**QUALIFYING PERIOD** - The qualifying time must have been achieved on or since January 1, 2010.

**FORMAT** - All Michigan Swimming, Inc. LSC individual events are offered for this 14 & Under Championship Meet. All individual events are Preliminary/Final events with the exception of 10 & Under Events, 11-12 400m Freestyle, 11-12 400m IM, and 800m and 1500m Freestyle events which are Timed Final events. Preliminaries are swum in the morning and 10 & Under events and Finals are swum in the afternoon. All relays are Timed Finals.

### **FINALS INFORMATION**

- A. **Individual Events.** There will be two heats of individual heats – each heat comprised of a maximum of eight (8) swimmers. These will be referred to as “A and B” or “Championship Finals and Consolation Finals”. These will swim in a B-Consolation and A-Championship Finals order.
- B. **Relay Events.** All relays will be conducted in the afternoon.
- C. **Order of Events.** Note the order of events as stated in the schedule of events for Finals. Finals are not necessarily swum in the same order as they are swum in the Prelims. Always consult the Heat Sheet.

**CONVERSION** - No time conversions are permitted. Times must be submitted in long course meters, short course meters, and short course yards.

### **SEED TIMES**

- A. Seeding individual events shall be as follows: All conforming LCM times will first be arranged in time order. Following the conforming LCM times, nonconforming SCM times shall be arranged in time order followed by non conforming SCY times arranged in time order. After arranging the times as provided above, the event shall be seeded in normal fashion.
- B. All entry times must be designated as SCY, SCM, or LCM. Any entry time having an inaccurate course designation will not be accepted.

**ENTRY TIMES** - Entry times for individual and relay events shall:

- A. Be achieved during the qualifying period,
- B. be submitted to the hundredths of a second and,
- C. be the fastest achieved time by the swimmer/relay during the qualifying period.

Exception for the 800m and 1500m events: A swimmer, if entered in two or more events on the day of the 800m Freestyle or the 1500m Freestyle, may enter the 800m Freestyle and/or 1500m Freestyle Timed Final event at his/her fastest time or at the Q1 time standard at his/her discretion. **This must be done with your original entries and not changed at the meet.**

**ENTRY PROCEDURES** - Michigan Swimming has adopted USA Swimming's Online Meet Entry (OME) as the sole process for entering teams and individuals swimmers into the State Meet. Times achieved at any USA Swimming sanctioned, observed or approved meet will appear in OME. Follow the step-by-step instructions to complete your entries:

**Step 1:** Go to <http://www.usaswimming.org/OME>

**Step 2:** Click on "Available Meets", select Michigan Swimming LSC, and then click on "Search". The Michigan Swimming 14 & Under State Meet will appear in the list.

**Step 3:** Click on "Enter Team" and login using your team login (you may need to create an account for your team if you have not done so previously). A pick list of your athletes who have qualifying times in SWIMS Database will appear. From here, select the events you want to enter. Athletes whose times are not in SWIMS must enter using "Override Times"; any athlete entering using the "Override Times" option must send a proof of time to the Michigan Swimming office. See paragraph "Proof of Time" for further instruction. Relay-only swimmers must be entered in OME by listing them in the "Relay Only" section for your team.

**Step 4:** Double-click on the athletes you wish to enter into the meet and complete your entry. You do not need to complete your entries in a single session; you may return and finish it later. **Note however, that you must not "check out" of OME until you are completely done with your entries.**

**Step 5:** When finished with all entries, "check out" of OME. **REMEMBER, once you check out, you CANNOT go back and make any changes.**

**Step 6:** You will receive an email confirming your entries.

**Step 7:** Mail your completed athlete waiver, athlete certification, and check to the Meet Entry Chair (see paragraph "Entry Chair"). Preferred method of payment is check, but teams may pay by credit card.

**Step 8:** Mail or email any necessary Proof of Time documents for "Override Times" entries to Jan Cartmill at Michigan Swimming.

