

LMAC Spring Clinic 2014 Group Assignments

****Notes:**

1. The White & Blue Groups will have very similar instruction. I tried to split them up based on both age and ability, but each group will have 3 coaches minimum there at all times so each child will receive the correct level of stroke instruction for them (i.e., if your child does not make it into the Blue Group the level of instruction in White for their lane will be brought up to their level).

2. Any swimmer listed as “Blue/Advanced” can pick which group they would like to be a part of, depending on level of attendance you are planning, etc...

3. Swimmers currently registered in Mighty Mites or Mighty Piranhas are welcomed to register for either Developmental Monday/Wednesday or Developmental Tuesday/Thursday again for Spring Clinic. If you would like to move up to the White Group, please let me know ASAP so I can ask Mrs. Speicher if this is appropriate for your child. If it is, you are more than welcome to register for White.
