the soliciting club.

For any new USA Swimming club, conduct in violation of this rule in the year prior to becoming a USA Swimming Club may result in the sanctions provided herein.

The intent of this anti-recruiting policy is to prevent organized and club-sanctioned efforts to persuade a member of one USS member club to leave his or her member club to join the other member club. It is not the intent of this anti-recruiting policy to prevent athletes or parents of athletes of one member club from initiating contact with coaches, officials or athletes of another member club for the purpose of inquiring about joining the other member club. Once such contact is initiated, the restrictions of this anti-recruiting policy shall not apply to any contact with that athlete or family by that member club. Nor is it the intent of this anti-recruiting policy to prevent athletes or parents of athletes from different clubs from discussing any aspect of their respective USS member clubs, or incidental contact, such as may occur at a competition when a coach, parent, or athlete of one club offers to congratulate an athlete from another club. However, any such activities which are shown to have been promoted, encouraged or facilitated by a USS member club officer, employee or coach with the intent of recruiting shall be in violation of this anti-recruiting policy and subject the member club and/or its coach to the sanctions of this anti-recruiting policy.

Nothing in this anti-recruiting policy shall prevent a USS member club from conducting self-promotional activities such as advertising, team tryouts or camps for the purpose of recruiting athletes, as long as there is no direct solicitation of athletes of another member club.

Violation of the this anti-recruiting policy may be reported to the New England Swimming Board of Review which, upon review of the complaint, may conduct hearings under the by-laws of New England Swimming. Any USS member club or USS member coach found to have violated this anti-recruiting policy may be suspended from New England Swimming for up to one year for a first offense and for up to two years for a second or subsequent offense. Suspension of a member coach for a violation of this anti-recruiting policy shall prohibit that coach from being on deck for any USS competition sanctioned by New England Swimming during the period of suspension. Suspension of a USS member club for a violation of this anti-recruiting policy shall not prohibit the registration of the

club, athletes or coaches, but shall prohibit the member club from competing as a team in USS competition sanctioned by New England Swimming, including all championship competition during the period of suspension. Athletes registered with any such suspended club may compete in any USS competition sanctioned by New England Swimming, but may do so only as an unattached athlete.

This policy is in addition to the requirements of USA Swimming. Please refer to the Code of Conduct printed in the USA Swimming Rules and Regulations, sections 304.1, 304.2 and 304.3.13.

Meet Data Management

The following activities relate to the posting of the meet, accepting entries and publishing results.

Create the meet invitation

Be sure to include the following milestone dates:

- The first day that entries will officially be accepted. This must be at least four days after the meet is posted on the New England Swimming website. They can be received before this date, but this date will count as the first day of acceptance of entries.
- The last date that entries will be accepted for the meet.

Other information that should be in the invitation

- What are acceptable payment options and how do they affect the acceptance date of the entry. The New England Swimming policy is that the date of your e-mail is the date of your entry assuming that your check arrives within 4 days of the e-mail entry excluding Sundays and holidays. If the check does not arrive within the required time, the date that your check arrives is the date your entry is considered received.
- Ensure that a hard copy of the entry and release form are sent with the check. (Some teams are forgetting to send the release form.)
- State clearly your policy on updating times. The invitation should define the acceptable format and the deadline for receiving updated times. *Think this one over carefully before you commit to anything. New England Swimming encourages teams to accept updated times but it does not require host teams to do so.*
- It should be clear in the invitation whether you will accept entries on disk in addition to e-mail entries. *It is extremely important that the computer that is being used to accept the entries, either via e-mail or on a disk have an up-to-date virus checking program running. The teams sending entries must also ensure that the files that are sent are virus free.*
- It should be made clear that entry files have to be in a standard meet entry format, either .cl2 or .sd3. *You do not want a text file of an entry that you have to type in by hand.*

Information regarding the invitation and entries

- A hard copy of the meet invitation **will not** be sent to individual teams in the New England LSC. *The sole required announcement of the meet is on the current season meet calendar of the New England Swimming Website.* Teams may request a hard copy of the invitation by contacting the host team.
- Teams entering meets must be notified by the host team within 7 days of the receipt of the entry if they are in the meet or if they have had to be cut from the meet because of over subscription.
- If a team is cut from a meet, the entry fees must be returned in a timely fashion.
- As soon as the meet is full, the host team must notify the webmaster so that the calendar can reflect this.