**PROOF OF TIMES** - Michigan swimming will accept all qualifying times contained in USA Swimming's SWIMS database, as well as times from meets sanctioned by other national governing bodies including college, high school, Masters, YMCA, and foreign meets approved by FINA that have been run on approved meet management software within the qualifying period (on or after January 1, 2010).

The SWIMS database contains results of all sanctioned, observed and approved meets held in the USA for athletes who are registered USA Swimming members at the time of the swim. Times from the SWIMS database are proven times and do not require any further proof. If a time does not appear in OME it is **NOT** a proven time.

- A. **Override Times** - Use the "Override Times" entry function (described in Step 3 of the Entry Procedures, above) to enter the meet with this time and send in a proof of time. Event entries using the "custom time" process are not proven, and require a Proof of Time submission to Michigan Swimming. If you do not supply an acceptable Proof of Time before the deadline (see "Proof of Time Deadline", below), the swimmer will be scratched from any and all events requiring the Proof of Time. **Refunds will not be issued for failure to supply a Proof of Time.**
- B. **Acceptable / Preferred Proof of Time** - Acceptable proofs include printed meet results which clearly identify the Meet Host, Meet Location and Meet Date (swim date must be on or after January 1, 2010), as well as the name of the event and the names, clubs and times of other swimmers in the event. The **preferred proof** is a locked Meet Manager backup of the meet results. Team manager export files are also accepted but are not preferred. Computer printed award labels and/or time cards signed by a meet referee are **not** acceptable for proof purposes.
- C. **Proof of Time Deadline** - All proofs, and a **Meet Entry Report** from Team Manager or Team Unify, which includes the name and dates of the meet where the swimmers achieved the times being proven must be received by the Michigan Swimming office by **Tuesday, July 19, 2011**. It is preferred that clubs send only one packet containing all of their proofs to the Michigan Swimming office. Swimmers whose times cannot be proven will be rejected and will not be entered in that event. The Michigan Swimming office will notify the swimmer's Club Entry Chair of the rejection using the email address provided in OME.

**Mail or email all proofs and the Meet Entry Report(s) to Jan Cartmill, Michigan Swimming, P.O. Box 1784, Midland, Michigan 48641-1784, or email Jan at [JBCartmill@hughes.net](mailto:JBCartmill@hughes.net). Do NOT send these documents to the Meet Entry Coordinator.**

## **ENTRY LIMITS**

- A. A swimmer may enter any number of individual events in which the qualifying time standard has been met. However, a swimmer may swim no more than three individual events per day.
- B. In addition, a swimmer may swim no more than 6 individual events for the entire three day meet.
- C. If a swimmer is entered in more than three individual events per day, he/she must scratch out of the desired excess event(s) by using a Scratch Card dropped in the Scratch Box by the stated time. Failure to properly scratch excess events will result in an automatic scratch of all events that exceed the event per day limit.

**ENTRY FEES** - \$7.50 per individual event and \$12.00 per relay. Please include a \$3.00 Michigan Swimming Athlete Surcharge for each swimmer entered. Please make checks payable to Plymouth Canton Cruisers. Checks or Credit Cards will be accepted as payment. If you choose to use Credit Cards as payment, you must pay using the OME system.

**PAPER ENTRY - Paper entries are not accepted for this meet.** All Entries must be processed using Online Meet Entry (OME).

**ENTRY DEADLINE - OME entries close at 10 pm on Monday, July 18, 2011.** Entries submitted are not considered “officially received” until the Entry Chair receives:

- A. The signed release/waiver agreement,
- B. the certification of entered athletes form, and
- C. the team check.

All paperwork must be received by in order for your team to participate in the meet. If overnight courier is used, you must waive the signature requirement.

**ENTRY EXTENSION** - New cuts achieved at meets occurring between July 19 and July 24, 2011 must be processed using OME. Follow the entry procedure instruction and use the OME file called “2011 Michigan 14 & Under State Extension”. This file is the **ONLY** file that will show the SWIMS times achieved during this time period. The OME OVERRIDE TIMES option may **NOT** be used for entries during the entry extension.

