

## Senior Committee Minutes 11/11/20

All members present at the meeting (Matt Montgomery, Brian “Sponge” Savage, Paul Monyok, Jim Willis, Jack Pillsbury., Maria Saltysiak, Mike Schmidt).

First item was to check in with the athletes on non-pool offerings for our senior athletes. Maria and Jack suggested as a potential topic having a nutritionist speak. They also suggested setting up a game to bring everyone together. The idea was for a game like “cahoot” where it would be interactive.

As for nutritionists, names that were brought up were Peter Zeiger (Sponge was going to ask Jay to inquire), Cody Miller, Garrett Webber-Gale, and Jack indicated Seals had used someone in the past and was going to get back to the group with that name.

We also discussed the need for a meet prior to any qualification meets (Sectionals, Y Nationals etc) to replace the opportunity being lost in December. This information was to be passed on to the TPC by the chair.
