16.2. To assist participating State YMCAs and their coaches in obtaining such certifications, the State will use its best efforts to see that there is at least one trainer in each State district, and to publish on the State website the dates for certification classes.

16.3. No coach will be allowed on deck during a District or State Championship meet without a current coach credential card. A valid coach credential card can either be a USA Swimming coach registration card that has a "Y" printed on it or a YMCA coach card that has been issued by the YMCA Group Representative. At the State Championship, each coach will also be required to have a deck pass to be on deck. Deck passes will be issued to YMCAs participating in the State championships by the State Championship Meet Committee, based on the total number of swimmers entered in both days of such championship meet.
