

PARENT - SWIMS 3.0 GUIDE

Welcome to another exciting season with ECCC! USA Swimming has changed the registration process. **Starting this season every swim family will have to register their own athletes and pay their fees directly to USA Swimming.** Athletes are \$85/season and you will be registering for the 2023 Season (swims 12/31/2022 - 12/31/2023) as a premium athlete. **All athletes must have an active USA Registration to be allowed to participate in any practice session or ECCC-sponsored event.**

To register, you must use the ECCC Specific link provided below. We have provided a brief Swims 3.0 Guide to help you through the process. Should you have any questions, please email ccerpants@gmail.com with SWIMS 3.0 in the subject line.

Thank you in advance for your time spent completing the USA Swimming Registration process.

- STEP 1: All parents/guardians should create a Parent account. This will be relevant to future club and swim family training requirements.
 - If you are a non-athlete member or have an existing account you would follow the steps in Item 1
 - Please follow all the steps and be sure to link your old USA ID with your new account.
 - If you have never created an account with USA Swimming before you should follow the steps in Item 2.
- STEP 2: Create your swimmer's account under your family as a member - see Item 3
