**Navy Group will only happen if we do not have enough senior group swimmers sign up to fill the pool (25). If Navy Group happens, it will be a small group (6-10 swimmers, depending on how much space is in the pool)

^^If there ends up being NO Navy Group, Royal will have slightly extended practice times that will slightly modify the schedule you see above.

What to Expect Next:

1. Senior Group Swimmers—You received an email last night asking you which Senior Group practices you would like to sign up for. You can pick any number of days (from 1 day to all 6), but cannot switch them week to week once you make your decision.
2. Group Assignments and a finalized schedule will be released on Monday, November 23rd.
3. Registration will open on November 25th and the only thing you will be charged for right now is the USA Swimming Registration Free (\$85) that is valid through December 31, 2021.
4. Accounts will be billed at the end of the session for however many weeks we are able to keep swimming since the end date is not yet decided (end date is based on weather).

THANK YOU to everyone for your flexibility and patience as we work though setting this up with A LOT of moving parts!
