

2021 YMCA Virtual State Invitational Meet Declaration Form

(Due March 15th or the Monday before the meet whichever comes first)

One declaration form is needed for each individual team participating in the Virtual State Invitational. If the competition is held at another facility with 2 or more teams the host site will submit the results to the meet database for awards.

The primary competition dates for the meet is April 23rd through May 2nd, 2021.

Should teams need to, they may participate in and submit a meet prior to the primary competition dates but a Declaration form is still needed, and the meet must follow the same rules as stated in the meet packet include the athlete's age of the meet requirement.

Results for individual athletes will only be accepted from one Declared meet into the final meet database. If a team/host is submitting multiple declared meets they must also submit a list to declare which participating athletes' results should be accepted into the database at the alternative meets at the time of submitting this declaration. **Failure to do so will result in no results from that meet being accepted into the meet.**
