

## **EAC Volunteerism Agreement**

Volunteers play a vital role within the EAC swim club. EAC swimmers have the privilege of participating in swim meets because of parent and guardian volunteers. There are approximately 48 volunteer roles to fill per home meet and 24 roles to fill per away meet. Swim meet volunteer roles include swimmer line up, timer, runner, finish judge, announcer, meet scoring, officials (trained position), meet setup, and meet tear down.

**Parents/guardians from all families must contribute to our team by volunteering. It is expected that parents/guardians volunteer for a minimum of 2 volunteer slots per swimmer for the season.**

EAC holds one fundraising invitational, The Frosty Frolic, at the beginning of January. The Frosty Frolic is an all-hands-on-deck effort in order to pull off this fun event that helps cover team expenses. **All families are expected to volunteer to at this invitational.**

If your family is unable to volunteer due to extenuating circumstances, please contact the EAC president, [eac.swim.president@gmail.com](mailto:eac.swim.president@gmail.com), to discuss alternative ways that you can support EAC.