Send the following information to the webmaster

- The date when the webmaster is to post the meet invitation on the web.
- The meet invitation. To post the invitation she needs a file in Word format, a text file or a PDF file. If you have the document posted on your own website, a URL to that document will work. **A link to the home page of your team is not acceptable.** The meet invitation must be sent to the webmaster seven days in advance of posting. If significant reformatting of the invitation is required, the host team will be billed for this activity by the webmaster. *It is important to note that this invitation is the only way teams are going to know about the meet.*
- Also, if possible, e-mail to the webmaster a file containing the events of the meet that can be imported directly into team management programs. Most Meet Management programs will do this.
- If you have the capability, send a PDF file of the entry to the webmaster. *This is a format that can be easily printed*

Getting the results to the masses

- If you are using hy-tek send a flat html file of the results to webmaster. This must be done within three day of completion of meet.
- Send a file of the results that can be imported into Team Management Programs to the Webmaster. *It is best if this is in the zipped file format.*
- If you have the capability, send a PDF file of the results to the webmaster in case a team wants to print out a copy.
- Eight printed copies of the results are to be sent to the New England Swimming office.
- The former practice of selling a copy of the results is still at the option of the host team.

TECHNICAL COMMITTEE REPORT:

At its meeting on September 18, 2001, the Board of New England Swimming accepted the following recommendations of the Technical Committee:

OPEN CHAMPIONSHIPS: Time standards will be more difficult, and athletes will be limited to 9 events. In order to balance the sessions, the 1500 for girls and the 800 for boys will be offered one day, and the 1500 for boys and the 800 for girls will be offered on a different day. The question of scoring high points for 13 and 14 swimmers will be revisited before long course. No awards for 13 and 14 swimmers will be added for this past season.

EXHIBITION SWIMS: There will be no exhibition swims at Championship Meets.

ADMINISTRATIVE DQ'S: Coaches at the Open Championships will be encouraged to scratch swimmers rather than request administrative DQ's.

TIME TRIALS: All "end of season" meets will offer time trials at the discretion of the Meet Referee. The meet invitations will reflect this policy. There will be no sanction fee charged for the time trial sanction for the teams running these meets.

New England records can be set at time trials at calendar meets. Beginning with short course 2001--2002, Top Ten Times can be achieved at time trials at Championship Meets. All time trials must be published with results.

Fees for time trials will be no more than \$5 for individual events and \$10 for relays.

CHAMPIONSHIP MEETS: The fees for trials and finals championship meets will increase:

The cost for timed finals championship meet events will be as follows:

Individual events,	\$3	(\$3.50 for hand entries)
*Distance events,	\$5	(\$5.50 for hand entries)
Relays,	\$7	

The cost for trials and finals championship meet events will be as follows:

Individual events,	\$4	(\$4.50 for hand entries)
*Distance events,	\$5	(\$5.50 for hand entries)
Relays,	\$7	

*400 and longer

At 12 and under Age Groups, swimmers will be limited to 9 events. Relays will be limited to 2 per team per event. 200's will continue to be offered at 12 and under. Tentatively, the 1650 will be offered on Thursday and the 1000 on Sunday. There will be different time standards for the Age Group meets and the Open Championships for short course and long course.

The acceptance of late entries will be at the discretion of the meet director of each championship meet.

AGE GROUP QUALIFIERS: Time standards for the Age Group Qualifiers will extend up to the time standards for the Sectional meet.

