### Swimming Experience

I was born and lived my younger years on Oahu, Hawaii. I learned to swim in a tiny pool on the campus of BYU-Hawaii where my parents went to school and worked. We moved to Utah when I was 8 years old. I was always a good swimmer but never swam competitively or had any real training, so when we got here, my parents started looking for a club for me to swim with. I started at OTAC and swam there for a few years before moving over to Utah Valley Aquatics (Springville Seals at that point). It's there where I learned to love swimming competitively. I got to learn from the best coach, Shari Skabelund and make life-long friends that have had a huge impact on my life. I swam club and high school until graduation where I decided to step away and focus on a career. I was a two-time state champion in the 100 free in high school and even got 2nd in the 200 free losing to Jake Taylor. Swimming has given me so much and taught me so many lessons, I'm proud that I now get to provide a similar experience for all the athletes I coach today.
