MULTIPLE MEETS, SAME VENUES:

- Swimmers and Coaches who compete in both the 2021 LCM Phillips 66 National Championships and the 2021 LCM Junior National Meet if held at the same site may be reimbursed a maximum of the full amount for the Nationals and ½ the amount for Junior Nationals.
- Swimmers who compete in both National and Junior National Open Water events receive the higher of the two reimbursements.

ELIGIBILITY: To be eligible for reimbursement, an athlete must have been registered in New England Swimming, and have fully participated in a New England Swimming calendar meet twelve months prior to the meet for which reimbursement has been requested. Swimmers must fully participate in a total of:

- two New England Swimming Calendar meets during the LCM season immediately preceding the meet for which requesting reimbursement, or,
- three New England Swimming Calendar meets during the SCY season immediately preceding the meet for which requesting reimbursement, or,
- a total of five New England Swimming Calendar meets during the year immediately preceding the meet for which requesting reimbursement.
- Post High School athletes are eligible if they were registered members of New England Swimming for at least the full year before they went to college and if they meet all the above criteria.

Both the SCY and LCM Senior meet counts as two meets.

This policy reimburses swimmers who qualify and compete in an individual event, not relay only and not time trial only swimmers.

Coaches who attend these meets without an eligible swimmer do not qualify for reimbursement.

FULL PARTICIPATION: “Full Participation” means participation in all or at least two days of competition and at least one individual event at each day of participation. In the case of a one day meet, full participation means at least two individual events. This restriction does not apply to a one-day distance meet.

REIMBURSEMENT REQUESTS: All requests for reimbursement must be made within 30 days of the last day of the meet.

The request must include receipts (plane ticket, hotel, etc.) to equal or exceed the amount of the requested reimbursement. These receipts must include the name of the athlete. Incomplete requests will be returned.

WAIVERS: *There will be no waivers.*