TIMERS: Timers may be assigned for the Age Group Qualifiers and all other "end of season" meets (bronze, districts, age group, senior and open championships). Teams may ask for volunteers for other meets, but may not assign timers. Teams that violate this requirement may be refused future meets.

CONGRATULATIONS to the AGE GROUP STAFF of OCEAN STATE SWIMMING who received the "ASCA Age Group Coach of the Year" award for New England. They were nominated by their fellow coaches in New England and the award was presented recently at the ASCA Conference in New Orleans, Louisiana.

NEWSLETTER PLUS SUBSCRIPTIONS: Please check the expiration date of your subscription to NEWSLETTER PLUS. Subscriptions may be ordered through the New England Office for \$10 per year. Clubs do not have an expiration date on their labels since all registered clubs receive one free subscription with their registrations.

SEED CARDS: Since all New England meets have become computer driven, the New England Swimming Office has gone out of the seed card business.

D Q SLIPS: We are, however, still in the DQ Slip business. Triplicate D Q forms are available from the New England Office in packs of 250 for \$20 a pack plus \$4 for postage if mailed. As we strive toward perfection, perhaps D Q slips will become obsolete in the future, also!!

NEWSLETTER PLUS

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

OCTOBER 2001

IN THIS ISSUE: SHORT COURSE AND LONG COURSE OUTSTANDING SWIMMERS AND TOP TEN SWIMMERS; BANQUET INFORMATION AND RESERVATION FORM., SAFETY TRAINING FOR SWIM COACHES....

TOP TEN BANQUET

TOP TEN BANQUET: The Top Ten Banquet will be held on Sunday, October 28, 2001 at The Mill House, 810 Merrimack Avenue (Route 110), Dracut, MA. From Route 93 take exit 46, Route 110 Dracut-Lowell. The restaurant is 3½ miles on the right with the banquet entrance in the rear.

TOP TEN: Please share the Top Ten information in this newsletter with your team and encourage them to make reservations early.

Top Ten Times are compiled using results from New England calendar meets held during the past year. Short course (25 yard) times run from June 1, 2000 through May 31, 2001; long course (50 meter) times run from October 1, 2000 through September 30, 2001.

In addition to the New England sanctioned calendar meets, we also use times from out of district sanctioned meets if the results are sent to the office and if the meet is open to all USA Swimmers. We consider all times from the meet--trials, finals, and swim-offs--except time trials. We also consider lead-off splits from individual events and relays when they are printed in the results.

We do not include meets that are closed--restricted to certain teams, league members, etc. For this reason, we do not consider high school meets, "Y" meets, etc.

OUTSTANDING SWIMMERS are those who have accumulated the most points through their top ten standings. The scoring is as follows:

STANDING:	1	2	3	4	5	6	7	8	9	10
POINTS:	12	9	8	7	6	5	4	3	2	1

TOP TEN BOOKS will be sent to all New England teams as soon as they are ready. Books will be available for purchase at the banquet for \$2.50 for each season or by mail for \$3.00 each, including postage.

The Board of New England Swimming will meet on Tuesday, October 9, 2001 at 7 pm at the Wellesley Community Center, Wellesley, MA. The Board will not meet in November, but will meet on Tuesday, December 11, 2001.

Web Site Database for New England Swimming

The board of directors has arranged to have a web searchable database of results available to swimmers, coaches and parents on the web. This site allows us to search for results in many different formats such as by individual swimmer, event, club, date or top times. In addition, times for individuals can be downloaded to your computer in a format that is compatible with most common spreadsheets and databases. Not all meets from the past season are included in the database but ones that were available are included. There are also some meets from the current season in the database. Hopefully, by the time you read this, the meets from weekend of November 4 will be included. IT IS IMPORTANT TO NOTE THAT THESE RESULTS ARE NOT OFFICIAL AND ARE NOT TO BE USED FOR VERIFICATION IN ANY WAY. If a time is incorrect, the coach of the swimmer whose time is incorrect should be notified.

