

NORTH PENN AQUATIC CLUB COACHING STAFF

Michael O'Neill, Assistant Coach

Michael is a commercial photographer by trade who joined the NPAC coaching staff in 2005, following a 12-year stint coaching youth soccer and softball for TYA and Corpus Christi. A 1981 graduate of North Penn, he grew up swimming for NPAC and Towamencin, before going on to compete in the breaststroke and freestyle events as a member of the high school team. Michael, who attended the Art Institute of Philadelphia, has owned a photography studio in Kulpville for 18 years, specializing in food and agriculture. He also creates custom artwork, including sports posters. When he's not working behind camera or on the pool deck, Michael enjoys watching his daughters play water polo, tending his gardens and grapes, and riding the waves in Myrtle Beach, South Carolina.
