NOTE from Coach Doug: *We have an exciting, innovative meet event format that I want to explain. The meet format is all about creating flexibility. Let's say you have a swimmer who you would like to participate in the following events: 200 FL, 200 BK, 200 BR, 200 FR, 500 FR, 400 IM, 1650. Under typical event format structures, there is only one possible way in which you can get these events in through one meet. This leaves coaches/swimmers with less-than-ideal options for getting important events in early in the season. As a result, it sometimes takes several meets to get all of these events in. Our new event structure offers the 200's on both days for all ages over 9. Having each 200 on both days of a meet allows the coach/swimmer MANY different ways in which to optimally schedule their desired events.*
