

# Summer 2022 Registration is Now Open!

The **Frederick Area Swim Team (FAST)** offers a competitive youth swim program for swimmers ages 5 to 18 in Frederick County, Maryland and surrounding areas. **FAST** is a member of **Maryland Swimming, Inc.** and **United States Swimming (USS)** and is a registered non-profit organization. FAST has been founded on the premise of excellence in instruction and commitment to the athlete.

## There are several fees associated with the Summer Season:

- Swimming Dues:** These are the main fees associated with being on the team. Dues cover the majority of the costs needed to run the team. Half of the dues are due on June 1st and the other half on July 1st.
  - **Seniors** (13-19 year olds): \$375
  - **Cadets** (9-12 year olds): \$275
  - **Tykes** (8 and under): \$225
  - **Pre-Comp** (5-7 year olds): \$163
- Membership Fee:** Each family is required to pay a \$75 Membership Fee. To fulfill this requirement, you may earn rebate dollars through the SCRIP program, become an official, participate in a board approved fundraiser, or other board approved activities. Any remaining membership fee balance will automatically be billed to your account on August 1st.
- Meet Entries:** There is typically a \$4-6 charge for each event your swimmer signs up for. These fees go to the team that is hosting the meet and covers the cost of running it. These fees are billed when the meet entries are submitted to the meet host.
- USA Swimming Registration Fee:** If you did not swim for a USA Swimming team during the Winter Season, there is a \$10 USS Swimming Registration Fee. If you participate in more than 2 USS meets, the fee goes up to \$57. These fees go straight to USA Swimming. This is billed during registration
- New Family Fee:** If you are new to FAST, there is a one-time \$25 New Family Fee to cover the various costs of getting the swimmer established. This is billed during registration.
- ISL Fee:** There is an \$8 ISL Fee that goes straight to the league we swim with in the summer. This is billed during registration.
