APPENDIX A

QUESTIONS AND ANSWERS ABOUT RESOLVING DISPUTES

INTRODUCTION

Members (and non-members) of USA Swimming who disagree with a decision or an action of taken by a meet official or any other LSC officer or who have a swimming-related dispute with another member may appeal those decision, or may submit those disputes, for resolution to the Zone Board of Review. The Zone Board of Review is responsible for resolving these disputes quickly, fairly and with due process.

The purpose of this Appendix is to help with the details of preparing and filing complaints and appeals, and handling a Petition as a Zone Board of Review member. Violation and interpretations of the Rules and Regulations of USA Swimming (the "Rules") and the Bylaws of the LSC can have serious consequences or involve relatively minor matters. The consequences can range from being barred from membership due to inappropriate recruiting to whether a club should be penalized for being slow in distributing final meet results. Yet, to the people involved, each dispute, each incident is just as important as the other.

Because serious matters are being handled by the Zone Board of Review. The details of preparing and filing complaints and appeals, and handling a Petition as a Zone Board of Review member are contained in Part Four of the Rules, thus making them more accessible to the membership. Many of the sections may appear to be written in "legalese," but that was done to insure that--as much as possible--they would be interpreted uniformly, consistently and correctly. While the language may be technical, the ideas behind the Zone Board of Review provisions are simple and basic. Anyone with a problem should receive a fair, impartial hearing and have the problem resolved promptly and with due process.
