

Michigan Swimming is pleased to announce that we are hosting the first annual 2019 MI LSC Coaches Clinic, to be held Saturday September 7th in Battle Creek, at the [McCamly Plaza](#), 2-7pm with check-in available at 1:30pm, snacks and beverages will be provided during the event. There will also be social following the event with FREE food and drinks provided right at the hotel's restaurant.

This clinic is FREE of charge to your entire staff (did we mention including the social!) Room blocks will be available for individual purchase for those interested in staying the night. They can be booked by calling **(269) 963-7050** and using the group name **Michigan Swimming Inc.**

Our lead speaker is [University of Michigan's Rick Bishop](#) speaking on topics from building team culture, energy system training, and a Q&A session. We are also working on other speakers as well, however if you or anyone on your staff has an interest in speaking to the group on a specific topic, please contact patrick.wickering@miswim.org and patrick.saucedo@miswim.org and we will see about adding you to the agenda (also contacts for any other questions).

There will also be a "State of the LSC" informational session regarding the long term governance goals of the BoD, as well as an opportunity to talk as peers in a group setting on "What are you doing to make the LSC Better" and other requested topics.

The electronic version of this letter will use [THIS LINK to a google form](#) that will help us get RSVP Numbers, so please have a representative from your club answer the RSVP on your teams behalf (head coach or team rep, on response per team), by August 17 so we have an idea how many people will be attending for booking purposes.

This is a wonderful opportunity to bring us all together, share ideas, learn from others, and have some fun. We look forward to seeing as many of you there as possible!
