

## Swim Lesson to Swim Team Incentive Program

The Jenison HS Aquatics Center is very proud of our swim lesson program and our age group swim team. We want to thank all of our swim lesson families for bringing their children to us to learn to swim. We are so pleased by all of their accomplishments in the pool.

Like many age group programs in the area, participating in extra-curricular activities can get expensive. We would like to support our swim lesson families who have supported us and encourage participation on our age group swim team (JAWS: Jenison Area Wildcat Swimming) by offering reduced rates for the first season of participation. We offer our JAWS Green Group every winter (Nov-Feb) and summer (May-July). Here is what we are offering:

- **Passed Level 3 at Jenison: Your registration costs will be reduced by 25%**
  - Res/SOC: \$120.00 (split into two payments) + 3 vol shifts & USA Swim fee of \$76.00
  - NonRes: \$150.00 (split into two payments) + 3 vol shifts & USA Swim fee of \$76.00
- **Passed Levels 2 & 3 at Jenison: Your registration costs will be reduced by 50%**

  - NonRes: \$50.00 (split into two payments) + 3 vol shifts & USA Swim fee of \$76.00

  - Res/SOC: FREE + 3 vol shifts & USA Swim fee of \$76.00
  - NonRes: FREE + 3 vol shifts & USA Swim fee of \$76.00
    - *The above discounts are based on the reduced registration fee when the family agrees to volunteer three times per athlete. Discounts are not applicable for the full amount.*
      - *If you are unable to volunteer three times but are able to take advantage of the new discount program you may pay \$50/session in lieu of volunteering.*
        - *We need volunteers 😊!*
    - *The discount does not go toward the mandatory USA Swim fee (\$76.00).*
    - *You may ask why a child must pass level 3 to receive any sort of discount? Level 3 is our minimum recommended level to complete prior to joining our swim team.*
