

JPS SWIM SCHOOL

This program is for those who have passed at least level 3 of our JPS Swim Lessons **OR** feel confident in their ability to swim 25 yards (6-8 year olds) or 50 yards (9-12 year olds) on their belly and their back. This program is for the swimmers who have shown interest in joining the Jenison Age Group competitive swim team in the future (JAWS). The JPS Swim School will focus on prepping the swimmer for a single age group swim meet on Thursday morning, 9am-12pm, June 30, AWAY at Byron Center High School (if ready). These are not your typical JPS Swim Lessons/American Red Cross lessons but geared toward giving your swimmer a taste of what being on the swim team is all about without the full season commitment. Six- to eight-year-old swimmers will focus on starts, technique, finishes, and endurance to complete a 25-yard freestyle and 25-yard backstroke race! The 9-12-year-old swimmers will focus on all the above but add turns (or touch-and-go) and prepare to complete a 50-yard freestyle and 50-yard backstroke race! Our hope is that your child will give the new JPS Swim School a try, fall in love with the sport, and join us for the next season of our Jenison Age Group competitive swim team (JAWS which will be this winter 2022-2023). Space is very limited so if this sounds like something you want to try sign up as soon as possible.