Note to meet managers

When you get the meet results file for downloading (in cl2 or sd3 format) or the link to that file to the webmaster for posting on the New England Swimming web site, please send me an email telling me that this has been done. I will then add the results of your meet to the database.

New England Swimming has no control over the capabilities of this site but we would still be interested in comments and suggestions that you may have. Hytek has been very responsive in the past to our suggestions.

Web Committee Chair

TOP TEN BANQUET: Over 500 swimmers, parents, and coaches attended this year's Top Ten Banquet at The Mill House in Dracut, MA. The speaker was SAMANTHA ARSENAULT, Greenwood Memorial Swim Club member, University of Michigan student, and a Gold Medalist in the 800 free relay at the 2000 Olympics in Sydney, Australia. Thank you to the members of the board who heaped make everything run smoothly--Bruce Mohl, Pam Warner, Isabelle Fraser, Marielle Allard, Priscilla Davis and the Athlete Representatives, Laura Blackwell and Joanne Gallahue, who also addressed the group.

ARTICLE 103, FACILITIES STANDARDS: Included in this newsletter is the information which has been sent to all USA registered teams concerning water depth for teaching racing starts. The information refers to a FAQ (frequently asked questions) sheet which has not been received by the office at this time.

The Board of New England Swimming will meet at 7 pm on Tuesday, December 11, 2001 at the Wellesley Community Center, Wellesley, MA. There will be no November meeting.

SCHOLASTIC ALL AMERICA TEAM: CONGRATULATIONS to STEPHEN SPINELLI and NIKKI WOODWARD, both of PVAC, who have been named to USA Swimming's Scholastic All America Team. Swimmers are selected based on their GPA and their rankins at National meets, sectional level and above.

as well as be published separately.

103.1 DEFINITIONS *[no change]*

103.2 WATER DEPTH *[was part of 103.2.3 Racing Course Dimensions/ now a separate section]*

.1A /NC/ 2 meters (6 feet 7 inches) deep throughout the course.

.2 /M/ Teaching Racing Starts - Minimum water depth for teaching racing starts in any setting from any height starting blocks or the deck shall be 5 feet (1.53 meters) measured for a distance of 3 feet 3 ½ inches (1.0 meter) to 16 feet 5 inches (5.0 meters) from the end wall.

.3B /M/ Racing Starts - Minimum water depth for racing starts during practice and competition and practice shall be measured for a distance 3' 3 ½" (1.0 meter) to 16'5" (5.0 meters) from the end wall. Starting requirements and height of starting blocks shall be:

A(1) In pools with water depth less than 3' 6" (1.07 meter) at the starting end, the swimmer must start from within the water;

B(2) In pools with water depth 3' 6" (1.07 meter) to less than 4' (1.22 meter) at the starting end, starting platforms shall be no more than 18" (0.46 meter) above the water surface;

C(3) In pools with water depth 4' (1.22 meter) or more at the starting end, starting platforms shall meet the height requirements of Section 103.11.1.

Note: Local, state and municipal statutes, ordinances, rules and regulations may have depth limitations in conflict with this Section 103.2.3. The LSC and all Member clubs should check for this at all times.

SUBJ: Changes in Water Depth Legislation

On September 14, 2001, the USA Swimming House of Delegates approved an amendment to the facilities standards section of the *USA Swimming Rules and Regulations* regarding water depth. This amendment has an effective date of November 1, 2001. Thus, we are giving you notice of this change now.

You may have questions after reading the changes. We are preparing an FAQ (frequently asked questions) sheet, which should answer your questions. As soon as it is ready, we will distribute it to all involved as well.

Part of the new language states "Minimum water depth for teaching racing starts in any setting from any height starting blocks or the deck shall be 5 feet ..." Please note that "in any setting" includes both practice and competition. It implies as well that teaching of racing starts must be under the direct supervision of a USA Swimming coach member.

After you receive and read the FAQ sheet, you may have a question. Please feel free to e-mail your question to me at pcarney53@earthlink.net. USA Swimming will respond appropriately.

