

BBD Registration Instructions

2018-2019

We're excited to announce that this year all BBD registration (Steps 1 & 2) will be online!

It is important to read the following instructions carefully BEFORE you begin, so you can seamlessly register your swimmer(s) for BBD.

1. Step 1 remains the same as previous years. Register online by clicking the **Register Now** button on the Home page. Fill out all required information and pay your Activity fee of \$120 and USA Swimming registration fee of \$78.
2. Once you have registered/paid on the TeamUnify BBD website, you will see a "SUCCESS!" message on your screen. This will contain a Step 2 link that will take you to Birmingham YMCA's Active registration page. If you do not remember to click the link to complete Step 2 while the success page is displayed, please send an email to Sara Madigan sbmadigan@gmail.com to receive the Step 2 link.

IMPORTANT NOTES RE: Y Membership!

****If you have 3 or more swimmers, it may be advantageous to get a FAMILY MEMBERSHIP.** If you are choosing this option, you must register for family membership prior to completing the steps above. Click [here](#) to register for a family membership. Please contact the Birmingham Y if you would like more information on the most effective membership option for your family.

****If you have a membership on suspension/hold, you need to contact Lisa Jolliffe at the Birmingham YMCA via email ljolliffe@ymcadetroit.org to reinstate your membership prior to completing Step 2. Otherwise, you will be charged for a new membership.**

****If you receive an age restriction error when attempting to log in, please contact the Y to reset your account and password. Aubrey ahuff@ymcadetroit.org**

3. Once you click on the Step 2 link, you will be taken to the Birmingham Y's Active page for BBD registration. Click on "Add to Cart." You will be asked to log in to the Active site. Log in under your parent account, NOT your child(ren)'s account. If you do not know your log in information or do not have an Active account, follow the instructions on the website to retrieve your login credentials.

To access the features of this site, you must have a password-protected customer account.

Having trouble logging in? Before creating a new account:

- If you are already a member with the YMCA and we have your email address on file, click on the Forgot Password link and enter your email address. You will receive a temporary password that can be used to log on the first time. Please contact your local branch if you do not receive the temporary password.
- If you are a member with the YMCA and have not yet provided an email address, please contact your local branch to have your email address added to your account.
- If you are not a member or do not have an account, please create a new account.

- After logging in, you should be taken back to the BBD enrollment page. If you are not, simply type “BBD” into the activities search box on the main page to get back to BBD registration. Use the dropdown menu to select the swimmer you wish to register. If you need to add a family member, you can do so at this step as well by clicking on “Create a new Family Member.” Read the “TIPS” section on the right hand side of the screen if you need help. You will choose age group on the “package details” page, accept payment details on the “additional information” page, and then you will be brought to the fees page.

- If you have more than one swimmer, once you register the first swimmer, you will need to click on “Register Another Participant for this Activity” on the fees page, BEFORE proceeding to Shopping Cart. Then you will go through the same add process for your remaining swimmers. It is IMPORTANT that you add all of your swimmers prior to checking out/paying so that you can receive the sibling discount.

2 swimmers=\$75 discount;
 3 swimmers=\$150 discount;
 4+ swimmers=\$200 discount

NOTE: The fee structure has changed in order to streamline the online process. You will see a base BBD team fee (“Package Related” Registration Fee) and an additional registration fee based on the swimmer's age group. The total of those two fees for the 2018-2019 season are the same as the total for the 2017-2018 season. **In essence, total BBD team fees are the exact same as last year's; they're just split into two fees for online registration reasons. Also, all sibling discounts will be reflected on the last swimmer you add to your cart.**

- If you are rejoining the Y during Step 2, it may look like your recurring monthly payment is more than \$30-40/month. Do not worry: the Joiner's fee and the monthly fee are combined on the checkout page, but will show separately on your receipt/confirmation. Your recurring monthly Y membership fee will be \$30/month for swimmers 12 & under and \$40/month for swimmers 13 & up. There is a one-time Joiner's Fee of \$25 per family.
- Payment for the season is automatically defaulted to monthly installments. If you wish to pay in full, you will select "Pay in Full" at the checkout screen.
