

Little Piranhas Swim Lessons

DCAC is happy to announce the formation of our “learn-to-swim” program, **the Little Piranhas Swim Lessons**. The Little Piranhas Swim Lessons program is designed to bring an interactive and hands-on approach to teaching children ages 3 and over the basics of swimming.

DCAC Head Coach Mike Schuenke will directly oversee the program. Mike brings over 10 years of coaching experience including 7 years of experience as a swim lesson instructor. Coach Mike believes that all kids have the ability to swim and that, “each swimmer has their own path to create when it comes to swimming and we hope to help them achieve their goals.”

We are offering two separate sessions this summer. Classes are held Tuesday and Thursdays for 3 weeks. Swimmers may attend either or both sessions:

- June 21st - July 7th
- July 12th - July 28th

Each session offers:

- A 3:1 Swimmer- to-Teacher ratio
- Instructors will be in the water with your swimmers
- **30-minute** class periods
- Cost is **\$60** for a session of 6 lessons.
 - A one-time USA Swimming Flex membership (\$20) will be added to fees for the first session you swim.

Groups and Ages for Lessons:

Tadpole - Ages 3-4

Guppy - Ages 5-6

Intro Piranha - Ages 7 & older
