

YOUTH VOLUNTEER CONSENT AND PHOTO RELEASE FORM

Dear Parent or Guardian:

Thank you so much for encouraging your child to volunteer at Cradles to Crayons (C2C). Volunteers are crucial to our mission of providing *essential items to children in low-income and homeless situations*.

Please note that before your child as a minor may volunteer at our Giving Factory, C2C requires a receipt of this release, signed by you as a parent or guardian. You should also be aware that all **volunteers under 18 years of age must be accompanied by an adult.** Please read and sign below in order to give your child permission to volunteer at C2C. Please email volunteerphiladelphia@cradlestocrayons.org or call (215) 836-0958 with questions.

I acknowledge I have reviewed the following information regarding your child’s volunteer shift at the C2C Giving Factory:

- 1.) My child may be working in an environment that may be hot, cold, or dusty.
- 2.) My child’s work will be supervised by an adult chaperone. I believe that my child is mature enough to act appropriately while he or she volunteers at C2C.
- 3.) One of C2C’s organizational values is a strong commitment to diversity and inclusion. As such we welcome many diverse individuals as volunteers. My child will be working alongside other adults or minors representing this diversity during their shift in the Giving Factory.
- 4.) I understand that C2C occasionally photographs or videotapes activities held at the Giving Factory or at events in the community, for use solely in connection with official C2C publications, its web site or in social media. By allowing my child to volunteer at Cradles to Crayons, I give my consent for C2C to record and use my child’s image to raise awareness about C2C and its mission.
- 5.) **If you do not wish for your child to be photographed, please check here:** _____

I release Cradles to Crayons, its directors, board members, team members, volunteers and other agents from any and all claims and liabilities (including costs and attorney fees) arising out of or in any way connected to my child’s volunteer activities, unless this claim is based upon the conduct of a Cradles to Crayons team member in the course and scope of their employment. I further agree to indemnify and hold Cradles to Crayons harmless from any and all claims arising from my conduct or the conduct of my child while he or she is volunteering for Cradles to Crayons.
