

## EAC Suits, Caps, and Equipment

### Team Suit

The EAC team suit will remain the same suit as last season, the TYR Vitric swimsuits in Blue/Green. (Be sure to choose the Blue/Green option.) There are 2 options of suit styles for swimmers. **It is encouraged that swimmers wear their team suit for swim meets. Alternative suits that will be permitted in place of the team suit are a solid navy or solid black suit.** Links will be included in the welcome email.

### Team Cap

Swimmers may wear any cap for practices. Swimmers who choose to wear a swim cap for swim meets are required to wear an EAC team cap. Team caps will be ordered directly through T&T Swimming. More information will be provided in the welcome email.

### Practice Equipment

The following equipment is needed for practices and is listed by practice group.

- **Group 1:** fins, water bottle, optional: kickboard, pull buoy, mesh equipment bag
- **Group 2:** fins, kickboard, water bottle, optional: mesh equipment bag, pull buoy
- **Group 3:** fins, kickboard, pull buoy, snorkel, mesh equipment bag, optional: paddles

While it is best for swimmers to have their own equipment, in the event that an item is forgotten or a swimmer doesn't have their own, they will be permitted to borrow while supplies last.

Consider writing swimmer's names on their equipment with sharpie in case any equipment is left behind.

**Complete team suit, cap, and equipment links and information will be coming in a future email.**