- A. **OME File Availability** - The Entry Extension OME file will open **Monday, July 25, 2011 at 9:00am**, and close **Tuesday, July 26, 2011 at 9:00am**. This 24-hour period is the **only** time OME will accept new cut entries.
- B. **Late-July Meet Hosts** - If you host a meet between July 19 and July 24, please send your results to Jan Cartmill immediately so that she can enter them into the SWIMS database.
- C. **Relay Cuts Made During Entry Extension** - If you swim a qualifying relay during the period between July 19 and July 24, 2011, you cannot submit these entries through OME. You must submit these entries through email to Margaret Green at [mlanegreen@aol.com](mailto:mlanegreen@aol.com). These entries will close on **Tuesday, July 26, 2011 at 9:00am**.

Please use the following process to submit Relay Cuts achieved during entry extension:

- 1. Send an email to Margaret Green at [mlanegreen@aol.com](mailto:mlanegreen@aol.com) including the event name, event number, and accurate time of the relay.
- 2. If there is a new relay member who is not already entered into the meet through OME, include the name and USA Swimming Number of the Relay Only swimmer.

**LATE ENTRIES** - A coach or an entry chair who makes an honest mistake and inadvertently fails to enter a swimmer in the meet and/or an event by the entry deadline may do so by:

- 1. Entering the athlete(s) and/or event(s) by the scratch deadline on the first day of the meet,
- 2. Paying a fee of \$100 per team and twice the Entry Fee for the event, and,
- 3. Providing a paper Proof of Time (meet results) to the Meet Referee at the time of the entry. Late Entry fees will go to the meet hosts for the administrative burden resulting from late entry. The Meet Referee’s decision is final and non-appealable.

**Late entries cannot be made through OME.** If you must submit a late entry, this must be done as an email entry. To do so, send an email to Margaret Green at [mlanegreen@aol.com](mailto:mlanegreen@aol.com), and include the name and USA Swimming Number for the late-entered swimmer, event name, event number, accurate time, and name of the meet where time was achieved.

**NOTE: You must also present Proof of time to Meet Referee at the meet.**

**DECK ENTRY** - There are no deck entries for this meet.

**ENTRY CHAIR** - Send your Club's entry package and check via U.S. mail or nationally recognized overnight courier to the Entry Chair. **If sending the entry by overnight courier/express, waive any signature requirement so your entry will not be delayed.** Send entries to:

COACHES ONLY  
Please call between 4 PM and 9 PM

**REFUNDS** - There are no refunds in full or in part once a team or individual entry has been received and processed by the Entry Chair.

### **SCRATCH RULES / INDIVIDUAL EVENTS**

- A. All individual events will conform to the USA National Scratch Procedure **with the exception of the 11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle and 1500m Freestyle.** With these rules in effect you are no longer required to "check-in" for any individual events – you are already "checked in" by virtue of your entry and thus expected to swim the event.
- B. If you are entered in an event you must swim the event or, if desired, scratch the event correctly in order to avoid penalty.
- C. To scratch a Preliminary or Timed Finals event, you must drop a Scratch Card in a Scratch Box by the time stated. To scratch from a Finals event (for which you qualify), you must scratch or declare your intention to scratch within 30 minutes after the qualifiers are announced, pursuant to 207.12.6 (E). Only coaches and swimmers may use a Scratch Card to scratch an event.
- D. If you fail to scratch out of any individual event correctly and fail to compete in the event, you will be penalized.
- E. Once a Scratch Card is dropped in the Scratch Box, the swimmer is declared scratched from the event. Only coaches and swimmers may use a scratch card to scratch an event.
- F. A **separate Scratch Card must be used to scratch each individual event** a swimmer desires to scratch. However, a coach may use a **single** Scratch Card to scratch a swimmer from **all** events (that is, to remove the swimmer from the entire meet).