NOVEMBER 2001

MEET DIRECTORS' SYMPOSIUM: USA Swimming is hosting a Meet Directors' Symposium on January 10--11, 2002 at the US Olympic Training Center in Colorado Springs. It is designed for meet directors of all levels from developmental events through Nationals Championships.

The cost is \$90 per person which includes meals and materials. Participants are responsible for their own transportation. More information and registration forms are available from the NE Office. Registrations are due by December 3, 2001.

FOR YOUR INFORMATION.....

CHINA CULTURAL EXCHANGE TRIP: A China Cultural Exchange Trip has been organized by the China Swimming Federation & America-China Cultural Exchange & Sports Services (ACCESS) and is being offered to the Eastern Zone of United States Swimming.

The dates for trip 1 are July 31--August 10, 2002; the dates for trip 2 are August 7--17, 2002. Participants will visit Beijing and Shanghai for practices, meets, and cultural activities and tours. An overview of the trip for those desiring more detailed information will be held Saturday, January 5, 2002 at 4:00 pm at the Springfield (MA) College Pool.

If you have questions you may contact Benjamin Li at 413-788-9888 (phone) or 413-567-0276 (FAX) or Isabelle Fraser at fraswim@aol.com.

AN OFFICIAL PUBLICATION OF NEW ENGLAND SWIMMING, INC.

DECEMBER 2001

IN THIS ISSUE: MEET DATA MANAGEMENT; ASSIGNMENT OF TEAMS FOR "END OF SEASON" MEETS; "END OF SEASON" MEET INFORMATION; APPLICATION TO OFFICIATE AT THE SECTIONAL MEET.

COMING IN THE JANUARY NEWSLETTER: INFORMATION AND APPLICATION FOR THE EASTERN ZONE MEET

MEET DATA MANAGEMENT:

The Meet Data Management document which was printed in the September Newsletter has been reprinted in this issue. There was some confusion about when email entries will be accepted. When the entry is posted on the web site, there is a stated number of days before entries from teams will be accepted. (The minimum number of days is four.) During that period, teams may submit entries, but they are all considered to be received on the first day of acceptance. If the meet is oversubscribed on this first day of acceptance, a "lottery" must be held to determine which of the entries will be accepted. If a team running the meet is uncomfortable with running the lottery, the New England Office will do it for the team.

STROKE AND TURN CLINIC:

SATURDAY, JANUARY 12, 2002, Easthampton, MA. This clinic is for new officials and those who wish to renew. The snow date will be January 13, and the facilitator is Paul Maker. Contact Rick Kroll at rkroll@MtHolyoke.edu for time, place, and rescheduling in case of bad weather.

OFFICIALS: We encourage all certified officials to volunteer to work at the "end of season" meets. Be sure that your name and sessions that you are willing to work are submitted at the time the team enters the meet. That way, your sessions will be included when the timers for your team are calculated.

The Board of New England Swimming will meet on Tuesday, January 15, 2002 at 7:00 PM at the Wellesley Community Center, Wellesley, MA. If there is a question about weather on that night, please contact the New England Office.

"END OF SEASON" MEET INFORMATION:

February 8--10: BRONZE CLASSIC (2 sites, teams to be assigned)

NSSC--Minuteman Vocational High School, Lexington, MA

EB--White Brook Middle School, Easthampton, MA

NOTES: timed finals, all ages included, 9 individual events, 5 per day, no relays

February 16--17: EIGHT and UNDER AGE GROUPS (2 sites, teams to be assigned)

NCAC--Dartmouth College, Hanover, NH

NSSC--Salem State College, Salem, MA

NOTES: timed finals; 9 individual events, 5 per day; relay only swimmers allowed.

There will be high point plaques for individuals, but no scoring or high point awards for teams. Swimmers may qualify at Bronze.

