

# Pick 1: Because Kids Matter

Kids matter, so safety matters. There's just 1 option for June's "Pick 1." This month, each Utah Swimming club is asked to choose a person to be their Club Safe Sport Coordinator by June 21 and give the name and contact information for this person to the LSC Safe Sport Chairperson. The primary responsibility of the Club Safe Sport Coordinator is to increase awareness and use of USA Swimming's Safe Sport principles, policies and practices within your club. Support, information and help are available from the LSC, Zone and USA Swimming Safe Sport volunteers and staff.

**June goal: Each club choose a person to be their Club Safe Sport Coordinator by June 21. Give the name and contact information for this person to the LSC Safe Sport Chair.**

**Principle of the Month: A functioning Club Safe Sport Coordinator can increase the awareness and use of Safe Sport principles and policies within your club. Result? Increased athlete safety.**