### **PENALTIES FOR FAILURE TO COMPETE**

- A. **Preliminary and Timed Final Events** - If a swimmer fails to drop his/her Scratch Card by the time stated for an event and fails to compete, the swimmer will be barred from all further Preliminary Individual and Relay events of that day. Additionally, the swimmer will not be seeded in any further Individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the Scratch Box for that day's event. (See Meet Referee or his/her designee).

- B. **Finals** - If you qualify for Finals as a result of your Preliminary swim and fail to properly scratch or properly declare your intention to scratch pursuant to the rule within 30 minutes after the Final qualifiers are announced and fail to compete in the Finals session, you will be barred from further competition for the remainder of the meet. NOTE: If you declare that you may want to scratch an event but do not return to confirm that scratch within 30 minutes following the conclusion of your last event, you will be seeded into the Finals event and will be similarly penalized if you do not compete in Finals (See Meet Referee or his/her designee).
- C. **11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle and 1500m Freestyle Timed Final events** - After a swimmer checks-in for the 11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle or the 1500m Freestyle, if,
- a. As a result of Top 8 seeding, the swimmer fails to properly scratch, and fails to compete in the Finals session, the swimmer will be barred from swimming any events for the remainder of the meet, or
  - b. As a result of being seeded in the heats that swim during the morning sessions, the swimmer fails to properly scratch, and fails to compete, the swimmer will be barred from swimming any further Preliminary individual or relay events that day. Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the Scratch Box for that day's event (See Meet Referee or his/her designee).
- D. **Additional \$50 Penalty** - In addition to the procedures and penalties stated above, if a swimmer participates in any event in this meet and then fails to compete in his or her last scheduled individual event of the meet without properly scratching that event, he or she shall be fined \$50, payable immediately to Michigan Swimming. The swimmer is not allowed to compete in any subsequent Michigan Swimming sanctioned events until the fine is paid.

## **SCRATCH AND CHECK-IN DEADLINES**

- A. **Scratch deadline for Preliminary Events** - All Preliminary scratch times are specifically listed above in paragraph "Schedule / Times", above.
- B. **Scratch deadline for all Final events** - Thirty minutes after the Qualifiers for the event are announced. (See USA Swimming Rule 207.7.9 D and E).
- C. **Individual Event, Timed Final Check-In** - Athletes entered in the 11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle, and 1500m Freestyle must check-in by the deadlines specified in the section "Schedule / Times" on pages 1 and 2.

## **RELAYS**

### **RELAY ENTRY**

- A. Each team may enter no more than two (2) relays in a relay event. Relay entries must be designated as "A" and/or "B".

- B. A and/or B relays must be entered with a seed time, and the seed time must be at or faster than the qualifying standard for the relay event. A and/or B relays may be entered without proof of a qualifying time. Relays missing a qualifying time standard must prove that the qualifying standard had been achieved during the qualifying period or pay a fine. (See paragraph Proof of Time). Therefore, it is highly suggested that all submitted relay seed times have a provable aggregate time.
- C. Swimmers participating in an individual event(s) and "Relay Only Swimmers" are eligible to compete on an A or B relay.
- D. All Relay swimmers must be entered in the meet using OME. **Swimmers not on the OME Entry Report are not eligible to swim.**

**RELAY PROOF OF TIME** - If the relay team swims slower than the qualifying standard, or if a relay is disqualified, Proof of Time is required. This is done by proving the aggregate time for the four individuals who actually swam on the particular relay within 30 days following the conclusion of the meet to the Michigan Swimming office.

The aggregate time to be proved need not be equivalent to the submitted entry time for the relay, however, the time must be at or faster than the qualifying standard for the relay event. Aggregate proof times must all be equivalent (i.e. all SCY, all LCM, or all SCM), all times must have been achieved during the qualifying period (on or after January 1, 2010), and may not use conversions in determining the submitted Proof of Time.

Failure to prove a qualifying aggregate time within the 30 days will result in a fine of \$100, payable immediately to Michigan Swimming. Failure to pay the \$100 fine will result in that team being barred from participating in any future events sanctioned or approved by Michigan Swimming until the fine is paid.

