MEET FORMAT: The meet will be swum timed finals on Friday, Saturday and Sunday. Each session will be seeded by computer based on positive check-in at the beginning of each session. Coaches will receive a positive check-in sheet before each session, which must be returned no later than 30 minutes before the beginning of the session. Heat sheets will be posted around the pool deck. Coaches will be able to pick up heat sheets for each event at the control office. Coaches are responsible for ensuring their swimmers are in the correct heat and lane. The 1650 freestyle will be swum fast-to-slow, alternating heats of women and men. Swimmers must provide their own timer for the 1650 FR. No events will swim 2 per lane.
