| Club | | 81 | 83 | 78 | 79 | 77 | 79 | 75 |
| Organization | | 1 | 2 | 1 | 0 | 0 | 0 | 0 |
| TOTAL: | | 82 | 85 | 79 | 79 | 77 | 79 | 75 |

Registration and Hy-Tek Workshop

Last September MS hosted a Registration and Hy-Tek Workshop for all clubs. There were over 100 people in attendance at Okemos HS. Margaret Green presented a how-to session on Hy-Tek Meet Manager, David Brace presented the responsibilities of meet managers and I presented information on registration rules and procedures as well as registration using Hy-Tek Team Manager. Kudos to John Loria for organizing this and also for being the gofer.

Time Standards

Revised time standards were set up in Team Manager and provided to the MS website in a Hy-Tek downloadable standards file for all clubs to use.

Meet Information & Meet Results

Meet information and Hy-Tek event files were distributed to all clubs for all sanctioned meets and sent to the MS webmaster for addition to the website.

Meet results for all sanctioned, observed and approved meets were added to Team Stats Online (TSO), aka Top Times, as they became available. Official times swum in the Michigan LSC were added to the SWIMS database and the meet manager backups, team manager files and htm listings were sent to the webmaster for posting.

Proof of times were conducted for all entries in the 3 State Championship meets (12 & U, 13/14 & Open and LCM State Championships).

Age-Group Zone Meet

Entries were collected and processed for this meet. A Hy-Tek entry file was sent to the meet entry coordinator in Indianapolis.

USAS Convention

Several delegates attended the US Aquatic Sports Convention in Atlanta, GA. I attended all meetings of the Registration Committee as well as meetings regarding safety, insurance, LSC web sites, the Central Zone and the House of Delegates.

Records & Top 16 (or Top 10)

MS records are now maintained in the LSC Portal on the USA Swimming website with a final year listing posted on the MS website. From the LSC Portal viewers will find meet results for all LSC members as well as the existing LSC records. Downloadable files from the records page and reports of records and meet results can also be created. To find the portal, log onto the USA Swimming website (www.usaswimming.org), select 'find a swim club' from the USA Swimming tools and follow the online links.

The MS 2008 Top-16 listings are also posted on the MS website. This will be a Top-10 listing this year.

The 2008 National Top-10 Certificates and the 2008 MS State Record Certificates were mailed to club coaches in December.

Thanks for the opportunities,

Jan Cartmill