**RELAY CHECK-IN** - All relay check-in times are listed in the "Times" section. Failure to check-in the relay (to be seeded) by the time stated will result in the relay being scratched and the relay barred from swimming that event. Coaches should declare the actual swimmers (when they check the relays in) that will swim on the relay by writing the names and the order they will swim on the relay card and returning the card to the designated Meet official. Coaches may, at their discretion, delay the declaration of relay swimmers (Relays Declared) until a stated time.

**DECLARATION OF RELAY SWIMMERS** - In addition to the relay check-in requirement, the names and order of relay swimmers and alternates must initially be declared (Relays Declared) by accurately writing all the swimmers names and order on a Relay Card provided for that purpose. The names and order of four relay swimmers must be declared for seeding purposes by:

- A. 10 a.m. Friday for the 13-14 400m Medley Relays
- B. 10 a.m. Saturday for the 10&U and 11-12 400m Medley Relays and 13-14 800m Freestyle Relays
- C. 10 a.m. Sunday for the 400m Freestyle Relays

The order of relay swimmers may be changed (by coaches only) up to the start of the heat. If a coach wishes to change the order of the four swimmers who will actually swim, the coach must indicate the change to the **Deck Referee** or his/her designee sufficiently in advance to the start of the heat so as not to delay the heat. The Deck Referee or his/her designee will alter the order of swimmers on the Relay Card in the coach's presence. If the relay fails to actually swim in the final order as declared on the Relay Card, the relay will be disqualified.

## SEEDING EVENTS

### INDIVIDUAL EVENTS

- A. Individual events will be swum in Preliminary/Final format except for the 10&U events, the 11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle and 1500m Freestyle, which are Timed Finals events.
- B. All heats of the 11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle, and 1500m Freestyle swum in the morning sessions will be seeded fastest to slowest and alternate age groups and genders (i.e. fastest heat of Girls followed by fastest heat of Boys, etc.) Subsequent heats will follow in this order. Carefully consult the Heat Sheet posted on deck for your heat and lane assignment.
- C. The 11-12 400m Freestyle, 11-12 400m IM, 800m Freestyle and 1500m Freestyle will be seeded after the Scratch Box closes. The fastest seeded heat (top 8) after scratches (if any) of the 11-12 400m Freestyle, 11-12 400m IM, 800m and 1500m Freestyle automatically swim in the Finals session in the afternoon. The remaining heats swim during the morning sessions. Awards and scoring/place for these events are determined by all the athletes' performances in all the heats. **Athletes wishing to down-seed must declare their intention to do so at check-in. All athletes electing to down-seed will be seeded at the slowest non-conforming cut.**
- D. The final three heats of all prelim/final individual events will be circle seeded slowest to fastest.

**RELAY EVENTS** - All relay events will be Timed Finals and will be contested at Finals in the afternoon as stated in the Schedule of Events. Relays will be seeded slowest to fastest.

**PROTESTS** - USA Swimming Rule 102.11 shall be used.

**MARSHALING** - This is a self-marshaled meet. All swimmers will be expected to find their heat and lane independently. Heats will not be delayed. Heat Cards will not be used. Heat Sheets will be posted around the pool deck in various locations.

**TIME TRIALS** - Time Trials may be offered for all events each day immediately following the conclusion of the Preliminary heats (only after the morning session) at the sole discretion of the Meet Referee and Meet Director if time permits. Time Trials cost \$7.50 for an individual event and \$15 for a relay. Time Trials are subject to the Michigan Swimming Championship Time Trial Rules which are reviewable in full on the Michigan Swimming website. Notable portions of the rules include:

- A. To participate in Time Trials, the swimmer must be a participant in this Long Course State Meet, either in an individual or relay event (including "Relay Only" swimmers). A swimmer need not actually swim an individual or relay event to participate in Time Trials, so long as the swimmer is entered in the meet or listed as a "Relay Only" swimmer (including alternates).

