3. Zones Update:

- a. Pool- Pepper reported: 77 applicants for the meet. Scoring is underway.

4. AGE GROUP STATE: Recap

- a. Standards for 2021-2022
- b. Hugh- 20 or 30 teams who had no clue what it took to do this meet, then did not educate their parents. We have not abided by the parameters that were given to us from Georgia Tech. We had too many officials on deck at anytime, then we had too many coaches on deck. 550 was our limit, and we opened the small window, but have had many parents breaking the rule. The coaches are not following the rules. Committee waited too long to make a decision on how we were going to run the meet. HOW TO DEVELOP MEET INFORMATION IN THE BOARD-
- c. Single age standards and double age events. Cannot run proof of time for the meet because of how we swim.
- d. Bonus swims need to be noted as bonus events so we can do proof of time.
- e. Event limits- 11-12s are worth more because of the amount of events that they are allowed to swim. We need to reevaluate how we are looking at the triple a 13-14, and the 11-12s swimming.
- f. **MOTION: Combine time standards to 11-12, 13-14 for the 2021-2022 Year. Second: Graves, motion passed**

5. GA Swimming Goals- What is our goal for the age group program for georgia swimming? Creating a meet subcommittee to reevaluate the state championship meet.
