

LMAC Fee Structure: Fall/Winter 2021-22

HOW REGISTRATION & PAYMENT WORK:

- LMAC has partnered with TeamUnify to help us manage the team administratively. ALL registrations are now done online via our website, www.lowermerionaquaticclub.com. Here is a direct link to [Fall/Winter 2021-22 Registration](#).
- Each family (returning and new) should have received word (generally in an email) from [Head Coach Kathryn McKeone](#) as to their swimmers' training groups. Use these training group assignments when asked which group you would like to register your child for during the registration process. Here is a list of [2021-22 Training Group Assignments](#).
- Upon completion of registration, you will be emailed an invoice listing your charges and prompted to pay electronically using a credit card. **ALL payments (either first monthly installment for those using payment plan or full fee) are due upon registering.**
- **Swimmers/Divers registered for Fall/Winter 2021-2022 have two payment options:**
 - **Option #1:** Pay your dues for the entire season in one installment up front. Each group has a different Fall/Winter season length and total fee, see each group below for details. HS Fall Only swimmers will have to use Option #1 and pay for their entire season up front as training period is so short.
 - **Option #2:** Pay Fall/Winter 2021-2022 dues monthly. At registration, you will pay the \$25 registration fee and the USA Swimming registration fee (divers are not charged the USA Swim Reg Fee). Your first monthly payment is due on October 1. You will be billed on 10/1, 11/1, 12/1 and 1/1/22.
- **Multiple Swimmer Discount:** The TeamUnify registration system will automatically take this into account. Families that register 2 swimmers will \$25.00 discount off their total bill at registration. Families that register 3 swimmers will receive a \$75.00 discount off their total bill at registration. Families that register 4 swimmers will receive a \$125.00 discount off their total bill at registration. ****Athletes in Diving and HS Fall Only groups are not eligible for the multi swimmer discount.**
- With this TeamUnify system, families will receive an invoice via email on the first of each month that a payment is due. Please promptly pay your installments electronically using the payment method you have on file with your TeamUnify account.
- High School FALL ONLY swimmers and Mighty Mites/Piranhas swimmers are the only groups that will not follow this payment structure. Those swimmers will have the USA Swimming Registration Fee plus their \$475.00 (6x/week) or \$275.00 (3x/week) or \$245.00 (Mites or Piranhas Fall Session) fee due at registration. Swimmers will not be permitted to swim until we have received their payment.
- **Explanation of Fees:**
 - **Competitive USA Swimming Registration Fee:** \$85.00; pass through cost to USA Swimming to cover your swimmer's registration to USA Swim; everyone must be USA registered
 - **Competitive USA Swimming Registration Fee:** \$35.00; pass through cost to USA Swimming
 - **LMAC Registration Fee:** \$25.00; covers cost of bank fees and processing costs
