

Supreme Sports Club Facility Conduct Reminders

Welcome to another Clippers practice season at Supreme Sports Club! It is always our pleasure to host your practices as we support the mission of the Columbia Association and the community as a whole. Please remember that Supreme Sports Club is open to all CA members and their guests during your practice times. Therefore, you will be sharing space with others. As such we ask that you please adhere to following code of conduct while in the SSC Facility:

- 1) Absolutely no running in the building except for the basketball court and track. Running in hallways, stairwells and lobbies is STRICTLY PROHIBITED for your safety and the safety of all users.
- 2) All participants and facility users must check in and produce proof of a valid membership or a photo ID if not a member. Your name and ID will be checked with the list provided by the Clippers Administration.
- 3) WE ask that locker rooms be kept NEAT and TIDY before and after practice. This includes, but is not limited to, the following:
 - Towels picked up off the floors and benches and put into towel drop
 - No photography or cellphone use allowed in locker room
 - Noise should be kept to a minimum out of respect to other locker room users
 - Locker room bench areas should be left dry and free of trash and debris
 - Any equipment or clothing left in the locker room will be put into lost and found. Please note that we cannot guarantee that all items will be turned in and retrievable.
 - It is suggested that you bring a lock to put your clothing in a locker room locker and any valuable items be placed in a security locker at the entrance to the locker rooms.
- 4) Lobby and front entry areas are high traffic areas and we ask that exit points remain open and available to all users. Blocking the front door while waiting for rides can lead to congestion and fire code violations. There are benches near the Express Entrance where swimmers can wait safely and out of traffic.
- 5) Parents are welcome to wait in the lobby area for swimmers but please be prepared to show photo ID upon entry as we require photo ID for everyone entering the building.
 - We also ask that parents refrain from parking in handicapped parking areas while waiting for swimmers as many times spaces are needed for those who are physically impaired.
