Attending a FREE trial day is required for *NEW SWIMMERS* ONLY to meet the coaches, swim some laps, and determine whether they want to continue as a JAWS SWIMMER! New swimmers may attend one or multiple days, but they are all the same. New swimmers should be six years of age or older and be able to swim one lap (25 yards) of both modified freestyle AND modified backstroke. Locker rooms are only open on an “as needed” basis so swimmers should arrive and leave in their suit. Please bring goggles and a towel. Athletes with hair that can be pulled up must be pulled up or put into a swim cap. The pool is in the HS near the football stadium. Enter the pool area thru the main pool lobby entrance and continue through the locker rooms or enter thru the "D55" door to the south of the pool lobby entrance. Plan to remove your shoes when going onto the pool deck. Parents/guardians are invited to view the trial days and all practices from the pool balcony (stairwell in pool lobby).

To register for the team after the FREE trial days go to www.jenisonaquatics.org, scroll down to “Upcoming programs,” click on the “registration” button, and then on “JAWS Winter 2021-2022 Options.” Please note that there will be multiple options to choose from during registration. All new swimmers must register for Green Group which will be Option 1. The other options are for veteran swimmers or returning JAWS swimmers only (ignore Black/White options). New Jenison Res/SOC may sign up starting November 9th. New Non-Residents may sign up starting November 19th if space allows. **Register by November 22, 9pm, for a FREE team shirt and latex swim cap.**
