

## Scrip is FUNDRAISING while you shop!

Join **Mantas Swim Club** in the launch of our “shopwithscrip” program to help individual families bank money toward their registration fees, as well as the club fundraise toward general club operating costs (pool time!).

The Scrip fundraising program allows families to raise money for Mantas Swim Club by purchasing gift cards (physical cards or e-gift cards) to pay for EVERYDAY purchases. These are purchases you’d make anyway! Scrip puts your purchasing power to work for you and the club. There is nothing to sell!

**Through the Mantas Swim Club SCRIP program, families order gift cards at face value (i.e. \$100 Kwik Trip gas card), and the club scrip coordinator orders the physical gift cards from Great Lakes Scrip Center (e-gift card orders are sent to you immediately) for less than the face value. Mantas Swim Club keeps the difference, or rebate, and that’s where the fundraising comes in! That simple, and painless!**

It’s easy to make scrip part of any family’s regular weekly shopping. By using scrip weekly, a single family can generate hundreds of dollars in rebate dollars. Mantas Swim Club will split the total rebate 50/50 with the participating Mantas family. You can check your family’s account (on shopwithscrip.com ) at any time and see how much you have “banked” up. You may use your half of the rebate money at Mantas registration toward your swim fees!

- These are the same “gift” cards as you’d buy at a “gift card mall” or at the store.
- You set up a family account on <https://shop.shopwithscrip.com/Login/Enroll> and associate your account with Mantas Swim Club using our membership code which you can get from the Scrip Coordinator (Stephanie Otto: mantasscrip@gmail.com )
