Once you have logged on successfully, you will be on your “Home Page.”

Events/Swim Meet

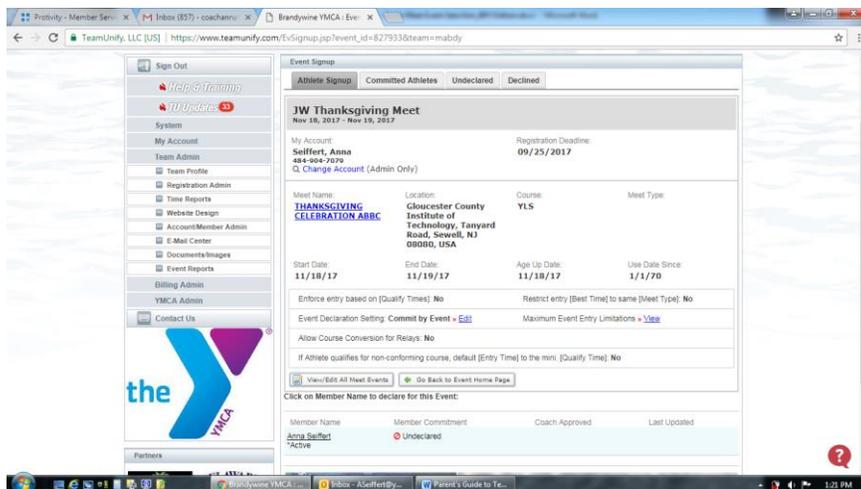

“Events” This is where you will find all of the events/meets. If you have not signed up for the meet yet, this button will say “Attend/Decline.” This is where you commit and sign up for the meet or decline the meet saying you will not be going to that meet.

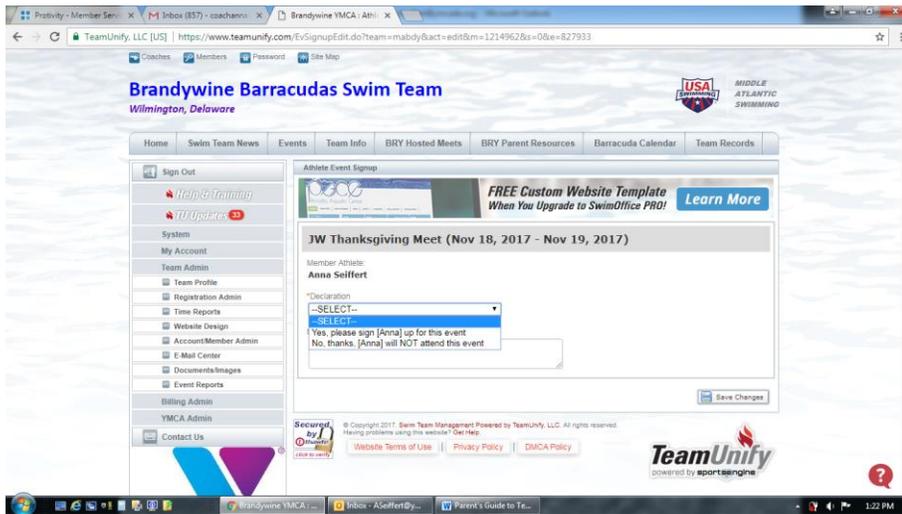

When you select “Events” from the top menu bar you will be taken to the page here where the current and upcoming events are listed. You can select “Attend/Decline” button to sign up for a meet and volunteer by selecting the “Job Sign Up” button.

Signing Up for the Meets/Events

When you select an upcoming event and the “Attend/Decline” button you will be taken to the “Athlete Sign Up” page. From here you can view the details of the meet.

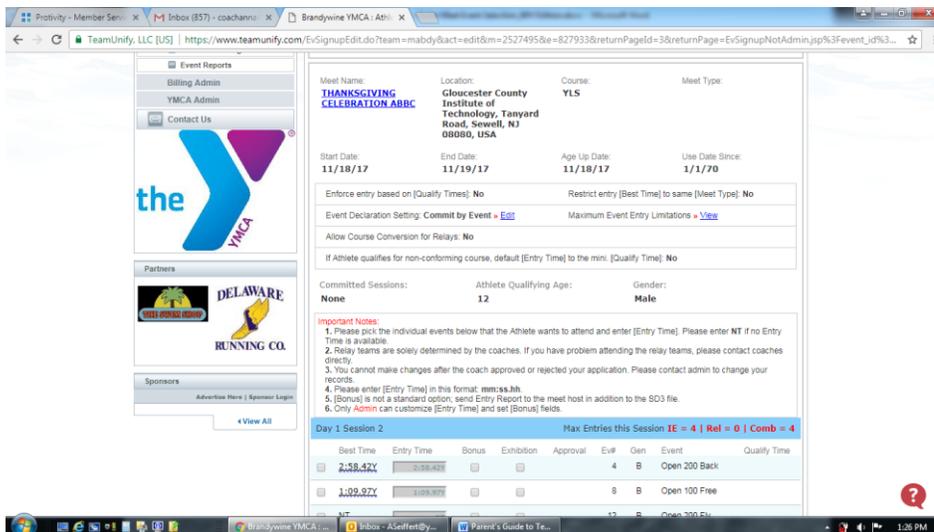

To choose to attend or decline you would click on your child’s name (in this example, “Anna Seiffert”) and you will be taken to the sign-in screen where you select “Yes” or “No.” Once you have selected “Yes” or “No” to not attend, the Membership Commitment will update.

You will select the arrow on the right of the select box and select “Yes, please sign (child’s name) up for this event” or “No, (child’s name) will NOT attend this event.” Within the comment box, you can write notes to your coach. ***

***The coaches will select events for all PennDel dual meets. Swimmers may leave their event preferences in the comment box. If a swimmer needs to leave the meet early or arrive late, it is very important that this is indicated in the “comment box.”

If you select “Yes” to attend the meet, you can let the coach know what you would like them to select for your swimmer in the notes section, right below the “Yes, please sign (child’s name) for the event” or depending on the meet, you can select the events from the list below.

Signing Up for Specific Events

If you are choosing the events for your child you would check off the box here, the child’s time will be highlighted in yellow when selected. After you have selected all of the events you want your child to swim you will select the “Save Changes” button to save all items selected.

Once you select the events and save the selection, you will see that the member commitment status has updated to “committed.”

If you have any questions regarding the meet sign up process, please reach out to our Team Manager, Susan. All event selection and meet participation questions should go to your swimmer’s lead coach. Thanks so much!
