

EMAC

Green Swarm

*Tri*EMAC

Our 2022 team kit will remain the same as last year and is pictured below. Each athlete orders his or her team kit directly through the manufacturer, Kiwami. When you are ready to purchase, contact Kiwami directly at contact@kiwamitri.com with our team name (Tri EMAC), your mailing address, size (options are youth 6 – 14 (\$100.40) and adult XS-XL (\$154.80); for adult sizing, specify male or female), and the name for the back of the kit. It will take 3-4 business days to customize the kit and send it out. Sizes may sell out, so please purchase early if you wish to have one in time for the first race. Andre is very helpful on sizing, so if you have questions about the appropriate size to order, please send your athlete height, weight, age, and gender with your email and he will assist you.
