

Richards Pool – Reopening Procedure

ARRIVAL

- Please park in the parking lot and try to avoid parking right next to other vehicles.
- Upon leaving your vehicle, put on a face covering.
- Parents are to remain in their vehicles or they may do a drop-and-go. Parents will not be allowed into the facility.
- Make your way towards the entrance to the facility as usual.
- There will be 6 traffic cones, labelled 1-6 at the entrance to the facility. Wait at one of the traffic cones in numerical order. Do not try to enter the facility.
- Once all 6 swimmers are at a traffic cone, a lifeguard will usher you, one at a time, so that your temperature can be taken.
- Once your temperature has been taken satisfactorily, you may proceed inside.
- Once inside, you may take off your shoes as usual. Do not congregate in the lobby.
- Proceed directly to one of the 6 chairs behind the lanes where you can leave your bag/s and remove your face covering.
- Get ready for practice to start.

DURING PRACTICE

- Do not use the locker rooms!
- If you really need to use the bathroom, you can use the private bathroom located between the locker rooms.
- Do not stand side by side next to the lane line during a rest period.
- Please be highly conscientious of the social distancing guidelines during practice. Your actions will play a big role in whether the guidelines will become more relaxed or become more restrictive.

DEPARTURE

- Climb out of the pool, pick up your equipment and your bag/s and move immediately to the bleachers.
- Once at the bleachers, you can get dressed.
- Put on a face covering before moving further.
- Please exit out of the door by the bleachers. Do not exit out of the door by the pool office.
- Again, do not congregate in the lobby. Go directly to your vehicle or your parents' vehicle.

REMINDERS

- Carry your equipment bag with you to practice as well as taking it back home with you. Equipment bags may not be stored at the pool. If you have not picked up your equipment bag yet, please pick it up on the first day and take it home with you.
- Face coverings must be worn at all times except during practice.
- If you have a temperature or you do not feel well, please do not come to practice. If the condition persists then please see a medical professional and do not return to practice until further notice.