- B. A swimmer may swim no more than two Time Trials for the entire three day meet
- C. Time Trials count against the total number of individual events per day (maximum 3 per day), but not toward the total number of individual events for the entire meet.
- D. If an athlete has entered the maximum number of individual events allowed per day and wants to swim a Time Trial, the athlete must scratch an event using the Scratch Box by the stated deadline, or not swim the Time Trial in order to avoid exceeding the daily limit.

**AWARDS** - Michigan Swimming provides medals for 1<sup>st</sup> – 8<sup>th</sup> place finishers in both Individual and Relay events, and ribbons for 9<sup>th</sup> – 16<sup>th</sup> place finishers in all individual events. JBL Enterprises will be on site to engrave all medals from this meet and any other meet. There are individual High Point awards for 1<sup>st</sup> – 3<sup>rd</sup> place finishers in each age group. There is an overall Team State Champion trophy and a Runner-Up trophy.

**AWARD PRESENTATION** - There will be a formal awards presentation in each session as described in the meet program. It is expected that athletes will appear on-time and appropriately dressed (no towels on the podium) for awards so as not to delay the meet. Please pay close attention to the Schedule of Awards posted on the pool deck and available in the Meet Program.

**AWARD DISTRIBUTION** - Awards for 9<sup>th</sup> – 16<sup>th</sup> place finishers will be bagged for each team and available for immediate pickup at the end of the meet on Sunday evening. **No awards will be mailed.**

**TIMERS** - Participating clubs are no longer required to provide timers for any session, however any assistance that can be given during the Preliminary heats of the 800m Freestyle and 1500m Freestyle is greatly appreciated. If you would like to volunteer for any session, please email Charisse Dore' Nilles at [bacpresident@bulldogaquaticclub.com](mailto:bacpresident@bulldogaquaticclub.com).

**MEET PROGRAM / HEAT SHEETS** - Programs for the entire meet cost \$8.00. Coupons for Preliminary Heat Sheets are included on the back page of the Program. Return to Admissions with your Program to receive your complimentary Heat Sheet when they are announced available.

Separate Heat Sheets cost \$2.00, and can be purchased at Admissions when they are announced available. An evaluation survey is likewise included in the Program. Please complete the survey at your convenience and return it to Admissions.

**BAG TAGS AND SWIMMER GIFT BAGS** - Bag Tags (which also serve as credentials; see paragraph "Deck Access / Personnel", below) will be distributed at Check-In. Athlete gifts will be distributed to Team Representatives (not individual athletes) at or near Admissions after the start of the meet for each session and throughout that session. Athlete gifts will not be distributed during Warm-Up or before.

**ADMISSIONS** - Admission cost is \$5.00 per person per day for individuals age 10 and over (one-time fee covers both that day's Preliminary and/or Finals session). Children age 9 and under are free. ## Certification of Registration Status of All Entered Athletes

Michigan Swimming Clubs must register and pay for the registration of all athletes that are contained in the electronic TM Entry File or any paper entries that are submitted to the Meet Host with the Office of Michigan Swimming **prior to submitting the meet entry to the meet host**. Clubs from other LSCs must register and pay for the registration of their athletes with their respective LSC Membership Coordinator.

A penalty fee of \$100.00 per unregistered athlete will be levied against any Club found to have **entered** an athlete in a meet without first registering the athlete and paying for that registration with the Office of Michigan Swimming or their respective LSC Membership Coordinator.

Submitting a meet entry without the athlete being registered and that registration paid for beforehand may also subject the Club to appropriate Board of Review sanctions. The authority for these actions is:

UNITED STATES SWIMMING RULES AND REGULATIONS 302.4 FALSE REGISTRATION – A host LSC may impose a fine of up to \$100.00 per event against a member Coach or a member Club submitting a meet entry which indicates a swimmer is registered with USA Swimming when that swimmer or the listed Club is not properly registered. The host LSC will be entitled to any fines imposed.

-----  
I certify that **all** athletes submitted **with this meet entry** are currently registered members of USA Swimming and that I am authorized by my Club to make this representation in my listed capacity.
