

**SUMMER WATER POLO
AT THE JENISON HS
AQUATICS CENTER
BOYS & GIRLS
ENTERING
3rd - 8th GRADE**

WHAT IS WATER POLO? Game play involves swimming, treading water, players passing the ball while being defended by opponents, and scoring by throwing the ball into a net defended by a goalie! Classes are designed for boys and girls going into grades 3 through 8 **who feel comfortable in the water** and are interested in learning the sport of water polo and/or improving their skills. No water polo experience necessary. Flotation devices available if necessary. Swim team experience ideal, but not necessary. Enrollment is on a first come, first serve basis. Grab a friend and try this amazing sport!

GENERAL INFO

We will have two sessions this summer. One in June and one in July. Each session will have six practices on Mondays, Tuesdays, or Thursdays from 7:10-8:10pm. Dates are very specific so check the calendar every Sunday for the upcoming week. Athletes should not be dropped off more than ten minutes early and should be picked up within 5-10 minutes of practice ending. Athletes may enter the D55 door (removing shoes immediately) or by entering the lobby (D56) and men's or women's locker rooms. Our summer program will be head coached by Caleb Moles, current Jenison swim and water polo coach and current water polo player at GVSU. Additional coaches will be added as needed.