February 22--24: AGE GROUP QUALIFIER, SAC, Keefe Technical School, Framingham, MA

NOTES: timed finals; 9 and over swimmers; time standards up to Sectional cuts

February 28--March 3: 9--12 AGE GROUPS, NSSC, Salem State College, Salem, MA

NOTES: timed finals for 9--10, trials and finals for 11--12; 9 individual events, 5 per day for 9--10, 3 per day for 11--12; relay only swimmers allowed; new distance events included.

March 7--10: Sectionals, Long Island, NY

March 14--17: 13 and OVER AGE GROUPS, ABF/RAMS, University of Rhode Island, South Kingstown, RI

NOTES: trials and finals; 9 individual events, 3 per day; relay only swimmers allowed

March 19--23: National Championships, University of Michigan

March 22--24: DISTRICTS (2 sites, teams to be assigned)

NCAC, Dartmouth College, Hanover, NH

SSSC, Medford High School, Medford, MA

NOTES: swimmers 9 and over; timed finals; 9 individual events, 5 per day; no relay only swimmers. The first Saturday session at SSSC will begin in the afternoon to be followed by the second session in the late afternoon. The order of events at both NCAC and SSSC will remain the same with the exception of the 1650 which will be on Saturday at NCAC and Sunday at SSSC.

ASSIGNMENT OF TEAMS: Teams will be assigned to the meets that have two sites (Bronze, 8 and under Age Groups, Districts). Swimmers that are UN should contact the office for assignment.

A reregistering team that expects to participate in any of these meets must be fully registered by January 15, 2002 including a fully certified coach (CPR, First Aid, Safety Training for Swim Coaches and education requirement if not grandfathered), registered athletes, and all fees paid. Any reregistering team that does not adhere to this deadline will be required to swim all swimmers in these meets as "unattached" with no team points or relays.

TIMERS and OFFICIALS: In order to facilitate the smooth running of the meets, host teams will assign timers for all "end of season" meets, including the Age Group Qualifier. The assignment will be based on the number of swimmers per team in the meet. Officials volunteering to work in a meet will be counted toward the timing assignment IF the official's name and sessions to be worked are submitted with the team's entry to the meet. Officials are expected to work the sessions volunteered unless they hear otherwise from the meet management.

All officials must display their New England membership cards while on deck.

Create the meet invitation

Be sure to include the following milestone dates:

- The first day that entries will officially be accepted. This must be at least four days after the meet is posted on the New England Swimming website. They can be received before this date, but this date will count as the first day of acceptance of entries. **If the meet is oversubscribed at the end of the first day entries are accepted, a lottery must be used to choose the teams that can be entered into the meet.**
- The last date that entries will be accepted for the meet.

Other information that should be in the invitation

- What are acceptable payment options and how do they affect the acceptance date of the entry. The New England Swimming policy is that the date of your e-mail is the date of your entry assuming that your check arrives within 4 days of the e-mail entry excluding Sundays and holidays. If the check does not arrive within the required time, the date that your check arrives is the date your entry is considered received.
- Ensure that a hard copy of the entry and release form are sent with the check. (Some teams are forgetting to send the release form.)
- State clearly your policy on updating times. The invitation should define the acceptable format and the deadline for receiving updated times. *Think this one over carefully before you commit to anything. New England Swimming encourages teams to accept updated times but it does not require host teams to do so.*
- It should be clear in the invitation whether you will accept entries on disk in addition to e-mail entries. *It is extremely important that the computer that is being used to accept the entries, either via e-mail or on a disk have an up-to-date virus checking program running. The teams sending entries must also ensure that the files that are sent are virus free.*
- It should be made clear that entry files have to be in a standard meet entry format, either .cl2 or .sd3. *You do not want a text file of an entry that you have to type in by hand.*

Information regarding the invitation and entries

- A hard copy of the meet invitation will not be sent to individual teams in the New England LSC. *The sole required announcement of the meet is on the current season meet calendar of the New England Swimming Website.* Teams may request a hard copy of the invitation by contacting the host team.
- **Teams entering meets must be notified by the host team within 7 days of the receipt of the entry if they are in the meet or if they have had to be cut from the meet because of over subscription.**
- If a team is cut from a meet, the entry fees must be returned in a timely fashion. *within 4 business days of when the team is notified that it is being cut.*

QUALIFYING FOR "END OF SEASON" MEETS: Qualifying times may be achieved at New England calendar meets and at most other meets (high school, Y, boys and girls clubs, rec leagues) if there are results either brought to the meet or sent to the office. (See verification rules below.) Time trials or dual meets may be used if there are at least two teams with at least five swimmers from each club and if the referee signs the results.

