

The Granite YMCA Allard Center in Goffstown, NH is currently seeking a Head Coach for our competitive swim team program. Our philosophy is promote spirited competition, build strong character, and continuously work to challenge swimmers to be the best they can be.

The Tiger Sharks swim team is for children ages 6-18 years old. The multi-tiered structure is designed to provide opportunities for varying abilities. The Tiger Sharks swim team is a year-round competitive program, USA Registered swim club and member of the Eastern Mass. YMCA Swim league. This position also oversees our Adult Masters swim program and provides leadership/support to the aquatics department.

This position is primarily responsible for the planning, organizing, directing, budgeting and evaluating the Tiger Sharks Swim Team and the Masters swim team in accordance with the mission, purposes and policies of the association, under the supervision of the Aquatics Director.

The successful candidate must be able to delegate, supervise, and direct program staff to accomplish the association's short and long-term goals. Additional responsibilities include recruiting, providing orientation, training and supervising all staff, both paid and volunteer, related to his/her area of responsibility. Will plan, organize and evaluate adult aquatic programming with intentional focus on fitness. Will support Instructional Aquatics through lifeguarding and class instruction as needed, provide excellent leadership, sportsmanship and communication to the youth and families of the Tiger Shark Swim Team program and other members.
