Motion: To amend the Rules and Regulations 5.2.5 to:

5.2.5 Any changes or modifications to the meet announcement must be addressed prior to issuance of the sanction. Likewise any changes sought by the sanction committee should be approved by the host prior to issuance of the sanction. Furthermore any change to State Championship meet information should be approved by the governing committee prior to the issuance of any sanction.

Rationale: To ensure that the original intent of the Senior or Age Group committees is preserved throughout any changes made to the meet info during the sanctioning process
