Lower Merion Aquatic Club

Dear Wahoos, Piranhas and other Fishy Folk,

On behalf of the UCHC Board of Directors I wish to thank you for coming out of the pool long enough to make over 300 turkey (and cheese!) sandwiches for UCHC this winter. That gave our regular team of slicers and baggers three weeks off and provided our guests with much tastier meat sandwiches than the usual pseudo-bologna. And, equally important, the quantities were large enough to ensure that every guest got at least two bags full each Saturday.

UCHC has provided dinners five nights a week and Saturday sandwiches for well over a quarter of a century, more than twice as long as most of you have known how to swim. All the work used to be done by one woman, Lee Ann Draud, but she just retired and moved to Pittsburgh in December so about ten of us have organized ourselves to try to fill her very large flippers. Fortunately, Lee Ann left us a thousand pages of instructions, including how to make sandwiches, but I can tell by your sandwiches that you need no instruction at all. I attach last year's brochure to give you more of a picture of our work, and also include a picture of your work as small thanks for your big gift.

Gratefully,

Richard Hamilton, Secretary
