Registration & Payment:

Registration for existing SSC swimmers will open on July 29, 2020. Registration is in three tiers. Tier One will be swimmers who swam with the program this summer. Tier Two registration will be swimmers who applied a credit to their fall account. Tier Three will be if there are any remaining spots available. Tier One will have to register by August 1st to keep your spot on the team. Tier Two will have until August 5th. On August 6th we will open registration to Tier Three. Swimmers must be registered in order to sign up for meets and to receive email updates. All fees are due at the time of registration. There are no payment plans offered at Suburban. There will be no pro-rata of session fees. There will be no refunds given for any reason including governor, national and local shutdowns.

Practice Groups:

Please be aware that your swimmer is to register and swim in the practice group they were assigned through email prior to registration. The coaching staff will notify a swimmer and their parents if a change in practice group is warranted. There is a difference in practice fees when such a move occurs and the parents will be emailed the pro-rated practice fee due. All swimmers are continually evaluated by the coaches during the first few weeks of the session.

If you need to communicate with a coach, you may leave a message with the office by emailing office@sscswim.org. **NO PARENTS WILL BE PERMITTED ON DECK DURING PRACTICES.** This is a liability issue and a violation of USA Swimming rules.

Practices cancelled in the event of an emergency or due to inclement weather will be posted on the website and if there is sufficient time, an email will be sent to all members.

Please contact the office at office@sscswim.org with any questions.

Team Effort Meets:

Team effort meets will be available for entry on our Team Unify website which is accessible through our Suburban Seahawks website at www.sscswim.org. **You must be registered for the Fall session in order to sign up for meets.** Meets fill up extremely quickly and SSC will enter the meet as soon as it is opened by the host team. It is up to the individual swimmer and/or parent to make the decision which meets to attend. Please pay particular attention to the meet entry deadline on Team Unify. **Entries received after the deadline will be charged a \$25.00 late fee.** You must enter all team effort meets through the Team Unify online meet registration module. We pass on all meet fees to our swimmers, together with an SSC Admin fee depending on the location of the meet. This helps to cover coaches' expenses. Meet fees will be added to your Team Unify account at the end of each month. **If a swimmer wishes to enter a non- team meet, please contact the office.**

A reminder that all inquiries regarding the status of meet entries, meet format changes, timelines, etc. must be directed to meets@sscswim.org. **No parent should ever directly contact the host Meet Director.** Your cooperation is appreciated!