There is no minimum number of New England meets in which a swimmer must participate in order to enter an "end of season" meet. However, if a swimmer wishes to swim with the Zone Team or receive reimbursement for Sectionals, US Open, or national championships, he/she must participate in three new England calendar meets during the season (two during long course season).

VERIFICATION: There will be a verification table at 9--12 Age Group Championships and 13 and over Age Group Championships. At these meets teams must submit to the verification table a copy of their meet entry with verification of all times indicated. Teams must also include a copy of any non-New England calendar meet results used for entry times.

At the 8 and under Age Groups, Bronze, and District meets, there will be no verification table, but teams are expected to have a copy of the meet entry with verification of times indicated and a copy of any non-New England calendar meets used in case they are asked for verification by the meet management

COACHES ON DECK: Any "coach" on deck at a New England meet who does not display his/her valid 2002 membership card will be asked to leave the deck, without exception. The referee will make a list of these "coaches" which will be sent to the office to be checked. If a "coach" who was asked to leave the deck is not fully registered (current certifications in CPR, First Aid, Safety Training for Swim Coaches and completed education requirement for second year coaches), the "coach" will be fined \$100 and the team \$200 to be paid within 30 days. Any "coach" who refuses to leave the deck will cause the team's swimmers to swim unattached for the remainder of the meet.

TIME TRIALS: All "end of season" meets will offer time trials at the discretion of the Meet Referee. New England records can be set at the time trials at calendar meets. Beginning with short course 2001--2002, Top Ten Times can be achieved at time trials at Championship Meets.

EXHIBITION SWIMS: There will be no exhibition swims at Championship Meets.

- As soon as the meet is full, the host team must notify the webmaster so that the calendar can reflect this.

Send the following information to the webmaster

- The date when the webmaster is to post the meet invitation on the web.
- The meet invitation. To post the invitation she needs a file in Word format, a text file or a PDF file. If you have the document posted on your own website, a URL to that document will work. **A link to the home page of your team is not acceptable.** The meet invitation must be sent to the webmaster seven days in advance of posting. If significant reformatting of the invitation is required, the host team will be billed for this activity by the webmaster. *It is important to note that this invitation is the only way teams are going to know about the meet.*
- Also, if possible, e-mail to the webmaster a file containing the events of the meet that can be imported directly into team management programs. Most Meet Management programs will do this.
- If you have the capability, send a PDF file of the entry to the webmaster. *This is a format that can be easily printed*

Getting the results to the masses

- If you are using hy-tek send a flat html file of the results to webmaster. This must be done within three day of completion of meet.
- Send a file of the results that can be imported into Team Management Programs to the Webmaster. The format of this file is .cl2. *It is best if this is in the zipped file format.*
- Send an email to whitney@seacoastswimming.com stating that you have sent the results to the webmaster at New England Swimming. **DO NOT SEND THE CL2 FILE TO THIS ADDRESS.**
- If you have the capability, send a PDF file of the results to the webmaster in case a team wants to print out a copy.
- Eight printed copies of the results are to be sent to the New England Swimming office.
- The former practice of selling a copy of the results is still at the option of the host team.

WEB SITE DATABASE FOR NEW ENGLAND SWIMMING:

The Web Site Database has been very popular. At the present time we are posting New England Swimming calendar meets. This policy may be expanded in the future and will be discussed at the next New England Swimming Board meeting. If there is an error in the data (or the spelling of names), please speak with your coach.
