

## NORTH PENN AQUATIC CLUB COACHING STAFF

### **Lisa McClay, Head Girls Coach**

Lisa's affiliation with NPAC dates back to 1971, when the team formed and joined the then-new SAL. As a member of NPHS girls' swim team, Lisa excelled in the 100 fly, achieved "All American" status in 1976 and went on to compete for the University of Pittsburgh. Lisa served as NPAC's head girls' coach from 1979 to 1984, and after taking time off to raise two children, returned to coaching in 2006. When she's not on the pool deck, Lisa works as a dental hygienist. She enjoys her new role as "Grammie" to granddaughter, Hailey, and loves spending time near a larger body of water—the ocean!
